Dear Mr. Cantrell,

I have received your letter dated November 19, 2016, wherein you request the Transcript of Record in the case of Carlton E. Cantrell vs. Aiken County, et al. Upon review of my notes I estimate the transcript will be approximately 10 pages long for an estimated cost of \$39.50, which includes postage and handling. An electronic copy can also be furnished with any official transcript order for an additional \$35, which would total \$74.50. I will waive the electronic copy fee and, of course, postage and handling if you would like only an electronic copy, making the total \$32.50.

If the transcript is smaller than estimated, I will certainly refund your money. Likewise, if it is larger than my estimation, I will either call or write you to let you know of the balance owed.

It is necessary that I receive payment before producing the transcript in the form of a cashier's check or money order made payable to Bethanie Creppon. I cannot accept a personal check. Upon receipt of the funds, I will place your transcript in line for production. By statute, I am allowed 60 days to complete the transcript. If a longer period is needed, I will request an extension and you will be informed by Court Administration, however, I do not believe that will be necessary, nor do I anticipate that it will take the full 60 days to complete the transcript.

Thank you in advance for your payment, and I look forward to hearing from you.

Best,

A handwritten signature in cursive script that reads "Bethanie K. Creppon".
