PETITION FOR EXTENSION TO FILE  
INITIAL BRIEF OF APPELLANT  
AND DESIGNATION OF MATTER

---

The undersigned counsel respectfully requests a thirty day extension in which to file the initial brief of appellant and designation of matter in the above-referenced case. In support of this motion, counsel would respectfully show the Court the following extraordinary circumstances:

1. The initial brief of appellant and designation of matter in this case are due to be served and filed today.

2. Today, December 16, 2016, counsel will be attending a seminar on emerging issues in the South Carolina Juvenile LWOP sentencing and resentencing cases at the University of South Carolina School of Law. Counsel is currently working on the petition for writ of certiorari in the case of The State v. Thomas James in the Supreme Court and in Bryan Rearick v. The State of South Carolina that is due to be filed in the United States Supreme Court on December 30, 2016.

August Kreis with this Court. **Counsel has extensive administrative duties as the Chief Appellate Defender, including administrative and Appellate Project oversight, and, training four less experienced appellate defenders and reading all of their writings.**

3. This request is made in good faith, and not for purposes of delay. Counsel intends to continue to work on the cases with more than three extensions first so that the caseload will

hopefully become more manageable in the near future, and less extensions will need to be requested.

4. As indicated by the consent below, counsel for the state graciously consents to or does not oppose this request.

WHEREFORE, the undersigned counsel would respectfully request a thirty day extension. Counsel respectfully requests that the time limits for filing the initial brief of appellant and designation of matter be held in abeyance pending a ruling on this motion.
