NEIL FREBOWITZ - PROFFER - DIRECT EXAMINATION

1 the major crimes unit from '08 to '14, six years, if
2 you know, think about it for a second, how many major
3 crime scenes did you go to?

4 A Minimum of 40 a year for the six years.

5 Q Around 50?

6 A Yes -- well --

7 Q Is that a conservative estimate?

8 A Yes, sir. 40 per year for six years, 240, that
9 is a conservative estimate.

10 Q And when you went to major crime scenes, what
11 would you do? What was your duties at that point as a
12 detective?

13 A First is to ensure the integrity to ensure that
14 the uniformed patrol officer had established the
15 appropriate protocols, making sure that none of the
16 crime scene was disturbed, especially as lead detective
17 who ensures that the crime scene unit was summoned and
18 evidence was collected appropriately and according to
19 best standards and practices.

20 MR. AXELROD: Court's indulgence one moment. At
21 this point I move him as an expert in crime scene
22 investigation based on 240 crime scenes he went to as
23 a major crime unit detective in '08 to 2014, as a lead
24 detective, and maybe not always as a lead detective.
25 I believe he fully understands and could be qualified

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

1 as an expert in this field.

2 Q (MR. AXELROD) How many years have you been a police
3 officer?

4 A Forty now.

5 Q Forty?

6 A I retired in late March 2014, so a little less
7 than 40.

8 Q How old are you?

9 A 58.

10 Q You look good.

11 MS. LIVESAY: Just a few questions.

12 CROSS-EXAMINATION (PROFFER)

13 BY MS. LIVESAY:

14 Q Thank you. How are you?

15 A I am fine, ma'am, thank you.

16 Q Now, you said you worked -- just briefly --
17 originally you started working in Washington DC?

18 A Initially as a desk officer outside of
19 Philadelphia while in college and then I went to
20 Washington DC.

21 Q Where did you go to college?

22 A Montgomery, and then University of Virginia.

23 Q And Washington DC you worked for the Metro
24 Police?

25 A Yes, sir.

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

- 1 Q And what is the Metro Police?
- 2 A Initially, I was trained with the Metro Police
3 Department, which is more of a city police department.
4 I was trained out of the Fourth District and originally
5 hired there, and then I was assigned to the Transit
6 Bureau working in the newly formed transit system.
- 7 Q So like transportation type of police?
- 8 A A little more sophisticated than that, but, yes,
9 ma'am.
- 10 Q Were you working murder cases then?
- 11 A Mostly suicides. We did work some murder cases,
12 yes, ma'am.
- 13 Q You did crime scene for the Metro Police?
- 14 A I didn't do crime scene, I did uniformed patrol,
15 supervisor and commander. I ensured the crime scene
16 was protected until the crime scene individuals and
17 detectives arrived.
- 18 Q So you were a uniform officer?
- 19 A For those 25 years, yes, ma'am.
- 20 Q So for 25 years you were uniformed patrol?
- 21 A That's correct.
- 22 Q Not detective, not crime scene investigator,
23 nothing like that?
- 24 A I was not.
- 25 Q So for 25 years, you were basically a road

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

1 officer?

2 A I was in uniformed patrol. I was a supervisor
3 and watch commander. It is more sophisticated and
4 responsible than that, but I was in uniform for my
5 entire career.

6 Q And then after that, after you did uniformed
7 patrol, what did you do?

8 A I came to Horry County Police.

9 Q So at Horry County Police Department, what did
10 you do exactly?

11 A I started as a patrol officer. I was promoted to
12 corporal, and then I became a detective.

13 Q So you went from uniformed patrol for 25 years,
14 and when you first came to Horry County, you were a
15 patrol officer?

16 A Correct.

17 Q And in a uniform?

18 A Yes, ma'am.

19 Q And then you went from patrol officer in Horry
20 County to what?

21 A Corporal, uniformed patrol corporal.

22 Q So still patrol in uniform in a uniform car
23 patrolling the streets of Horry County?

24 A Yes, ma'am.

25 Q Responding to dispatch calls?

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

- 1 A That's correct.
- 2 Q And then after that?
- 3 A I became a detective.
- 4 Q And how long were you a detective?
- 5 A A little more than six years, I believe.
- 6 Q As a detective, who was your direct supervisor?
- 7 A Initially, it was Sergeant Chip Squires, if I
- 8 remember, and Lieutenant DeBarion (phonetic).
- 9 Q And then who is Officer Chip Squires?
- 10 A Now, it is Dale Buchanan, Captain Buchanan.
- 11 Q Who is over Dale Buchanan?
- 12 A One of the deputy chiefs, Scott Rutherford.
- 13 Q Who is over Scott Rutherford?
- 14 A The chief of police.
- 15 Q Were you anybody's supervisor as a detective?
- 16 A Well, a detective holds a supervisor rank in the
- 17 police department, but I was not a supervisor over
- 18 other detectives.
- 19 Q You were a super --
- 20 A I was not a supervisor over the other detectives.
- 21 We are all supervisors in rank, we work as a team
- 22 policing concept.
- 23 Q Okay. So you -- but you didn't -- nobody came to
- 24 you directly as if you were their supervisor?
- 25 A Not officially, no, ma'am.

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

1 Q Okay. You left Horry County Police Department.

2 Where are you working currently?

3 A Currently, I am a background investigator
4 retained by the United States Government. I hold
5 credentials from the Department of Defense and
6 Department of Homeland Security. I hold a top secret
7 security clearance.

8 Q What are your current responsibilities there?

9 A Background investigator. My responsibilities are
10 to -- the cases I get are new applicants, new hire
11 applicants, that are applying for jobs of a sensitive
12 or public trust nature in the government. It is my
13 responsibility to investigate their background for
14 suitability purposes.

15 Q Okay. So you are looking into people that want
16 employment?

17 A Correct.

18 Q And running NCICs on them, calling maybe
19 references?

20 A Well, I don't run the NCICs. I interview their
21 references as well as try to develop information that
22 are not their references.

23 Q But you are not having anything to do with crime
24 scenes or criminal cases?

25 A No, ma'am, not at all.

NEIL FREBOWITZ - PROFFER - CROSS-EXAMINATION

- 1 Q And not responding out to any calls?
- 2 A Not now, no, ma'am.
- 3 Q In total, how long have you been in law
4 enforcement?
- 5 A Forty years.
- 6 Q And in 40 years, have you ever been qualified as
7 an expert?
- 8 A Yes, ma'am.
- 9 Q Where have you been qualified as an expert?
- 10 A Initially when I was in Washington, I developed
11 information about a computer program that led to an
12 arrest. At the time, computers were too big to bring
13 into court, so she qualified me as an expert as to my
14 experience with the computer system.
- 15 Q But nothing to do with law enforcement?
- 16 A Well, that was law enforcement.
- 17 Q As an expert giving your opinion about
18 investigations?
- 19 A No, ma'am, that is the only time.
- 20 Q So in 40 years you've never been qualified as an
21 expert regarding crime scenes or investigations?
- 22 A No, ma'am.
- 23 Q And you were qualified once for computer systems?
- 24 A Yes, ma'am.
- 25 Q Today, I'm assuming Mr. Axelrod is trying to

NEIL FREBOWITZ - PROFFER - REDIRECT EXAMINATION

1 qualify you in crime scene investigations?

2 A Yes, ma'am.

3 Q In criminal cases?

4 A That's correct.

5 Q Are you here under subpoena?

6 A No, ma'am.

7 Q The only time you ever really worked with any
8 aspect of crime scene, and really as an investigator,
9 was for Horry County Police Department?

10 A That's correct.

11 Q And that was for only six years?

12 A Yes, ma'am.

13 Q You had at least four supervisors over you?

14 A Yes, ma'am.

15 Q And you didn't have any direct supervision over
16 anyone else?

17 A No, ma'am.

18 MS. LIVESAY: Nothing further, Your Honor.

19 REDIRECT-EXAMINATION (PROFFER)

20 BY MR. AXELROD:

21 Q I didn't realize you had top secret clearance.
22 What does that mean?

23 A A contract that you hold between yourself and the
24 government. To obtain a top secret security clearance,
25 it requires a very in-depth background investigation,

NEIL FREBOWITZ - PROFFER - REDIRECT EXAMINATION

1 including sometimes your family, immediate family is
2 investigated to flush out potential threats to the
3 United States. The contract you hold with the United
4 States government is that you will not divulge
5 information that comes to your attention, do you
6 understand the difference between sensitive, public
7 trust, classified and top secret material, and you are
8 skilled and trained to protect that information as
9 necessary.

10 Q Okay. And you testified that you did about 240
11 crime scene cases?

12 A Where I was an investigator in Horry County.
13 Over the course of my career, probably thousands I've
14 responded to, was first responder. To actually process
15 the crime scene, being involved with the investigation
16 of the crime scene, 240 I think is an accurate number.

17 Q That was the lead investigator?

18 A Not all the time, part of a team. Lead
19 investigator on several, but as part of a team on most.

20 Q And I glossed over the FBI. Is that academy
21 really prestigious?

22 A Yes, sir.

23 Q Who goes there?

24 A Police managers, generally police chiefs or
25 deputy chiefs. I was selected as a relatively young

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 individual to go. It is one -- it is literally the
2 most prestigious law enforcement, training academy in
3 the world.

4 Q That is in Quantico?

5 A Virginia, yes, sir.

6 MR. AXELROD: I move him as an expert for crime
7 scene investigation. 40 years of experience, 240
8 major crime scenes here, lead counsel on some, watch
9 commander in DC, over a couple hundred men, been
10 through the FBI academy, prestige academy, has a top
11 secret clearance and retired after 40 years of active
12 police work. He's gone to another career, and we ask
13 him to be qualified today.

14 MS. LIVESAY: If I may. I do appreciate Mr.
15 Frebowitz and we work together on cases, but I do not
16 believe that the testimony that he gave qualifies as
17 an expert on crime scenes or investigations. He
18 worked for Horry County Police Department for six
19 years in that department. He had four supervisors.
20 He was not a supervisor over anyone else. He's
21 basically been a uniformed patrol officer for 25
22 years. Although I respect that, I do not believe that
23 qualifies him as an expert. I don't believe in his 40
24 years of law enforcement anyone else thinks so because
25 he hadn't been qualified before now. So in 40 years,

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 in all of these cases, nobody else has cared to hear
2 what his opinion is. I'm not saying it is not
3 important, I'm just saying I don't know he's qualified
4 to give it. I respect his experience in law
5 enforcement, but he's been a uniformed patrol officer
6 the majority of the time. I do not believe that he's
7 qualified to come in here and give his opinion on how
8 an investigation could go or crime scene
9 investigation.

10 MR. AXELROD: Your Honor, I would like to draw
11 the Court's attention to Rule 702, Testimony by
12 Experts. The scientific, technical or other
13 specialized knowledge will assist the trier of fact to
14 understand the evidence or determine a fact in issue.
15 A witness qualifies as an expert by knowledge, skill,
16 experience, training or education may testify thereto
17 in the form of an opinion or otherwise.

18 I would submit to this Court that Rule 702 is
19 actually a low standard, low standard. He meets the
20 knowledge requirement, the skill requirement, the
21 experience requirement, the training requirement, the
22 education requirement. Your Honor, I would argue to
23 this Court today that my client, Anthony Adkins, has a
24 Constitutional right to present relevant evidence
25 concerning the State's inability to meet their burden.

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 I would argue that his right under South Carolina law
2 to argue spoliation to the jury, that they failed to
3 preserve the evidence, therefore, the jury can draw an
4 adverse inference. I think he has a right to rebut
5 the previous officer's testimony concerning the police
6 department procedure. I believe that he has a
7 Constitutional right -- my client has a Constitutional
8 right to have Mr. Frebowitz testify to rebut the
9 previous officer's testimony about not securing the
10 house.

11 Also, his testimony might be relevant to show
12 whether or not a video might have been able to be
13 received. A search warrant for the house, secure the
14 house possibly to get the golf clubs could have --
15 whatever was in the house, secure the house, what the
16 proper procedures are. I believe that Mr. Frebowitz
17 said the best standards and practices, and that is
18 what I believe he would testify to.

19 MS. LIVESAY: If I may, briefly. The only time
20 an expert witness is necessary is when there is an
21 issue of fact outside the scope of common knowledge
22 and understanding of the jury to assist him. I guess
23 my question is, What is that issue here that we need
24 an expert that is relevant as to whether or not this
25 defendant is guilty of CDV/HAN and kidnapping.

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 THE COURT: I heard enough. The rule you quoted
2 to me says right in the face of -- ever since the OJ
3 Simpson case, the trial courts in the United States
4 have been criticized heavily, especially Judge Ito in
5 that case, about the shift of trying defendants for
6 what they are charged with, to trying everybody else,
7 especially law enforcement. It has been a terrible
8 philosophical problem for the courts, and still trying
9 to sort it out. What you are attempting to do here,
10 I'm not having any part of it. I respect his law
11 enforcement career because I was in it a long time
12 myself. It sounds like we followed almost the same
13 path, but he's never been qualified in this court.
14 Where are we headed with this? I can see what is
15 happening. I'm not having any part of it. Therefore,
16 he is not qualified for criminal investigation to
17 testify in this regard. I'm not going to find it.

18 As far as the points you are trying to make, what
19 the police failed to do, you know, there is so much I
20 can do to control the damage that Judge Ito did in his
21 trial court without stepping on Constitutional rights.
22 You can certainly comment on that in your arguments
23 and all, but, no, we're not going down that path of
24 trying law enforcement in this matter, because it is
25 just -- the realm of what you are trying to do is way

THE COURT AND ATTORNEYS - JURY NOT PRESENT
1 out there, and I'm not having any part of it, okay.

2 MR. AXELROD: I take exception to the ruling, but
3 thank you, sir.

4 THE COURT: So noted. Plus, I can say this,
5 supreme court, through Justice Pleicones' decision and
6 some others have really tightened down on our ability
7 to qualify expert witnesses. We've been warned
8 through those decisions to be extremely careful, and
9 this is just out of the question.

10 MR. AXELROD: I tell you what I would like to do.
11 May I proffer the testimony for the record to preserve
12 it?

13 THE COURT: It will be there.

14 MR. AXELROD: Can I proffer the testimony for
15 what he would have testified to in court? I didn't go
16 into it with him.

17 THE COURT: No. If they disagree with me, they
18 can reverse me. I don't know what they would do with
19 it, send it back to trial or whatever, but it has been
20 one thing after another. The jury is probably
21 completely worn out. We have spent all day arguing
22 over unique things just like this. In 23 years on
23 this bench, I have never had anything like that come
24 up to try to qualify somebody for police
25 investigation. Huh-huh.

THE COURT AND MR. ADKINS

1 MR. AXELROD: Thank you, sir. I would ask the
2 Court to inquire of my client that he has the right to
3 testify, go through that protocol with him and we'll
4 make a decision.

5 THE COURT: Mr. Adkins, your attorney has
6 requested the Court to talk with you about your Fifth
7 Amendment of the United States as well as counter part
8 provisions under our state Constitution. You have a
9 right to remain silent. You will have to make a
10 personal decision. Whatever decision you reach in
11 regards to what I'll ask you about will have to be
12 freely, voluntarily and intelligently made by you.
13 Nobody can waive this right except you, personally.

14 You have a right to testify in this case, but you
15 also have a Constitutional right to elect not to
16 testify, commonly called the "right to remain silent."
17 Should you elect to testify, you will be treated as
18 any other witness upon the witness stand. You will be
19 subject to cross-examination and impeachment. Also,
20 the Rules of Evidence and Procedure can get into
21 various things that would be proper for
22 cross-examination. If you elect not to testify,
23 invoke your right under the Fifth Amendment of the
24 Constitution, that cannot be used against you. In
25 fact, I would even instruct the jury that they can't

THE COURT AND MR. ADKINS

1 even discuss that in the jury room because that is the
2 United States Constitutional right that you would have
3 to elect not to testify, couldn't mitigate against you
4 in any way. With that said, I have to ask you, do you
5 understand those basic rights?

6 MR. ADKINS: Yes, sir.

7 THE COURT: Do you understand what your attorney
8 explained to you?

9 MR. ADKINS: Yes, sir.

10 THE COURT: Do you have any questions at this
11 time about these rights?

12 MR. ADKINS: No, sir.

13 THE COURT: Would you like a minute or two to
14 discuss with your attorney or attorneys considering
15 these rights?

16 MR. ADKINS. Yes, sir.

17 THE COURT: All right. Take a minute or two and
18 discuss it.

19 MR. AXELROD: We're going to rest. I would like
20 to move that one exhibit, Defendant's 2, as Court's
21 Exhibit 1.

22 THE COURT: Yeah. Yeah. Yeah.

23 (Court's Exhibit 1 marked.)

24 MR. AXELROD: Make it Court's 1, and at this time
25 we rest.

THE COURT AND MR. ADKINS

1 THE COURT: I didn't quite finish with Mr.
2 Adkins. Did you reach a decision?
3 MR. ADKINS: Yes, sir.
4 MR. AXELROD: Stand up, please.
5 THE COURT: As I understood, you have elected
6 that you would not like to testify?
7 MR. ADKINS: Yes, sir.
8 THE COURT: To remain silent?
9 MR. ADKINS: Yes, sir.
10 THE COURT: Is that your personal decision?
11 MR. ADKINS: Yes, sir.
12 THE COURT: You made that without any duress,
13 nobody threatened you or anything like that? In other
14 words, this is your own freewill in deciding that you
15 are electing not to testify?
16 MR. ADKINS: Yes, sir.
17 THE COURT: Thank you, sir.
18 MR. AXELROD: That is our showing, Your Honor.
19 THE COURT: Anything in rebuttal?
20 MS. LIVESAY: No, sir.
21 THE COURT: Do you want to put something on the
22 record in the morning or any motions before we leave
23 for the evening?
24 MR. AXELROD: I was going to -- I would let Mr.
25 Shaffer renew the motions of the hearing we had.

THE COURT TO THE JURY

1 MR. SHAFFER: Your Honor.

2 THE COURT: Don't use this for an excuse not to
3 answer Judge Mullins (laughing). Do you want to do
4 that tonight?

5 MR. SHAFFER: Yes. I can do it simply, if you
6 would like, and just ask you to reconsider your
7 previous ruling on that, if you would prefer. We also
8 would like you to reconsider the directed verdict
9 motion that was made as well.

10 MR. AXELROD: And Mr. Frebowitz.

11 MR. SHAFFER: And Mr. Frebowitz as well.

12 THE COURT: I'll stick by what I did. I denied
13 the motions now, but if my astute, wise law clerk
14 thinks I need to think about something overnight,
15 he'll let me know, and I'll let you know in the
16 morning. As it stands, 9:45, because I have another
17 matter in the morning before we resume any active
18 courtroom work. Does that give anybody any heartburn?

19 MR. AXELROD: No. No heartburn. Anything you
20 want, Judge.

21 THE COURT: Let's send the jury home and we'll
22 rest a little bit. Bring them back in.

23 (The jury enters at 4:38 p.m., and the
24 following is heard in the presence of the jury.)

25 THE COURT: Ladies and Gentlemen of the jury, I

THE COURT TO THE JURY

1 can tell from the expressions of your faces what is
2 that judge doing to us, sending us back there, keeping
3 us back there. It goes back to what I explained to
4 you, you are the triers of the facts, and I'm the
5 judge of the law. I have to sort things out, and
6 sometimes it takes a lot of time to do that. However,
7 I thank you for your patience working with us, and in
8 a round-about way, I can say that we accomplished a
9 lot. The news will be that we will complete this case
10 beginning at 9:45 in the morning. I have delayed a
11 little bit from my normal starting time of 9:30
12 because of another matter, doesn't have anything to do
13 with this case or with Horry County. It is another
14 matter that was arranged several weeks ago that I have
15 to take care of at 9:00 in the morning. If you will
16 report at 9:45. Through your patience, we were able
17 to sort things out, and the defense has now rested.
18 We will be ready to go straight into closing
19 arguments. With that said, hope you understand the
20 differences of your duty and my duties, and as I say,
21 we were able to take care of some matters that may
22 save further time in what we call the evidentiary
23 portion of the case. So you all have a good evening
24 and remember my instructions, do not discuss this case
25 with anyone. Don't allow anyone to contact you about

THE COURT TO THE JURY

1 it. Don't even discuss it with your family. We will
2 see you in the morning. One other thing I was
3 supposed to tell you, I hadn't seen any members of the
4 press in here, but until we complete this case, avoid
5 any local press coverage, especially the newspaper,
6 until we get this finished, okay. Thanks. See you in
7 the morning.

8 (The jury exits at 4:41 p.m., and the
9 following is heard out of the presence of the jury.)

10 THE COURT: Anything else?

11 MR. AXELROD: For clarification, you said --
12 prior to addressing the jury you said that your
13 esteemed law clerk would look at issues, is that an
14 issue concerning Frebowitz? I'm just asking whether I
15 should have him come back tomorrow, I wasn't sure.

16 THE COURT: No, not specifically. I just -- in
17 trials and everything where we've had a lot of issues,
18 I just sit down and powwow with him in the evening to
19 see if that younger mind who knows more law now
20 than -- what is told by many that they know more law
21 and pass the bar than they will ever know again -- if
22 he sees anything that he is concerned with or needs a
23 second look.

24 MR. AXELROD: Is it fair to say that I should
25 have Mr. Frebowitz here tomorrow morning just in case

THE COURT AND ATTORNEYS - JURY NOT PRESENT
1 the esteemed law clerk decides maybe he should be
2 allowed to testify? I'll have him come back. I don't
3 want to delay this trial any more than I have to.

4 THE COURT: That is strictly up to you. I
5 wouldn't say yes or no.

6 MR. AXELROD: Law clerk hasn't thought about it
7 yet.

8 THE COURT: No. He's going to be around. Get
9 his telephone number, give him a ring.

10 MR. AXELROD: Okay.

11 THE COURT: Okay.

12 MR. AXELROD: Okay.

13 THE COURT: Anything else, Solicitor? You had a
14 long day. See you in the morning.

15 (Whereupon, the proceedings for July 22, 2014
16 concluded, but resumed on July 23, 2014 and the
17 following was had out of the presence of the jury.)

18 THE COURT: Anything before closing arguments and
19 charges?

20 MS. LIVESAY: I did want to put a couple of
21 things on the record yesterday as far as the expert
22 testimony. Will it be okay if I put that in the
23 record? I'm not arguing with anyone's ruling, just
24 putting it on the record.

25 THE COURT: Sure.

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 MS. LIVESAY: The only cases I wanted to put on,
2 which I was referring to yesterday, was State V.
3 Myers, that is 391 S.E.2d 551. That states an expert
4 witness is necessary when there is an issue of fact
5 outside the scope of common knowledge and
6 understanding of a jury or a piece of evidence that
7 cannot be understood without explanation and opinion.
8 Also I wanted to put on the record South Carolina
9 Rule 702 in conjunction with 403, which was put on the
10 McDill versus Mark's Auto Sales, 626 S.E.2d 52. That
11 says an expert's opinion is only proper when the
12 subject matter is scientific, technical or requires
13 other specialized knowledge. In looking at that, that
14 would be relevant as to the defendant's guilt, and it
15 also has to be more probative than prejudicial.

16 MR. AXELROD: Just to clarify, I believe the
17 record yesterday was that the Court deemed Neil
18 Frebowitz not qualified to be an expert, and that was
19 the ruling of the Court.

20 THE COURT: It is, and we ended it there. I know
21 you all said something about further proffer of
22 testimony, but once I ruled on that, that ended it. I
23 went back last night and did a little checking on the
24 decision since it was a reversal sort of philosophy,
25 Justice Pleicones left with his initial decision, I

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 can't remember the case off the bat, but it's been a
2 gradual tightening up about expert witnesses, even
3 though it is still in the trial judge's discretion. I
4 was very uncomfortable with this one, and even though
5 I'm very liberal traditionally about evidence and
6 witnesses. I was one of the ones that got caught up
7 in Justice Pleicones' decision, so I'm wary of that.
8 I stand by my decision on that.

9 MR. AXELROD: The final thing. I think Rule 702
10 I think would have allowed it. That's all.

11 THE COURT: All right.

12 (A brief pause in the proceedings.)

13 MR. AXELROD: Is it going to be your standard
14 charges for the kidnapping and the CDV/HAN?

15 THE COURT: Straight out of the book.

16 MR. AXELROD: I'm okay with that. And your
17 reasonable doubt charge will be firmly convinced that
18 a reasonable person --

19 THE COURT: It will be Nebraska, and I will
20 charge Defendant's election not to testify, protection
21 given to that.

22 MR. AXELROD: Anything else, Mr. Shaffer, I need
23 to have? Standard charges, Nebraska for the
24 reasonable doubt charge -- he's my go-to guy now.

25 MR. SHAFFER: Probably not.

THE COURT AND ATTORNEYS - JURY NOT PRESENT

1 MR. AXELROD: For the most part.

2 MR. SHAFFER: You can argue spoliation.

3 MR. AXELROD: Am I able to get a spoliation
4 charge, Your Honor?

5 THE COURT: I don't know. You have to get it to
6 me, because I don't have it here. Think about it and
7 let me know.

8 MR. AXELROD: You can write one up?

9 MR. SHAFFER: Yeah.

10 MR. AXELROD: Maybe when I'm speaking he'll
11 write.

12 THE COURT: If anything, we'll take a little
13 sabbatical between arguments and the charge and get it
14 mashed out. Anything special? Just straight up
15 charges?

16 MS. LIVESAY: Yes, sir.

17 THE COURT: All right. Got all of them?

18 DEPUTY: Yes, sir.

19 THE COURT: Ready to go?

20 MS. LIVESAY: Yes, sir.

21 THE COURT: Bring them on.

22 (The jury enters at 10:09 a.m., and the
23 following is heard in the presence of the jury.)

24 THE COURT: Good morning. All right. We worked
25 through our legal matters here, the matters of law and

CLOSING ARGUMENTS - MR. AXELROD

1 we're ready to go with the arguments. I'll turn it
2 over to counsel.

3 MR. AXELROD: Thank you, Your Honor. Good
4 morning. Reasonable doubt. Reasonable doubt is a
5 doubt that causes a reasonable person to take a step
6 back and say I'm not sure, it's all it is. To prove
7 guilt beyond a reasonable doubt -- not beyond all
8 doubt -- but beyond a reasonable doubt, you have
9 common sense and you have to be firmly convinced. You
10 have to go back when it is all over and you say, Did
11 he do it or he didn't do it. You have a discussion,
12 discussion among yourselves. You are individual
13 jurors, 12 of you. You are entitled to your opinions
14 and stand by your opinions, but you really have to
15 listen to everyone's opinions, and then in our system,
16 which is the best system in this country, we come to a
17 consensus of what we believe to be the truth. After
18 that consensus, if you still have doubt you have to
19 find Anthony Adkins not guilty.

20 I've done a lot of trials, and in cases like this
21 I was surprised that the State did not call the lead
22 investigator in this case, didn't call him in their
23 case in chief to assist you in finding your answers.
24 The way the State decided to prove their case to you
25 as the juror, to the full jury, was to just put up Ms.

CLOSING ARGUMENTS - MR. AXELROD

1 Bryson, her story and her story only. That it is all
2 she wanted you to hear. If we were in that vacuum --
3 and I told you in the beginning to pay attention,
4 please don't decide your opinion or make a decision
5 until you heard everything. She put Ms. Bryson up,
6 and I won't stand here -- this girl was beaten, yes,
7 she was beaten. She was beaten, but ultimately you
8 have to decide was it by Anthony. You have to decide
9 that. She didn't want to put up anybody but Jerica.
10 In fact, she didn't. She put Mr. Mossi, the other
11 witness that was a police officer that was never at
12 the scene, never met Ms. Bryson, was told to go to
13 Anthony's house to find out if he was there. He was
14 like an extra person in this, but the man that was at
15 the scene, the man sitting right there yesterday, he
16 did not testify because she knew that his testimony
17 would conflict and contradict the victim's. She chose
18 not to put up Ginger Pop, her own investigator, who
19 talked to the victim and would have given testimony in
20 her case if she had put her up that would have
21 contradicted the victim.

22 In these cases they bring in a doctor. They have
23 a doctor testify to the jury. In this case, she
24 chose -- and it surprised me -- she chose not to call
25 the doctor because she knew, she read the reports, she

CLOSING ARGUMENTS - MR. AXELROD

1 knew that it contradicted Ms. Bryson's testimony.

2 Ms. Bryson testified on the witness stand that on
3 April the 8th, at night, in Myrtle Beach, Anthony
4 started to hit her with his fists. That was her
5 testimony, April the 8th. She testified that before
6 dawn, before it was light, her mouth was duct taped --
7 excuse me -- her mouth was duct taped, she was wrapped
8 in a blanket, taken to [REDACTED] Drive. That was
9 her testimony in this courtroom. She said at that
10 point he began to -- he ripped her clothes off, hit
11 her in the head with an ashtray. Later she said it
12 was a glass coaster, and began to hit her with a golf
13 club. She showed you that she was hit with the end of
14 the golf club, that is what she showed you. She
15 showed you she was hit with the end of the golf club.
16 She said she was hit with the golf club all day
17 Tuesday, all day Wednesday, all day Thursday, all day
18 Friday, violently with the golf club to the point that
19 it broke.

20 Now, in our medical records chest x-rays were
21 negative, CAT scan of the pelvis was negative, x-ray
22 of the bilateral femurs was negative, x-rays of the
23 bilateral tibias was negative, x-ray of the fibulas
24 was negative, bilateral x-ray of the humerus was
25 negative, x-rays of left ankle were negative, CAT scan

CLOSING ARGUMENTS - MR. AXELROD

1 of the head was negative, CAT scan of the cervical
2 spine, negative. CAT scan of the face, negative. CAT
3 scan of the abdomen and chest was negative. Her pinky
4 was fractured, left pinky, bent back. She was in a
5 fight. She was in a fight. Her pinky was bent back.
6 There wasn't fractures.

7 I don't know if anyone has had a broken rib, but
8 you can have a broken rib and you can have a full
9 broken rib, or you can have something called a
10 fracture -- not a complete fracture, but a fracture.
11 If you take a heavier instrument and you pound it for
12 72 hours at somebody, you are going to have fracture.
13 A golf club is almost like hitting someone with a
14 hammer. It is made -- I learned something about golf.
15 There are more patents on golf equipment than any
16 other equipment in sports. A golf club is made to
17 deliver the most impact where she was hit.

18 Now, her testimony, she was taken Monday night,
19 she escaped Friday night, 96 hours. She was held
20 hostage for 96 hours. She testified under oath that
21 Anthony was up the entire time. She was unable to --
22 she said that she called the [REDACTED] Wednesday
23 morning and said she couldn't come to work. She was
24 able to do that. I can't come to work; this is the
25 testimony. I would submit to you if you heard that as

CLOSING ARGUMENTS - MR. AXELROD

1 the only testimony, well, hell, yeah, he did it. Who
2 else could have done that? We want to blame somebody.
3 We want to punish somebody. That is what we want to
4 do. She was beat up and she was beat up bad, but you
5 have to decide was she beat up by Anthony beyond a
6 reasonable doubt.

7 Now, she put up her case, nobody else testified,
8 end of the story. In our system -- in our system --
9 and it is a good system -- in a case like this, I
10 close first. I do the first closing argument and the
11 Solicitor will have the last closing argument. It's
12 like a lot of things you hear first, things you hear
13 last. I will not be able to respond to anything that
14 the Solicitor says to you after she does her closing
15 argument. It will be the end of the case. She will
16 be able to respond to me, and she will, I'm sure, but
17 ask yourself while the Solicitor is speaking, What
18 would Mr. Axelrod would have said to that. Keep in
19 mind what I would have said. What would he have said
20 to that? What we say isn't fact, it is argument.
21 We're telling you what we think happened. You will
22 have your opinion of what you thought happened. We
23 will decide this case today, hopefully.

24 She wanted to prove her case by not putting
25 anybody up, just by calling Jerica. Now, we put the

CLOSING ARGUMENTS - MR. AXELROD

1 officer. He told you that he went to the scene at
2 Ms. Joyce's house, Joyce Jones. He went to her house,
3 Jerica is sitting there and he says, What happened?
4 She says, I got hit. I got kidnapped. I got hit. My
5 boyfriend was at the convenience store right next
6 door, I ran away when he went in for cigarettes. Now,
7 he testified that she said she got kidnapped on
8 Wednesday night, that is what she said. She told him
9 Wednesday night is when he kidnapped me, started to
10 hit me with my (sic) fists and with my -- with the
11 golf club. She didn't tell him Monday night.
12 Wednesday night.

13 She testified to you that -- and I brought it out
14 on one of the forms -- that he tried to drown her.
15 That was a new one, he tried to drown her. She said,
16 Oh, yeah, I was in the bathtub, the water was on and
17 he tried to drown me. I told you in the beginning of
18 this case that the State has to prove the case. I
19 don't have to disapprove it. Anthony is innocent
20 until found guilty, if he is.

21 Now, I would submit to you, if I could prove to
22 you -- if I could prove to you beyond a reasonable
23 doubt that she lied at least one time, would that give
24 you reason to hesitate that she might have lied more?
25 I want you to think about that. If I can prove to you

CLOSING ARGUMENTS - MR. AXELROD

1 one time with everything we heard that she lied about
2 something, would it give you pause to consider she
3 might have lied on other things? I'm up to the
4 challenge. You're saying, What can he possibly prove?
5 We don't know what happened. She said one thing to
6 this person, one thing to that person, who knows what
7 it really is. We do know she was beat up, we know
8 that.

9 I went to the fish market in Myrtle Beach after
10 work preparing for this trial. I bought a roaster. I
11 bought a chicken, weighs about 5 pounds. I highly
12 recommend them. I take my roaster home, and then my
13 wife bought me this thing from William-Sonoma. It has
14 a tray and you pour beer in that little cup. Then you
15 put your chicken on top of it and you put a rub on it.
16 There is a reason for this story. You put a rub on
17 it. You put mustard powder, paprika, kosher salt and
18 pepper, Lowery salt, cumin -- cumin is good -- and
19 olive oil and rub it on your chicken. You then put
20 the little -- put the little -- put the rub on it and
21 stick it in the oven. I've learned in my oven -- I
22 have four burners. I leave the two on the end on
23 high, two in the middle. I cook it about 400 degrees,
24 75 minutes, and my chicken is pretty darn good.

25 So my chicken is done. I go to get my chicken,

CLOSING ARGUMENTS - MR. AXELROD

1 get my pot holders, carry my chicken into the kitchen.
2 The dogs are looking, and I put it up on the counter.
3 Now, I've learned it is hard to get chicken off the
4 little cup, it like seals itself together. So I get a
5 pair of tongs, kitchen tongs like in the restaurant,
6 so I get the kitchen tongs and I have my pot holders
7 in the left hand. It's like a little thing -- like a
8 little plate with two handles, a holder and a cup. I
9 get the tongs. I'm there and I'm not paying enough
10 attention. I grab the chicken with the tongs, going
11 to lift it up and the tray is pulling up a little bit,
12 so I have the pot holder and I grab the tray. I grab
13 the tray, but forget that my thumb wasn't covered. I
14 burnt my thumb (indicates). Burnt my thumb. That was
15 Sunday night.

16 We are at Monday night, Tuesday night,
17 two-and-a-half days since I burnt my thumb, and I have
18 a blister. There is one thing I promise you, he never
19 put a cigarette out on her. I don't care about
20 anything else in this case, he never put a cigarette
21 out on her chest like she told you. He did not do
22 that. Nobody did that. Nobody did that. There would
23 have been a mark. There would have been a burn.
24 There would have been a blister. There would have
25 been something there. Whatever you take away from

CLOSING ARGUMENTS - MR. AXELROD

1 this case, know that that was not true.

2 We will never know what happened. We rely on the
3 State to bring forth the evidence to assist you to
4 find a fair and just verdict, that is what you demand
5 of the State.

6 Mossi, Patrol Mossi, said I went to the scene,
7 there was a vehicle there. He didn't tell you whether
8 the hood was hot. I would submit that the hood was
9 not hot. I don't know what the hood was. He wasn't
10 there. Did they try to find him? No, they didn't
11 even try to find him. Now, on the 27th of April when
12 Anthony was arrested -- on the 27th of April his house
13 was opened. Joe, the cop, could have gone in. He
14 might have had -- maybe he had to go get Anthony in
15 the house. He could go and get a search warrant. He
16 would say, I think there is a crime scene at 1837
17 Homewood Drive, Ms. Bryson, this woman, made a
18 complaint on the 12th. I went to the house where
19 Joyce Jones lives. This might have been a crime
20 scene.

21 Supposedly the woman was held for at least 72
22 hours in this house, hit upside the head with a
23 ashtray or coaster, hit with a picture frame with
24 staples, beat to a pulp with a golf club that
25 eventually broke, put in a bathtub and drowned, she

CLOSING ARGUMENTS - MR. AXELROD

1 had Coca-Cola poured on her head. I would want to see
2 if any of that is there.

3 Well, let's go -- let's speculate. Let's
4 speculate that he got a search warrant and he went
5 into that house. None of that was there. What would
6 you say? Say that you went into that house that night
7 or the next day. Say they went in the house, [REDACTED]
8 [REDACTED] single-wide trailer. Say they wrote that
9 off, and they go into that house and there is no golf
10 club, there is no pictures frame, there is no
11 Coca-Cola, nothing in the bathtub, what would you
12 think then? You need to look at that. You need to
13 think why didn't they put them up? We're not in a
14 vacuum; there are two sides to a story.

15 She says on April 10th he pulls out a gun, drags
16 her, has carpet burns, Coke all over her head, kept
17 hitting her with a golf club all night, all day. She
18 calls work, the [REDACTED] can't come to work. Now,
19 I say to you, if she worked at the [REDACTED] that
20 would add credibility to that story. That would say,
21 hey, that is true. What did the employee of the [REDACTED]
22 [REDACTED] say on the witness stand to us? Do you remember?
23 Nothing. Because they didn't call that person. Could
24 have. Not like we say to ourselves [REDACTED] doesn't
25 exist anymore, don't know where the management company

CLOSING ARGUMENTS - MR. AXELROD

1 is. I say that [REDACTED] in Myrtle Beach
2 is one of the biggest hotels in Myrtle Beach which
3 claims to have the longest lazy river of 574 feet.
4 Almost two football fields. Why didn't they call and
5 bring that person in to corroborate her story?

6 She tells the hospital, I have been beat up since
7 Wednesday night. She doesn't say she was beat up
8 Monday, Tuesday, Wednesday. I submit if you were
9 kidnapped on Monday, you would tell the hospital, hey,
10 I was beat up since Monday, because now that is what
11 she tells you. Then she says to me -- she says to me,
12 Well, I wasn't in my right mind because I brought
13 forth a form from West Virginia. It says on the form
14 from West Virginia. Wednesday, April 10th, I was at
15 the condo in Myrtle Beach. Now, that is contradictory
16 to her statement on the witness stand. Is that
17 important? I think it is. I think it is. I think
18 that when somebody gets kidnapped and testify they got
19 kidnapped on a Monday, I think it would be in all of
20 the other reports that they got kidnapped on a Monday.
21 I think if you got kidnapped on Wednesday, it would be
22 your testimony you got kidnapped on Wednesday.

23 I say to you, when we start to tell things that
24 are not the truth, it's hard to remember what we told
25 you. We don't remember. We just yell and get angry

CLOSING ARGUMENTS - MR. AXELROD

1 and say, It is what it is. I said, You said Wednesday
2 in this report, that is what you said. She says, I
3 wasn't in my right mind until the end of April. Now,
4 I can understand that. I can understand that, but she
5 is not in her right mind until the end of April,
6 absolutely. She got beat up. I'm not in my right
7 mind. Then when I had her tell you that she wrote
8 this report on May 16th, she wrote May 16th saying
9 that is what happened.

10 I say to you, she was in her right mind. I don't
11 know if they showed her this stuff, I don't know, but
12 her story is not straight. Is it straight enough?
13 That is a decision you have to make. That is a
14 decision you have to make. You are going to see these
15 pictures. She's beat up, I'll agree with you. I'm
16 not going to stand here and tell you different. I
17 will tell you I don't know who beat her up. He might
18 have done it. Beyond a reasonable doubt? No. I
19 don't know, and you don't know.

20 So she has these marks and this is her back and
21 this is her arm, these are four lines, two here --
22 really pretty much two here, maybe a couple more here.
23 She was beat with a golf club the way she said to a
24 pulp for approximately 72 hours. She's got these
25 lines, these lines (indicates). What I find

CLOSING ARGUMENTS - MR. AXELROD

1 interesting on these lines is each of them are
2 parallel to each other. They are parallel. Kind of
3 like if you had a car with tires and made skid marks,
4 these are just closer, but they are parallel. If I
5 hit somebody with a golf club, here, wherever I hit
6 them, the club or the shaft, whatever it is, is going
7 to make one mark, that mark will come up. She has two
8 parallel marks. I don't think she got hit by a golf
9 club for two reasons: The parallel marks, and there
10 would be a broken rib. There would be a fracture, a
11 slight fracture. There would be something. Ribs are
12 tender. You get hit for 72 hours, you are going to
13 have more than your pinky bent back.

14 Joyce Jones drew a map, said she wasn't good at
15 map drawing. She wanted to tell you that there was no
16 way that Ms. Bryson could have gotten to her house but
17 through the convenience store, no way. She was
18 adamant, kind of angry with me, I think, at some point
19 when I questioned her on that statement, the veracity
20 of that statement. She wants to blame Anthony, as we
21 all might want to. He had to have done this. And I
22 asked her -- I said, If you are going out on 501 and
23 walking on 501, what is the first thing you come to?
24 She said my house, and then you would come to the
25 store. So I asked her, If someone dumped off someone

CLOSING ARGUMENTS - MR. AXELROD

1 on the road, is it possible they could have come from
2 that direction and not from the convenience store, and
3 she said -- she didn't want to say it, but eventually
4 she said, yeah, they could have come from there.
5 Well, that's reasonable. That's reasonable.

6 So we're stuck with her story that it had to come
7 from the convenience store. We don't have any other
8 proof because Joe, the police officer, knowing that he
9 was told right there on the spot, he was told I
10 escaped from the convenience store. My boyfriend of
11 ten years, we've been together for ten years and never
12 had this issue. My boyfriend of ten years, he went
13 into the convenience store to purchase cigarettes, and
14 I escaped.

15 Well, let's speculate, because we'll do an awful
16 lot of this. You'll do a lot of speculation when you
17 decide this case. Speculate that we got that video
18 and we watched that video and watched it on the
19 screen. It comes right down from there (indicates),
20 and on that video it did not show Anthony going into
21 that store. Would you convict him? Would you convict
22 him? If you think about that, and you just took pause
23 to ponder that, then you have reasonable doubt, that
24 is what we're here about, the doubt.

25 He wasn't at the convenience store, and he didn't

CLOSING ARGUMENTS - MR. AXELROD

1 walk in. He wasn't on the video. Show me any other
2 evidence that the State brought forth to disprove
3 that. Show me one thing of the convenience store.
4 Let's start with the convenience store operator.
5 Bring him in. Interview him. Show him his picture.
6 Yeah, or, I don't know. I don't think so. I got
7 video, let's look at the video. Look at the video.
8 He's not there. You have to assume he's not on that
9 video. As well as you want to assume that he was in
10 that store. You have to be firmly convinced.
11 Ginger Pop. Ginger Pop. You know, reasonable
12 doubt, let me explain it a little further. Reasonable
13 doubt -- I want to define it with a little analogy, a
14 little story. I was watching a baseball game, major
15 league baseball, last night. Phillies held over the
16 Giants. I'm from Phillie, a long time ago. Baseball,
17 reasonable doubt. It isn't good enough that the
18 baseball player gets a single, that's not beyond a
19 reasonable doubt. It's not good enough that he gets a
20 double; it's not beyond a reasonable doubt. In civil
21 law, auto accidents, you see on TV auto accident
22 cases, it is a preponderance of the evidence. It is
23 more likely than not. They have scales of justice, is
24 it more likely than the not. The judge in civil cases
25 tell you it is ever so slightly, ever so slightly,

CLOSING ARGUMENTS - MR. AXELROD

1 just a tad more, a touch, that is a preponderance of
2 the evidence. Just a tad more that this person was at
3 fault, and not this person. It is a preponderance.

4 We are not here in civil court, and we are not
5 here on a preponderance. If we would, maybe it would
6 be different. In family court, on the floor below,
7 they have a standard called "clear and convincing."
8 Maybe a preponderance standard might be that single,
9 just ever so slightly, just a tad bit, really just a
10 little. Clear and convincing, you have to be clearly
11 convinced. That might be a double or a triple. Up
12 here, beyond a reasonable doubt. They have to hit a
13 home run.

14 Now, I'm going to explain the difference between
15 "a reasonable doubt" and "all reasonable doubt."
16 There is a difference. Judge will tell you you don't
17 have to do it beyond all reasonable doubt, but a
18 reasonable doubt. It has to hit home run. She has to
19 hit a home run into the seats, but she doesn't -- the
20 State does not have to hit it out of the ballpark.
21 They don't have to hit it on the street. They still
22 have to have a home run. There is a difference.
23 There is a difference. There is a slight difference,
24 but there is a difference.

25 It is a good analogy; she has to hit a home run.

CLOSING ARGUMENTS - MR. AXELROD

1 If it was football season, she has to make a
2 touchdown, has to. The police, well, could he have
3 gone -- could he have gone to the convenience store?
4 Yes, he could have. Yes, he could have bought stuff.
5 Yes, he could have, but he chose not to do that, for
6 whatever reason, for whatever reason that is what he
7 chose to do. Nothing. He really did nothing. I'm
8 not going to find fault with him, and maybe he's
9 underpaid and does the best he can and he tells you he
10 has 20, 30 calls, all this stuff, but he did nothing
11 to assist you. Any way you want to look at it, he did
12 nothing. Ginger Pop, her investigator, she didn't
13 call her. She didn't want to call her. She tell us
14 Ginger Pop the litany of things that happened. She
15 read them: Chest injuries, knee injuries, leg
16 injuries, arm injuries, back injuries, hand injury and
17 vaginal injuries coming from a tubular end of a vacuum
18 inserted into me twice. It had to be hurt. It had to
19 be noted, but Dr. Sciarretta said there was no injury
20 to the genitalia, no internal injury at all.

21 Now, I asked the doctor, When you examined her in
22 the hospital was she in a safe environment, he said
23 she was in a safe environment. Well, she never told
24 anybody about the tubular end of the vacuum cleaner
25 inserted into her vagina until September 8th, 2014.

CLOSING ARGUMENTS - MR. AXELROD

1 That's what it says. I had to think for a second; she
2 didn't tell the doctor that. She told the doctor it
3 started Wednesday night.

4 Now, that is not an important thing. We don't
5 want to look at it in the totality when she tells you
6 Monday and tells the doctor Wednesday, and then she
7 tells the doctor, I was not sexually assaulted? I
8 don't know what planet people are from sometimes. I
9 don't know, but this is a sexual assault. Let's
10 speculate that she told the doctor, hey, I was
11 sexually assaulted with the end of a -- tubular end of
12 a vacuum cleaner. Say she told the doctor that.
13 Would I be standing up here telling you this is not a
14 sexual assault item? It is an assault. So she told
15 the doctor that. That's right. She told the doctor
16 that. That makes it easier. She told the doctor that
17 and the video store operator showed you the video with
18 Anthony on it, so we'll convict him.

19 She told the doctor that there was no sexual
20 assault. She said she was unemployed. There was no
21 sexual assault. I know she was beaten, but I don't
22 know why she's saying things that are untrue. I don't
23 know why. I can't answer that. That is something you
24 will decide. You will decide that. She is in a safe
25 environment, no sexual assault and I don't work. The

1 [REDACTED] people, I remember when they came in and
2 testified that she worked there. That lady came in and
3 said, yeah, I have her employment records, she worked
4 from this day to this date. That was good testimony.
5 In my mind, that was good testimony, because there was
6 no testimony.

7 They just wanted you to hear one side, that is
8 all they wanted you to hear. The story that started
9 on April 8th, culminated on Friday the 12th. I don't
10 know if the golf club was true, I really don't. She
11 wasn't working at [REDACTED] as she said, because they
12 would have substantiated that. I don't think she went
13 to the convenience store, but the one thing I know,
14 the one fact that I know above all the other facts in
15 this case, he didn't put cigarettes out on her. He
16 didn't burn her. My thumb to the air, he didn't burn
17 her.

18 Go back and you decide why there was no cigarette
19 burn marks on her when she said there was after her
20 clothes were ripped off. You decide that. If you can
21 come up with an answer beyond a reasonable doubt why
22 there was no calluses, burn marks or anything talked
23 about by the doctor, then you convict Anthony.

24 You know, ever since the OJ trial -- ever since
25 the OJ trial there has been an air in our country that

1 we should not say the police did a bad job. We should
2 look the other way. Judge Ito allowed them to
3 question the investigative techniques in that case.
4 If there had been an expert here for you, what might
5 have he said? Might he have said that the police work
6 was inappropriate? Might he have said the crime scene
7 was never secured? Might he have told you that there
8 is no forensic evidence other than her statement that
9 it had been? Police work was not professional in this
10 case. The officer that sat here that I called to the
11 stand told you victims lie. He knows that to be a
12 fact in his experience. Victims lie.

13 You are going to render a verdict today, a
14 verdict that my client will live with for the rest of
15 his life. It will be a verdict that I will live with.
16 I want it to be a verdict that you all can live with.
17 God bless you. God bless America. Thank you.

18 THE COURT: Solicitor.

19 MS. LIVESAY: Thank you, Your Honor. I'm Nancy
20 Livesay and I'm the prosecutor in this case. When I
21 got up this morning I was thinking about this case.
22 Every case I try, I always think about something my
23 mom used to say because it applies to every case I
24 try. She used to watch this show, and I don't know
25 the name of it, but there was this guy that always

1 said, Just the facts. That's all I need, just the
2 facts. And that is true when you come into this
3 courtroom. She used to say, All I need is just the
4 facts and my common sense, that is what she would tell
5 me. And that is so true. That is all we need today
6 to figure out what this verdict should be, the facts
7 and our common sense. That is all we need.

8 Now, I'm going to go through the evidence with
9 you, because I think that's what is important. A lot
10 of this stuff, as you know, Mr. Axelrod didn't go
11 through that with you, and I'll go through it with you
12 because that is the facts and the evidence of the
13 case.

14 First of all, we are here for a CDV/HAN case and
15 kidnapping. Now, he talked to you a little bit about
16 the medical records that came in. He went through and
17 said there is no fracture, there is no this or that,
18 all there is is a pinky fracture. I'll tell you
19 something, folks. This woman was beat with a golf
20 club, not this golf club (indicates), but a putter
21 like this, okay.

22 I'm going to tell you, you can beat a person to
23 death with a golf club; there is no doubt about it.
24 You can beat a person to death with your fist; there
25 is no doubt about that. But we're not here for a

CLOSING ARGUMENTS - MS. LIVESAY

1 murder case. This woman was not beat to death; we saw
2 her. Now, did she have a brain injury? Was she laid
3 up in intensive care? No. If that was the case, we
4 would be in here for an attempted murder case because
5 she would have been beaten almost to death. That is
6 attempted murder in the State of South Carolina.

7 Don't be fooled by that. Don't be fooled by
8 that. We're not here for a murder case and we're not
9 here for an attempted murder case. I'm not telling
10 you we are. I'm telling you we are here for a CDV,
11 high and aggravated. I'm here to tell you what makes
12 it high and aggravated is this woman was beat with
13 this weapon. She was beat until she looked like this
14 with this weapon. The law says when you assault a
15 person in your household or your spouse with a deadly
16 weapon, it is then a high and aggravated nature. That
17 is what we have. She was beat with a golf club.

18 Now, I remember thinking, Well, what is
19 considered a deadly weapon. I'm going to tell you a
20 deadly weapon is anything that will kill you, that is
21 what makes it deadly. It doesn't have to be a gun.
22 It could be a golf club, hammer, it can be anything
23 that can kill another individual, that is what a
24 deadly weapon is. This woman was assaulted with a
25 deadly weapon to the degree she was beat this bad.

CLOSING ARGUMENTS - MS. LIVESAY

1 I'm telling you that she was kidnapped.

2 Kidnapped is anything when you are held against your
3 will. Nobody would stay in that house to be beaten
4 like that on their own free will. That is ridiculous
5 to think otherwise. She was held against her will in
6 that house.

7 He has talked a lot about what she said. What
8 has she told you? What have other people told you?
9 Let's go through it. No need to speculate. She told
10 you -- the victim told you Anthony Adkins did it. We
11 have a CDV/HAN, and we have kidnapping. We have
12 Anthony Adkins charged with both. She told you that
13 that man beat her, okay. She ran for her life to a
14 house of a stranger, somebody she didn't even know in
15 desperation looking for help. Now, when you are
16 getting out of a vehicle running to a house you don't
17 even know that person, that is desperation. What did
18 she tell that woman? What did she tell Joyce Jones
19 who is 78 years old? She told her I've been beaten;
20 my boyfriend did it. I've been beaten since
21 Wednesday, that is what she said. So she told Joyce
22 Jones that Anthony Adkins did it. He beat me.

23 Now, Joyce Jones calls the police, which any
24 person would do. The police get there. Joe
25 VanVorrhis. What does she tell Joe VanVorrhis? I've

CLOSING ARGUMENTS - MS. LIVESAY

1 been beaten since Wednesday. I've been beaten for
2 days. Who beat you? My boyfriend, Anthony Adkins.
3 Again, she tells the police, Adkins beat me. Beat me
4 with a golf club, several days, that is what she said.
5 Story is still the same. Then she goes to EMS and she
6 sees Dr. Pepe and the doctor you met, two different
7 reports, two different doctors, two different guys
8 dictating these reports. She tells one I was struck
9 in the head, chest, abdomen and the vagina, beaten
10 over several days with fists and a golf club. Two
11 different doctors, fists, golf club, all of these
12 injuries, that is what she told the doctor. Still the
13 same story. She never changed her story as to what
14 happened and who did it. Then, I had my investigator
15 take notes and talk to her. Mr. Axelrod had this
16 report because it was my investigator that did it and
17 gave it to him. I'm not here to hide anything.

18 Now, what did she tell Ginger Pop? This was on
19 April the 12th when she told the police, Jones and two
20 doctors that he beat her over several days. That was
21 April 12th. This report was done September 8th. What
22 did she tell Ginger Pop? That my boyfriend beat me
23 with his fists and a golf club. I was beat all over.
24 And then she said that injury happened to the vagina,
25 same thing she told the doctor. I was beaten all over

CLOSING ARGUMENTS - MS. LIVESAY

1 and this was the injury to my vagina. Same thing on
2 September 8th that she told on April the 12th of 2013,
3 same thing, Adkins beat me, several days, fists, golf
4 club, same story. Then she came in here and told you
5 in July same story, who beat you? My boyfriend over
6 several days with his fists and with a golf club.

7 Now, I had the same information that Mr. Axelrod
8 had regarding that injury to the vagina. I didn't
9 elicit that testimony from her. We're not in here for
10 a rape case, and I'm not telling you we are. He wants
11 to make a big deal out of the fact, oh, well, she
12 denied being sexually assaulted. Let me tell you
13 something, folks. What everybody considers a sexual
14 assault is different, and I'm here to tell you that if
15 a stranger off the street grabs a woman and rapes her,
16 it is criminal sexual conduct. I'm here to tell you
17 that your legislature has said if your husband grabs
18 his wife and rapes her, that is spousal rape. That is
19 a different charge, and it carries different
20 consequences.

21 So I'm here to tell you not everybody considers
22 sexual assault the same. This woman may not have
23 considered that happening to her as a sexual assault.
24 Now, do I consider it that? Of course. I've been
25 practicing law for some time, so, yes, I do, but I'm

CLOSING ARGUMENTS - MS. LIVESAY

1 here to tell you before I practiced law I didn't know
2 there was a difference between rape and spousal rape,
3 but there is. The legislatures in Columbia says this
4 is one thing, and this is something completely
5 different. We don't treat it the same, not the same
6 consequence for it. So I'm here to tell you what
7 people consider as sexual assault is different. Not
8 everybody considers it the same. She told those
9 doctors when they asked her, she named those parts of
10 her body, including her vagina, and she told Ginger
11 Pop the same thing. I didn't know what she considers
12 a sexual assault, I don't. I didn't learn until I
13 started this job that a man that rapes his wife is
14 anything but rape, but it is. It is something else,
15 I'm here to tell you. So don't think that everybody
16 considers sexual assault the same thing, because they
17 don't. What she considers it, I don't know. I don't
18 know if she was thinking because it was her boyfriend
19 it wasn't the same thing. I don't know if she
20 considered it because it wasn't one of his body parts
21 it wasn't sexual assault, I don't know. She didn't
22 say there was no injury. She said there was an injury
23 to my vagina, but she didn't consider that injury a
24 sexual assault. That doesn't mean it didn't happen.
25 That doesn't mean that it did not happen.

CLOSING ARGUMENTS - MS. LIVESAY

1 Now, he wants to talk about, well, she said
2 Wednesday at one point, and said Monday at one point.
3 Her story was always several days right from the
4 beginning. Right from the beginning, several days.
5 It was always -- it started in Myrtle Beach in that
6 condo and then we moved -- he moved me to Conway and
7 started beating me with a golf club, that is what it
8 always was. That is what it was in this testimony.
9 Myrtle Beach, it started in Myrtle Beach and then we
10 go to Conway, that is what the testimony was. That is
11 what her testimony was. Then, on that documentation
12 that was shown to you from Virginia, which was in May,
13 she said again it started in the condo in Myrtle Beach
14 until it was light outside, and then he took me to the
15 place in Conway, South Carolina. Same story.

16 Mr. Axelrod wants to mix words with you about
17 whether he had beat her since Monday or Wednesday. He
18 beat her for several days. He wants to tell you there
19 is no evidence of that. She testified, Nancy Jones
20 testified, and the doctors testified. Those pictures
21 are key because it shows some of those injuries are
22 older than others. That tells it had not just been
23 going on that day. It tells you that she had been
24 beaten for some time period, not just one day, which
25 corroborates the fact that she said it went on for

CLOSING ARGUMENTS - MS. LIVESAY

1 several days. Her eyes are swollen shut in that
2 picture. That didn't happen within the last 30
3 minutes, that had happened over several days, some
4 time period.

5 He wants to say, well, Anthony didn't do it. My
6 question is who the hell did do it? Who else had her
7 trapped for several days beating her like that? He
8 wants to believe that somebody else did it? Who else
9 would do it, folks? Who else had access to keep her
10 trapped in a house like that for those kinds of
11 injuries? That didn't happen that day. The doctor
12 told you that. Some were new, some old, some he said
13 were definitely over a day old. Somebody had been
14 beating her for several days. Look at the pictures.

15 Now, something else is corroborated by those
16 pictures. Pay attention to what she's wearing
17 (indicates). She's wearing -- looks like old sweat
18 pants and a T-shirt, looks to me. I'll suggest to you
19 that this is something that had been put on at her
20 house, somebody put those clothes on her and brought
21 her out in the house. She's not wearing a dress. She
22 don't look like she's been anywhere and somebody
23 grabbed her up. These look like clothes she sits
24 around in or sleeps in. These are clothes from her
25 house that somebody put on her. These are not clothes

CLOSING ARGUMENTS - MS. LIVESAY

1 she's been out and somebody grabbed her up and
2 abducted her. These are clothes right there from her
3 house. This isn't an incident where she's eating or
4 at some club wearing something and some man grabs her
5 up. These are clothes to indicate she's been at her
6 house, nowhere else but at her house. That is what
7 these clothes indicate. She told you he put those
8 clothes on me to take me to the store because I was
9 naked. He had me in there naked, beating me. What
10 else corroborates that? These injuries and the fact
11 that when they pulled her shirt up she wasn't wearing
12 a bra, which corroborates the facts that she had been
13 naked and he put a shirt on her and some pants and
14 took her to the store. This is not a woman that got
15 up and dressed herself and been out anywhere. This
16 is -- she didn't even have a bra on.

17 The reason he took her to that gas station is
18 because if he didn't, she would be able to get away.
19 Her car was in Conway. She could have gotten away.
20 She could have ran away. That is why he had her at
21 that store with them, so he could keep that constant
22 control. Kidnapping, that is what it is called, that
23 constant control.

24 We talked a little bit about 501. Couldn't she
25 have come off from the street of 501 instead of

CLOSING ARGUMENTS - MS. LIVESAY

1 running from the convenience store to Mr. Jones'
2 house? Could she have come off 501? She could have.
3 I could have drove a Mercedes here, but I didn't. It
4 would be wonderful. A lot of things could happen.
5 The problem with the story is there is not one shred
6 of evidence and not one piece of testimony that
7 suggests that is what happened. I have to have
8 evidence, and there is no evidence to show that. She
9 ran from the convenience store from her boyfriend to
10 this house. There is not one piece of evidence, not
11 one witness that came up here that said I saw a woman
12 walking on the road that night. The Sleep Inn -- the
13 testimony was that the Sleep Inn is right across the
14 street. There wasn't one person that showed up and
15 said, you know what, I saw a woman walking down 501
16 that night. Not one witness that came in here and
17 told you they saw anyone walking on 501 that night,
18 nothing to show that. The only evidence that we have
19 says that she came -- ran from her boyfriend and she
20 came to that house. She wasn't walking on 501.

21 The officer gave a piece of key information.
22 That key information was, Did you ever have a missing
23 person's report from this woman? Was that ever called
24 in? What did he say? No. So we're supposed to
25 believe this woman was held up over several days

CLOSING ARGUMENTS - MS. LIVESAY

1 somewhere else? They had been together for ten years,
2 ten years. If he didn't do it, don't you think he
3 would wonder where she was? She's held up for several
4 days, taken to the hospital, wouldn't you be calling a
5 missing report? I haven't seen her. She hasn't come
6 home. I don't know where she is. Somebody start
7 looking. It is only 24 hours before it is a missing
8 person's report. We know she's been held up and beat
9 over several days. The doctor told you, and that is
10 proven by the injuries. She went straight from Nancy
11 (sic) Jones' -- Joyce Jones' house to the hospital.
12 She was there for two days. Wouldn't there be a
13 missing person's report? Wouldn't he be wondering
14 where she is?

15 Let me tell you something. He didn't call the
16 police because he knew where she was. He knew. He
17 knew. If he didn't, he would have called the police.
18 You ain't be with somebody ten years and living down
19 here for two, three years and you ain't seen them a
20 few days and you don't call the police. He didn't
21 call because he knew where she was.

22 Now, Mr. Axelrod wants to tell you that what Ken
23 Mossi said was not important. What he said was very
24 important, okay. Because you know what he told us? I
25 went looking for this man that night, and guess what,

CLOSING ARGUMENTS - MS. LIVESAY

1 I couldn't find him. I went to his house, I couldn't
2 find him. Joe VanVorrhis told you, I went back to his
3 house four or five times, and I couldn't find him.
4 They don't find him because he knew where she had
5 went. He knew. Sirens are all going on at that house
6 near the convenience store; he knew what was going on.
7 He didn't want to be found, that is what that was all
8 about. He knew when she jumped out of the car what
9 was coming, and that is why they couldn't find him for
10 those two weeks.

11 When they did find him, he was loading up the
12 Jeep with clothes. He wasn't worried about where she
13 was or what was going on with her. He was worried
14 about him and what he was going to do next, that is
15 why the police couldn't find him. They looked for two
16 weeks and couldn't find him. I'm telling you the
17 reason he went missing is because he knew that the
18 police were looking for him, that's why he wasn't
19 running to the police station saying, Where is Jerica
20 Bryson. No. No. He got gone. He knew where she
21 was, and he knew what was coming. He knew not to go
22 back to the house because he knew that was the first
23 place they'll look. He never called the police, that
24 is the key information. He knew where she was. He
25 was not bothered by it. He sure as hell wasn't going

CLOSING ARGUMENTS - MS. LIVESAY

1 to go to the police, that is a definite.

2 Mr. Axelrod wants to talk a lot about Joe didn't
3 do anything. She didn't call Joe. She didn't call
4 these witnesses. She didn't call the doctor. For a
5 split second I almost thought one of those witnesses
6 said something other than this man did it. I was like
7 I was sitting over there, what did these witnesses
8 say? What did these witnesses say? Well, we know Joe
9 VanVorrhis said, She told me did he it. She was
10 beaten for several days. That is what Joe said, that
11 was the first witness he called.

12 The next witness was Ginger Pop. Why didn't she
13 call the investigator? It is her investigator, why
14 didn't she call her? Ginger Pop said the victim told
15 me I was beaten and this man did it, that is what she
16 said. The two witnesses that he called right there,
17 what did they tell you? I did it. That is what I was
18 told. Joe arrested him. Yes, I arrested him. I
19 found him. In fact, I was looking for him. After I
20 saw her face I was looking for him and I was so
21 concerned I called a detective. That is the guy that
22 arrested this defendant. He wants to tell you, Why
23 didn't she call him. Joe didn't see anything. There
24 was nothing Joe could tell you that Jerica had not
25 already told you other than she told me he did it. I

CLOSING ARGUMENTS - MS. LIVESAY

1 looked for him and found him, finally arrested him.
2 Ginger Pop said I talked to her in September of this
3 year. What did she say? That I was beat to hell and
4 Anthony Adkins did it. Look at the report, I'm beat
5 all over.

6 Then he called a doctor. What did the doctor
7 tell you? She told the doctor she was beaten for
8 several days with a golf club and I have all of these
9 injuries, that is that testimony. Then he called
10 Jerica what did she say, he beat me. Every witness
11 that Attorney Axelrod called said nothing other than
12 this woman had been beaten and did he it.

13 Now, why did he call Joe VanVorrhis? Because Joe
14 didn't execute a search warrant. Joe didn't get his
15 yellow tape out and tape up the trailer. Don't be
16 fooled by that, okay. I'm here to tell you as a
17 prosecutor, don't be fooled by that. Joe is not a
18 detective. He is a uniformed patrol officer. He's
19 dispatched out to calls, that is what Joe does. In
20 eight years he executed one search warrant, that is
21 what his job is. When they are dispatched out, they
22 do an incident report and go from there. He also told
23 you I called the detective. I called Sergeant Tim
24 Trossel (phonetic). That tells you in eight years of
25 service at the Horry County Police Department

CLOSING ARGUMENTS - MS. LIVESAY

1 reporting these types of calls, I thought this was bad
2 enough to get a detective out on the scene, that is
3 what he told you. I thought it was important enough,
4 I called the detective. I wanted more done. I wanted
5 these things done. The detective didn't come. He
6 didn't, and that was his choice. Sergeant Trossel
7 decided that this was not something he was going to
8 come to. That is not Joe VanVorrhis' fault. Joe did
9 everything he could. He took the pictures, took the
10 report and he ultimately found this defendant.

11 Now, I want you to think about why there is such
12 a big fuss about what Joe didn't do, what Ken Mossi
13 didn't do. Both -- that defense has existed forever,
14 and at some point I'm suggesting that we all used it.
15 Don't look at me, see what so-and-so did. Don't look
16 at me, Joe didn't execute a search warrant. That is
17 that argument. That is nothing more, nothing less.
18 Joe VanVorrhis is not on trial. The Horry County
19 Police Department is not on trial. That is nothing
20 but the old, oh, yeah, I did this, but how about him,
21 what did he do. He did something. He took some
22 bubble gum, that is all this is. Don't look at the
23 fact that my guy beat the hell out of somebody, Joe
24 didn't execute a search warrant, he didn't get his
25 crime tape out. Joe didn't do this, Joe didn't do

CLOSING ARGUMENTS - MS. LIVESAY

1 that. Yeah. I mean, everybody is saying my guy did
2 it, don't be looking over here, look over there, how
3 about him.

4 Think about it. Does the fact that Joe didn't
5 get a search warrant mean that this guy didn't do it?
6 Absolutely not. Absolutely not. Does the fact that a
7 detective was not called out to the scene mean that
8 this guy did not do it? Absolutely not. You have not
9 been presented with one shred of evidence or testimony
10 from one witness, including their witnesses, other
11 than this woman was brutally beaten, brutally beaten.
12 That is what every witness, including their witnesses,
13 have said. He wants to tell you you have to be firmly
14 convinced, that should firmly convince you. There is
15 no doubt in this case.

16 There is no evidence. There is no testimony
17 other than this man beat that woman. He wants to get
18 up here and talk about her credibility, her
19 credibility. Think about it. They weren't married.
20 There was no obligation to stay with him. She didn't
21 need this to leave him. She could have left him
22 whenever she wanted to. They had no children in
23 common. There was nothing keeping her there when she
24 needed this incident to get away. She was with him
25 for the sole fact that she was in love and had been

CLOSING ARGUMENTS - MS. LIVESAY

1 with him for ten years. There was no obligation other
2 than the way she felt about him keeping her there.
3 She told you, I was down here. I moved down here with
4 him. I worked a job. She told you -- I said, Well,
5 did he work? No, he gets disability. So it's not
6 like leaving him is giving up some big sum of money.
7 It is not like they -- they lived in a mobile home.
8 It is not like she's running off with all of this
9 money and assets. It's not like she's staying with
10 him for some financial reason. She had no reason to
11 stay with him other than she loved him. That's the
12 only reason. For ten years, working a job. She had
13 no reason to leave him and go back to West Virginia
14 other than what happened.

15 He beat her to the point her family came up here
16 and picked her up, and that is when she left him.
17 That woman had no reason to lie. She moved from her
18 friends and family in West Virginia to be down here
19 for that man. She has no reason to lie. That is
20 somebody she loved and stayed with for that sole
21 purpose. That's why she was with him. He wants to
22 tell you test her credibility, test her credibility.
23 She left him because he beat her; that's why. She has
24 no reason to blame him, none at all, none other than
25 the fact that he did it and that is the only reason

CLOSING ARGUMENTS - MS. LIVESAY

1 that she was here for so long. She left him. He
2 wants to talk about mix words. She said Wednesday and
3 Monday. Look at these pictures, folks. She was
4 distraught, dehydrated from being locked in a mobile
5 home and whipped with a golf club and Coke thrown at
6 her and everything else he could do to demean her.
7 What do the medical records say? She was dehydrated.
8 What does that corroborate? The fact that someone has
9 her trapped in a trailer. Those injuries corroborate
10 it.

11 He wants to question her credibility, why is she
12 lying? She's got no reason to lie, none. Zero. She
13 left him because this happened. She had been with him
14 for ten years. Think about that. Got up, left her
15 friends, family, everybody she knew for this man.
16 She's not trying to pin something on him. She loved
17 him, but this is what it took (indicates). This is
18 what it took for her to leave him (indicates).

19 This is a CDV high and aggravated nature because
20 her face looks like this and because this was used on
21 her. I'm not asking you to convict him of murder.
22 I'm not asking you to convict him of attempted murder.
23 I'm asking you to convict him of what he did, and he
24 beat that woman with that golf club and that is CDV
25 high and aggravated. He kept her trapped in that

CLOSING ARGUMENTS - MS. LIVESAY

1 trailer to the point she was dehydrated, to the point
2 she ran to a stranger's house for survival. When he
3 did that, that is kidnapping. When he kept her there
4 several days and beat her over that time period, that
5 is kidnapping.

6 I'll suggest to you I can't even fathom that,
7 being trapped anywhere and being beaten like that,
8 ever. Mr. Axelrod wants to tell you we're not in a
9 vacuum, but he wants to put it in a vacuum because he
10 wants to mix words with you about a woman that has
11 been trapped in a trailer for days, beaten. He wants
12 to fight about a Monday or Wednesday? That is what he
13 wants to do? This woman gave her story after running
14 to a stranger's house looking for help, and then she
15 had to go to the hospital and stay for two days and
16 then have her family pick her life up and move her
17 back to West Virginia. He's up here mixing words?
18 That is the best you got? A woman that was beat that
19 bad, and one time she says "Wednesday," one time
20 "Monday," that's all you got?

21 I'm suggesting to you this man beat her brutally
22 and he kept her in that house. When you go back
23 there, it is not in a vacuum. Don't put it in a
24 vacuum. This is a situation where they have been
25 together for a long time. He doesn't even work a job.

CLOSING ARGUMENTS - MS. LIVESAY

1 She was working a job and moved her whole life down
2 here for him. Don't put it in a vacuum. What makes
3 sense? At the end of the day when you look at all of
4 the evidence and you look at how life is, not just in
5 the confines of these courtrooms, not in a vacuum as
6 Mr. Axelrod told you, think about it and use common
7 sense, real life terms. What makes sense when you
8 look at the evidence and you look at the testimony?
9 What makes sense to you? I'm going to suggest to you
10 the only thing that makes sense is this man is guilty
11 of CDV/HAN. That is the only evidence we have. That
12 is the only testimony we have. He wants to question
13 her credibility when she's been with him for ten
14 years? They aren't married. They didn't have a kid
15 together. He's not providing any sort of substantial
16 income for her. It is not like she has some well-off
17 life and doesn't have to work a job. What makes
18 sense? Does it make sense that all the sudden she
19 made a lie on him? That doesn't make sense. What
20 makes sense is she came in here because she was beaten
21 and she was scared he was going to take her life.

22 You heard the judge ask the jury who has worked
23 at a batterer's house and participated in COSTA, and
24 all of those things. Those things exist because they
25 are beaten in their own homes. That is going on.

CLOSING ARGUMENTS - MS. LIVESAY

1 This woman was beaten. I'll ask you to go back and
2 look at the evidence and look at the pictures, think
3 about what makes sense in real life. I'll ask you to
4 come back with a verdict of guilty to CDV kidnapping,
5 and I'm asking for it because that is the only verdict
6 that speaks the truth in this case. I'm suggesting to
7 you with the evidence that we have and the testimony
8 that has been presented, there is no other answer.
9 Mr. Axelrod is talking about hitting a home run. This
10 is it. There is not a shred of evidence or testimony
11 to say otherwise.

12 He put up four witnesses to tell you what I've
13 already told you, Anthony Adkins beat her and kept her
14 trapped. He put up those witnesses and evidence
15 because there was nothing else to put up, nothing
16 else.

17 MR. AXELROD: I object to that. That is an
18 improper argument. I would ask the Court to tell the
19 jury we have no duty, and she just said I had a duty
20 to put up something. That is improper. She said it
21 once before, and I didn't say anything.

22 THE COURT: The defense does not have any duty to
23 put anything up. You know, as I told you in my
24 opening to you, what the attorneys say may refer back
25 to evidence, quote the evidence, or whatever, but you

CLOSING ARGUMENTS - MS. LIVESAY

1 are to determine the case by the evidence presented on
2 the witness stand and exhibits, not necessarily what
3 an attorney says. Go ahead, Solicitor.

4 MS. LIVESAY: Thank you. All the evidence that
5 has been presented to you is Anthony Adkins beat that
6 woman. My witnesses, as well as the defense's
7 witnesses, nothing else has been presented. I'm
8 asking you to find him guilty because he trapped that
9 woman in there and beat her for several days.

10 Now, I'm not going to get in here and mix words
11 about this testimony and that testimony, because I
12 don't feel like I need to. The evidence is there, and
13 all I ask is that you present a verdict that speaks
14 the truth about this situation. Thank you for your
15 time.

16 THE COURT: I'll thank Counsel for their
17 arguments. At this time, I need to talk with the jury
18 about our timing. It looks like this charge I'll give
19 you will take about 25 minutes. Do we need to take a
20 short recess? Anybody need a short recess? Raise
21 your hand. Let's take about seven, eight minutes and
22 we'll come back and get started with the charge.
23 Don't discuss the case.

24 (The jury exits at 11:42 a.m., and the
25 following is heard out of the presence of the jury.)

THE COURT AND ATTORNEYS - JURY OUT

1 MR. SHAFFER: I'm handing you up a requested
2 charge, Stokes V. Spartanburg Regional Medical Center,
3 368 South Carolina 515. Then --

4 THE COURT: Is that a criminal case?

5 MR. SHAFFER: Civil. And this is another civil
6 case and two out-of-state criminal cases to cite to.
7 Kershaw County Board of Education V. US Gypsum, 302
8 S.C. 390. Then I also have two out-of-state criminal
9 cases. One is People V. Martinez, 71 N.Y.2d 937 or
10 524 N.E.2d 134. Then People V. Stafford, it is 74
11 Atlantic third 1835. Just as not really an analysis
12 point, but in Arizona V. Youngblood which is a U.S
13 Supreme Court case. They basically allowed a similar
14 charge like that. It is not the analysis that the
15 U.S. Supreme Court looked at. They were looking at
16 destruction of evidence being a due process violation,
17 but what they said was clearly there is no prejudice
18 because a charge like that was given, and that is the
19 concurring opinion of Arizona V. Youngblood 488 U.S.
20 51, 1988. This case currently has similar issues and
21 with the South Carolina Supreme Court right now, Kevin
22 Jerome Gilyard is the case.

23 THE COURT: Solicitor.

24 MS. LIVESAY: These are my two, Judge. They just
25 show along with infliction of shame, just showing that

JURY PRESENT

1 it goes towards the elements of high and aggravated.

2 THE COURT: It's a close call. I have a little
3 problem with preserving evidence, but on the other
4 hand it is different than destroying evidence. Very
5 seldom do you get reversed for charging too much, but
6 you sure can get reversed for not charging enough on
7 what somebody made a request that may be applicable.
8 This part here is what she's talking about.

9 MR. SHAFFER: I'm wondering which part you want
10 charged. Were you planning on this (indicates)?

11 MS. LIVESAY: Yes. They can consider a
12 difference in gender as part of what makes that high
13 and aggravated.

14 I'm assuming these are the circumstances of
15 aggravation that will be read in?

16 MR. SHAFFER: That is in the statute. I have no
17 problem with it.

18 THE COURT: Okay. All right. I'll do it, and if
19 you have a problem with it, cover it on the record
20 when we're finished. Do we have them back.

21 THE BAILIFF: They are back.

22 THE COURT: Jury is back. Let Madam Clerk back
23 in. Don't lock her out.

24 (The jury enters at 12:16 p.m., and the
25 following is heard in the presence of the jury.)

JURY CHARGE

1 THE COURT: Foreman and Ladies and Gentlemen of
2 the jury, it is now my duty to charge the law
3 applicable to this case. I want to thank the
4 attorneys for the State and defense for their very
5 able presentation and working with the Court to get
6 this case presented to you.

7 As I said, it is my duty as a judge of the law in
8 this case to provide you the charge. As jurors, it is
9 your exclusive duty to decide all the issues of the
10 facts in this case, and for that purpose to determine
11 the effect, the value, weight and the truth of the
12 evidence. Both the State and the Defendant have a
13 right to expect that you will conscientiously consider
14 and evaluate the evidence and apply the law of the
15 case thereto to the end that both the State and the
16 Defendant will receive and obtain a fair and impartial
17 trial in this case. When I use the term "Defendant,"
18 I'm referring to Mr. Anthony E. Adkins.

19 You have already heard that he's charged with the
20 bills of indictments with the offenses of kidnapping
21 and criminal domestic violence of a high and
22 aggravated nature. To the charges and to the
23 indictments, the Defendant entered pleas of not
24 guilty. The plea of not guilty by the Defendant
25 places the burden of proof on the State to prove by

JURY CHARGE

1 the evidence the guilt of the Defendant beyond a
2 reasonable doubt before you, the jury, can find the
3 Defendant guilty.

4 A Defendant is presumed and in the law innocent
5 of the charges contained in an indictment and it's a
6 cardinal fundamental rule of the law of evidence that
7 a Defendant irrespective of the enormity of the charge
8 against him will always be presumed innocent of the
9 crime which he is indicted unless and until the guilt
10 of the Defendant has been proved by evidence that
11 satisfies you, the jury, of his guilt beyond a
12 reasonable doubt.

13 The presumption of innocence is not a mere legal
14 theory and it is not just a legal phrase. The
15 presumption of innocence is a substantial right to
16 which every Defendant is entitled.

17 The Supreme Court declared many years ago that
18 the presumption of innocence is like a robe of
19 righteousness placed about the shoulders of the
20 Defendant and it remains with him and assigns him to
21 that class, the innocent, until that presumptive robe
22 of righteousness has been stripped from his person by
23 evidence satisfying you, the jury, of the guilt of the
24 Defendant beyond a reasonable doubt.

25 The presumption of innocence accompanies a

JURY CHARGE

1 Defendant from the time of his arraignment and
2 appearance in the court, and continues with the
3 Defendant throughout every stage of the trial and
4 continues with the Defendant after you retire to the
5 jury room to deliberate your verdict. The presumption
6 of innocence continues in the existence of the benefit
7 to the Defendant until you, the jury, reach the
8 conclusion that the State proved the Defendant guilty
9 beyond a reasonable doubt.

10 The State is not required to prove the guilt of a
11 Defendant beyond all doubt or beyond every doubt, but
12 beyond a reasonable doubt. Some of you may have
13 served as jurors in civil cases where you were told it
14 is only necessary to prove that a fact is more likely
15 true than not true. In criminal cases, the
16 government's proof must be more powerful than that; it
17 must be beyond a reasonable doubt.

18 Proof beyond a reasonable doubt is proof that
19 leaves you firmly convinced of the Defendant's guilt.
20 There are very few things in this world that we know
21 with absolute certainty, and in criminal cases the law
22 does not require proof that overcomes every possible
23 doubt. If based on your consideration of the evidence
24 you are firmly convinced that the Defendant is guilty
25 of the crime charged, you must find him guilty. If on

JURY CHARGE

1 the other hand you think there is a real possibility
2 that he is not guilty, you must give him the benefit
3 of the doubt and find him not guilty.

4 These documents I have up here are called
5 "indictments." I instruct you that the indictments
6 are not evidence in the case, and they are not to be
7 considered by you as evidence in this case. An
8 indictment is the formal, written instrument which
9 contains the charges against the Defendant, and it is
10 this formal document by which the case is processed
11 into our court system.

12 During this trial each of you -- and I -- have
13 certain duties to perform. As the trial judge, it is
14 my responsibility to preside over the trial of this
15 case, and I also have a duty to rule upon or pass upon
16 the admissibility of the evidence offered during the
17 progress of the trial. You are to consider only the
18 competent evidence before you, and you are not -- and
19 you are to disregard and disperse from your mind any
20 testimony ordered stricken from the record of the case
21 during the progress of the trial, if there was any.
22 You are to consider only the testimony which has been
23 presented from this witness stand together with any
24 exhibits admitted into the record of this case, any
25 stipulations that counsel may have made into the

JURY CHARGE

1 record, if there was any.

2 Now, I have the additional duty to charge you to
3 the applicable law of the case. As the presiding
4 judge, I am the sole judge of the law of the case, and
5 it is your duty to accept and apply the law as I state
6 it to you. If you have a preconceived idea what the
7 law is or what it ought to be in this case, and it
8 should not agree with what I tell you the law is, you
9 are obligated under your oath to abandon this
10 preconception because you are sworn to accept the law
11 precisely as I state it to you.

12 In every case tried in this court before a jury,
13 the jury is the sole and exclusive judge of the facts
14 of the case. You, the jury, are the judge of the
15 facts in this case. The Court is the judge on the
16 law. The constitution of this state has declared that
17 a trial judge shall not intimate, state, comment upon
18 or make any statement to the trial jury about the
19 facts in a case. Since you are the sole judge of the
20 facts, you are not to infer from anything I have said
21 during the progress of this trial in ruling upon the
22 admissibility of evidence or otherwise, or anything
23 that I say during the course of this charge to you,
24 that I have an opinion about the facts in the case.
25 The law does not permit me to have an opinion about

JURY CHARGE

1 the facts in a case. That is the matter solely for
2 you, the jury, to determine.

3 As jurors, it is your duty to determine as I have
4 stated to you the effect, the value, the weight and
5 the truth of the evidence presented during the course
6 of this trial. Necessarily, then, you must assess the
7 credibility of the witnesses who have testified in
8 this case. Credibility is simply a legalistic term
9 which means "believability." It becomes your duty
10 then to analyze and evaluate the evidence and
11 determine that evidence which convinces you of its
12 truth. I charge you in determining the question of
13 the credibility or believability of the witnesses, you
14 may believe one witness as against several witnesses,
15 or several witnesses against one witness, you may
16 believe part of the testimony of a witness and reject
17 the remaining part of the testimony of that same
18 witness. You may believe the testimony of a witness
19 in its entirety, or reject the testimony of a witness
20 in its entirety. You may consider whether any witness
21 has exhibited any interest, bias or any prejudice in
22 the case, and you may consider the demeanor of a
23 witness and the appearance of a witness from the
24 witnesses stand, and you may consider the opportunity
25 for knowledge concerning those things about which a

JURY CHARGE

1 witness testified. In doing so, in exercising your
2 mental processes, in determining what you consider to
3 be true, the law simply requires that you exercise
4 your good judgment, your common sense, your sense of
5 logic and reason and your experiences in life. In
6 other words, I tell juries many times over the last
7 20-something years: You don't leave your common sense
8 at the courthouse steps. You decide this case and the
9 evidence that has been presented to you. Cases in
10 court have nothing to do with what you may have seen
11 on television, on movies, theatrical performances, not
12 on what anybody has told you outside this courtroom.
13 You determine this case upon what you have received
14 and what you believe to be true, the true state of
15 facts as you find has been presented in court.

16 Jury service boils down to two words: Common
17 sense. You apply all of these attributes of ability
18 that I have spoken to you about to the evidence, and
19 you determine what you consider the truthful evidence,
20 and to these true state of facts it is determined by
21 you, the jury, you take and apply the law as I state
22 it to you, and thus arrive at a true verdict.

23 The Defendant in these indictments, as I told
24 you, are charged with kidnapping, criminal domestic
25 violence, high and aggravated nature. I charge you

JURY CHARGE

1 from Section 16-3-910 of the Code of Laws of the State
2 of South Carolina of 1976 as amended. 16-3-910
3 entitled "kidnapping." Whoever shall unlawfully
4 seize, confine, enable, decoy, kidnap, abduct or carry
5 away any other person by any means, whatsoever,
6 without authority of law, except when a minor is
7 seized or taken by his parents, is guilty of
8 kidnapping.

9 Now, I charge you on our law on the offense of
10 criminal domestic violence, high and aggravated
11 nature. That particular statute has to be read in
12 conjunction with two other statutes. Section 16-25-65
13 is entitled "Criminal Domestic Violence of a High and
14 Aggravated Nature." A person who violates Section
15 16-25-28 -- that I'll read to you in a few seconds --
16 is guilty of the offense of criminal domestic violence
17 of a high and aggravated nature when one of the
18 following occurs: The person commits an assault and
19 battery which involves use of a deadly weapon or
20 results in serious bodily injury to the victim, or an
21 assault with or without an accompanying battery which
22 would reasonably cause a person to fear eminent
23 serious bodily injury or death.

24 16-25-20: It is unlawful to cause physical harm
25 or injury to a person's own household member, or offer

JURY CHARGE

1 or attempt to cause physical harm or injury to a
2 person's own household member with apparent present
3 ability under circumstances reasonably creating fear
4 of eminent peril.

5 16-25-10 defines the term "household member." As
6 used in this article, "household member" means a
7 spouse, a former spouse, persons who have a child in
8 common, or a male and female who are cohabiting or
9 formerly have cohabited.

10 Circumstances of aggravation for purposes of the
11 offense of criminal domestic violence of a high and
12 aggravated nature may include the use of a deadly
13 weapon, the intent to commit a felony, infliction of a
14 serious bodily injury, great disparity of the ages or
15 physical conditions of the party, a different gender,
16 purposeful infliction of shame and disgrace, taking
17 indecent liberties or familiarities with a female and
18 resistance to lawful authority.

19 I instruct you now and emphasize to you that the
20 election of a Defendant in a trial of a criminal case
21 not to testify in his own behalf is not a factor to be
22 considered by you in any way in your deliberation and
23 in your consideration on the question of the guilt or
24 the innocence of the accused. It must not be
25 considered by you in any manner, whatsoever, against

JURY CHARGE

1 the Defendant or mitigate against him in any respect,
2 whatsoever. A Defendant has the Constitutional right
3 to remain silent, and the assertion of such
4 Constitutional rights cannot be considered by you in
5 your deliberations, and I instruct you that you are
6 not to even discuss that or deliberate that in the
7 jury room.

8 The burden of proof, as I stated to you, is upon
9 the State. The Defendant has no burden to present
10 evidence in this case. The State has a burden to
11 present evidence sufficient to prove the Defendant's
12 guilt beyond a reasonable doubt; however, in a
13 criminal case if the State fails to preserve evidence
14 that is material to the guilt or innocence of a
15 Defendant, you may infer that the evidence would be
16 beneficial to the Defendant. This is a permissive
17 inference, but not a required inference. In other
18 words, you may make an inference from the State not
19 presenting evidence, but you do not have to.

20 Ladies and Gentlemen, you are not partisans or
21 advocates for the State of South Carolina or for the
22 Defendant. You do not serve as jurors to reward
23 friends or punish enemies. Obviously such a perverted
24 system of justice would be intolerable in our society.
25 You have been selected by the State and the Defendant

JURY CHARGE

1 to be fair and impartial jurors, and it is your duty
2 by your joint deliberations to determine the truth in
3 this case, giving the Defendant the benefit of every
4 reasonable doubt, On and every issue, to determine the
5 facts that you determine to be true, take and apply
6 the law which has been given to you by the Court and
7 thus arrive at a verdict which does speak the truth of
8 the case. The word "verdict" has a Latin derivative
9 which means, in effect, "a true saying." When you
10 have accomplished these responsibilities, you will
11 have satisfied your oath as jurors and you will have
12 discharged your duty to the Court.

13 Mr. Foreman, Ladies and Gentlemen of the jury,
14 there are two indictments. You will have to reach
15 verdicts on both indictments. Whatever your verdict
16 may be, it will have to be a unanimous verdict. All
17 12 deliberating jurors will have to be in agreement.
18 On each of these indictments, there are two possible
19 forms of verdict. If the State failed to prove the
20 guilt of the Defendant beyond a reasonable doubt, your
21 verdict would be two words: Not guilty. If the State
22 proved the guilt of the Defendant beyond a reasonable
23 doubt, your verdict will be one word: Guilty.

24 Mr. Foreman, it will be your duty to fill in the
25 verdict form, which is located in the bottom, left

JURY CHARGE

1 corner on the back of these indictments where it says
2 "verdict." Whatever the verdict is on each of these
3 indictments, you will need to write in that
4 appropriate verdict, sign your name and the date. The
5 date is the 23rd. Mr. Foreman, I don't want you to
6 begin your deliberations until I send back these
7 indictments along with the exhibits. When you do
8 start deliberating, if someone needs to take a break,
9 such as a restroom break, or someone needs to step
10 outside to get some fresh air, whatever, cease your
11 deliberations until you have all 12 back.

12 Now, in rare occurrences, just in case it were to
13 happen, very seldom it does, if you were to get back
14 there and you have a juror that refuses to deliberate,
15 such as I'm not even discussing the case, tells you
16 that, you immediately knock on the door and let the
17 bailiff know. That is why we have alternate jurors.

18 Now, that has not happened many times in my
19 tenure on this bench, but I always tell my juries or
20 tell the foreman, foreperson, if that were to happen,
21 let me know about that. So if somebody refuses to
22 deliberate, take the necessary acts.

23 I believe that I have covered everything. If you
24 need any help or assistance, the bailiffs will be
25 close by, let them know. Before you deliberate, I'll

JURY CHARGE

1 ask you to step back. I need Madam Bailiff to put the
2 alternate jurors in another room until we make sure
3 everything is flowing properly. I have to check with
4 the attorneys one last time in case they want to put
5 something on the record. Once again, don't start your
6 deliberations until you get these verdict forms and
7 those exhibits, which should be very shortly, okay.

8 Now, Madam Clerk ordered lunch and it should be
9 here in a few minutes. If the jury will step back and
10 alternates will go with Madam Bailiff in another room.

11 (The jury exits at 12:37 p.m., and the
12 following is heard out of the presence of the jury.)

13 MS. LIVESAY: Nothing from the State.

14 MR. SHAFFER: No objections, Your Honor.

15 THE COURT: Thank you all very much. Check over
16 your exhibits and make sure we don't send anything
17 back that is demonstrative.

18 (A brief pause in the proceedings.)

19 MR. AXELROD: We have checked it over.

20 MS. LIVESAY: State agrees.

21 THE COURT: Send it back.

22 (Whereupon, the jury starts deliberations at
23 12:45 p.m.)

24 (The jury enters at 2:15 p.m., and the
25 following is heard in the presence of the jury.)

20 MR. AXELROD: No, Your Honor.
21 THE COURT: Ladies and Gentlemen of the jury,
22 I'll thank you so much for your service and thank you
23 for your patience with the Court. We had extended
24 periods where we had to send you out of the room for
25 matters of law, and that's quite common. Sometimes it

THE COURT TO THE JURY

1 takes a little more time in some cases than it does in
2 others.

3 The next phase will be what we call mitigation
4 and sentencing. I will move immediately into that
5 just in a few minutes. Now, all judges around the
6 state, many of them, approach this situation
7 differently. I have always adopted the practice of
8 asking the jury on their own choice to stay or leave.
9 You are more than welcome to stay there while we go
10 into that part of the trial, or you are more than
11 welcome to leave. What we do is we hear mitigation
12 from both sides about the sentencing, and then I'll
13 proceed with sentencing. If you would like to stay,
14 please do so; but if you would like to leave, Madam
15 Bailiff will let you out of the courtroom or you can
16 circle back around and go back to your cars. Good
17 news, we seated another jury for the next trial, so we
18 have cut the panel loose, so you all won't have to
19 come back. If you are drawn again this year, you
20 would not be qualified for 2014. If you are drawn as
21 a juror in the circuit court in 2015 or '16, you may
22 ask for an exemption. If that happens, I would
23 encourage you to come back and help once again, but
24 that choice would be yours. Of course you need to
25 report and tell the judge at that time. That is the

THE COURT TO THE JURY

1 way the law is set up as far as exemptions.

2 So, you are welcome to stay, or if you would like
3 to ease out, that will be fine. Thank you for helping
4 us. As far as your pay, I know what Chesterfield
5 County and all the other counties in my circuit pay,
6 but I'm not sure about Horry. I'll let it go at this:
7 Whatever that pay is, please do not be upset with me
8 or Madam Clerk, because we don't control that. That
9 is strictly up to the county council. In most
10 counties, it is an embarrassment as to what they pay.
11 That may not be the case in Horry, I don't know. I
12 have no idea what the checks are. Anyway, with that
13 said, if anybody needs to leave, they may do so; if
14 not, Sheriff, I need you to secure the Defendant to do
15 sentencing.

16 (A brief pause in the proceedings.)

17 THE COURT: Solicitor, anything at this time?

18 MS. LIVESAY: Your Honor, the State has nothing
19 further. The victim could not be present today. I
20 think the Court already knows the circumstances behind
21 that. She wanted to stay. She couldn't because of
22 her job, and we already made arrangements for her.

23 THE COURT: In that regard, I understood that
24 this case originally was set for last week and she had
25 to stay over. I hope that you all explained that a

SENTENCING

1 lot of times that happens if a case carries over.

2 Any mitigation as far as record, anything I need
3 to hear about the Defendant?

4 MS. LIVESAY: Your Honor, he does not have a
5 prior record, but obviously there had been incidents
6 prior with this same victim. There had been incidents
7 since then with a woman that he's with now, but she
8 decided not to prosecute him for.

9 UNIDENTIFIED SPEAKER: I didn't call the cops.
10 That has nothing to do with this case.

11 SHERIFF DEPUTY: Order in the court, ma'am.
12 You'll have to leave.

13 UNIDENTIFIED SPEAKER: That's fucking bullshit.

14 THE COURT: I'm not going to tolerate it. Take
15 her into custody.

16 UNIDENTIFIED SPEAKER: She told her --

17 THE COURT: Counsel, anything at this time?

18 MR. AXELROD: I would like to speak, Your Honor.

19 THE COURT: Yes, sir.

20 MR. AXELROD: Your Honor, first I think that I
21 told the jury I would live with it, and my client
22 would live with it, and I do. I respect the system.
23 In mitigation, Your Honor, I was unable to
24 authenticate the phone records sufficiently to enter
25 them in this case, but I have been able to look at

SENTENCING

1 some discovery that did not come in, Your Honor.
2 Clearly, I believe that there was an ongoing
3 relationship between these two people after the event.
4 The event occurred, I believe there was an ongoing
5 relationship for at least five weeks in the
6 documentation that I saw. My client tells me that
7 there is no incident reports with him and Jerica the
8 whole ten years. The Solicitor told you there was. I
9 asked him and he said to me not to his knowledge was
10 there any incident reports ever filed against him.

11 Stand up. My client comes to my office, and he's
12 maintained his position on the case. He came to
13 court, and I told him that the Court allowed him to
14 stay out on bond during the trial. The Court allowed
15 him to stay out on bond during deliberation. He's
16 answered his charges.

17 He's 41 years old. Mom and Dad -- I believe Mom
18 -- would you like to speak on behalf of your son?

19 DEFENDANT'S MOTHER: Yes.

20 MR. AXELROD: I don't want you to get locked up
21 or go to jail or anything. Come forward, stand next
22 to him and tell the judge about your son. Mitigation
23 is where you tell the Court good things about your
24 son. He's been convicted of kidnapping and criminal
25 domestic violence of a high and aggravated nature.

SENTENCING

1 Will the Court allow her to speak?

2 THE COURT: Sure.

3 DEFENDANT'S MOTHER: My son was raised in church.
4 He's never been out of church. She made the
5 assumption there that he didn't take care of her. He
6 did. He worked for the Department of Social Security.
7 She never worked -- she never worked more than two
8 years out of her life. The car she took was a car I
9 sold his four-wheeler to buy. The car that was being
10 loaded was not being loaded for him. She asked -- he
11 asked could he take her to the hospital, and she said,
12 no, she wanted to go to her mother's, so he loaded
13 that car. None of this was brought out. She messaged
14 and called me saying please make him understand I
15 didn't mean to do this to him. I would never -- I
16 love him and I want him back, please let me go back.
17 I said, no, he's got a restraining order, you're not
18 going back. She got the car and called me. None of
19 this was allowed in court. She had contact with me
20 the whole time. There is messages to me. She
21 messaged me. She's my friend on Facebook. She
22 announced on Facebook she got married and then she
23 traded his car in for a new one, her and her husband
24 did. Then it comes out on Facebook she's not married
25 and the car is sitting there in pictures in the

SENTENCING

1 driveway. She is a compulsive liar.

2 THE COURT: I have heard enough. If you want to
3 say something about your son --

4 DEFENDANT'S MOTHER: I'm saying he would not do
5 this to her ever, ever, would he ever do this to her.

6 MR. AXELROD: Thank you, Judge. John, do you
7 want to say anything? Do you want to speak to the
8 judge?

9 DEFENDANT'S FATHER: No.

10 MR. ANTHONY ADKINS: I didn't do it, Your Honor.
11 I've been a good citizen. I've been adjudicated from
12 the State of West Virginia. I took care of this lady.
13 I put her through school, put her through everything
14 and, you know, I got two degrees in social behavioral
15 science and psychology, so I know about the human
16 brain. I did not do that. My evidence wasn't allowed
17 in court. Two different things would have cleared me
18 today.

19 MR. AXELROD: Your Honor, most times people come
20 before you they have extensive records. He is 41
21 years old with no record. That says something. I
22 understand this case carries up to 30 years for
23 kidnapping, and I believe ten on CDV/HAN, I think.
24 I'm not sure. I ask for whatever mercy the Court
25 would give. It is totally in this Court's position,

SENTENCING

1 and the Court has absolutely heard this case and ruled
2 on this case. We would ask for a just and merciful
3 verdict -- not verdict, but sentence.

4 THE COURT: All right. Mr. Adkins, first thing
5 that I'll do is I'm going to advise you about -- and
6 I'm sure Counsel has, too -- you certainly have
7 appellant rights. You stand convicted of both
8 indictments. You have ten days if you desire to
9 appeal this case. You have ten days to get a Notice
10 of Appeal filed. That is crucial in that you got to
11 do the Notice of Appeal within ten days. If you
12 don't, then that jeopardizes your right to appeal
13 because that is the rules that have been set up.

14 Now, in regards to what has happened here, after
15 23 years on the bench I know there is an old saying
16 that when you have two sides to the story, quite often
17 there is a third side that might be more true than the
18 two that you hear. Laying aside the differences that
19 you and the victim have had, the testimony that came
20 out concerning the drug use rings with me with the
21 many cases I have heard over the years. The
22 impression I got was probably this would not have
23 happened if there hadn't been the situation with the
24 use of drugs, whether they be illicit or prescription
25 drugs. It leads to nothing but trouble, and quite

SENTENCING

1 often violence. I know there is a lot of mitigation
2 both ways on this, but I saw those pictures over
3 there, and the jury saw the pictures in evidence.
4 There is no excuse under the sun for anybody to have
5 beat this lady the way she was beaten. No excuse, no
6 matter how high or how drunk you were or she may have
7 been.

8 Apparently, the medical folks involved didn't see
9 any indication that she was heavily intoxicated at the
10 time that she was taken to the emergency room. I'm
11 experienced enough to know in these criminal domestic
12 violent cases that weird things happen. Spouses,
13 children, girlfriends will sit there and take a
14 beating from the house mate, and the average person
15 will sit back and say why didn't you leave, why did
16 you go back to get more. It is bizarre how the human
17 mind and emotions work and how often victims of
18 criminal domestic violence lay silent and never report
19 what is going on and wind up seriously injured or dead
20 or they get out of the situation, and within days or
21 hours go right back to the same environment because
22 they have no other choice of where to go or the
23 emotions override the injuries they receive and they
24 go back. It is bizarre what I've seen over the years.

25 All right. He doesn't have a record. There is

MOTION BY MR. AXELROD - JURY NOT PRESENT

1 evidence in there, testimony, that he was abusing some
2 drugs, sounded like prescription and probably some
3 illicit drugs. I want to say that this probably
4 wouldn't have happened if that hadn't been the case.
5 Some people would say, yeah, he should be locked away
6 for a long time. Some people have sympathy on him. I
7 argue differently. I'm going to approach the sentence
8 that hopefully we can get him some help where he can
9 come back and be a productive citizen and hopefully
10 won't be involved in any further drug use or substance
11 abuse of any type. So what I'll do, Mr. Axelrod, is
12 two concurrent sentences of ten years and recommending
13 placement to where he can get into the ATU unit.

14 MR. AXELROD: I have one more motion outside the
15 presence of the jury.

16 THE COURT: That completes this case. Thank you
17 very much.

18 (The jury exits 2:38 p.m., and the following
19 is heard out of the presence of the jury.)

20 MR. AXELROD: I would like to renew my motion. I
21 would ask the Court to acknowledge I should have done
22 it before sentencing, but you went right into it, so
23 if you would allow me to renew my motions and also the
24 directed verdict, specifically, sir. Mr. Shaffer said
25 I don't have to go into every one of them, so I won't.
