SC Court of Appeals

Ms Kitchings

I am trying to obtain my transcript from my hearing. I am currently awaiting a ruling on a 59(e) motion that has been pending since June 22, 2016. During my case in the court of common pleas my testimony along with SCDC attorney's testimony was no longer than four to five minutes combined. And the name of my case is Perry -v- SCDC. The Court reporter is trying to charge me almost \$36.00 when I know my transcript should be no longer than two to three pages long. What can I do when the court reporter trying to extort money out of me. I'm indigent and I think the court reporter is using that against me. I want the transcript to use as exhibits when I bring my case back to the Court of Appeals. I should've obtained relief in the court of common pleas now I'm being OVERCHARGED for a transcript that's not mine. Could you please investigate. I look forward to your disposition.

Respectfully Submitted

In Re: Perry v. State

Dear Mr. Perry:

I have received your request from the Office of SC Court Administration for the Transcript of Record in the above-referenced case. Such transcripts cost \$3.25 per page. I have checked my records and have estimated that this record is approximately 11 pages at \$3.25 per page, for a total cost of \$35.75.

I see from your address that you are an inmate in the Department of Corrections. Please note that court reporters are not required by State or Federal law to provide free transcripts. It is also my understanding that no State agency is required to provide free transcripts, so I am not able to refer you to any other source.

Upon receipt of your certified check or money order (no personal checks) in the amount of \$35.75, I will forward the transcript to you. I am given 60 days in which to prepare the record. Extensions of time may be granted if necessary. My 60 days will not commence until receipt of payment.

Sincerely
