Appellate Case No. 2016-001818

ORDER

By order dated August 18, 2016, we granted respondent's motion to dismiss the notice of appeal filed in Appellate Case No. 2016-000341. Appellants have filed a petition for rehearing. Respondent has not filed a return to the petition. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

Howard Hammer has also filed a petition for a writ of mandamus (Appellate Case No. 2016-001818) directing the master-in-equity to rule on a pending motion, conduct an accounting, and issue a final order of distribution in the underlying matter. Shirley Hammer has filed a return in opposition to the petition. The petition is denied, as the master-in-equity, by terms of the January 21, 2014 order which Mr. Hammer did not challenge, has no duty to take such action. *City of Rock Hill v. Thompson*, 349 S.C. 197, 563 S.E.2d 101 (2002).
