

The South Carolina Court of Appeals

South Carolina Coastal Conservation League and South
Carolina Wildlife Federation, Appellants,

v.

South Carolina Department of Health and Environmental
Control and Horry County Public Works, Respondents.

Appellate Case No. 2016-001758

ORDER

South Carolina Coastal Conservation League and South Carolina Wildlife Federation have filed a petition for supersedeas seeking to stay the issuance of two permits issued by South Carolina Department of Health and Environmental Control. After consideration of the petition for supersedeas, return, and reply, we find supersedeas is necessary to prevent contested issues from becoming moot. Thus, the petition for supersedeas is granted. *See* Rule 241(c)(2), SCACR ("In determining whether an order should issue pursuant to this Rule, the lower court, administrative tribunal, appellate court, or judge or justice of the appellate court should consider whether such an order is necessary to preserve jurisdiction of the appeal or to prevent a contested issue from becoming moot.").
