Appellate Case No. 2016-001992

O'Shea L. Brown, Claimant Appellant,

v.

Steel Technologies, Employer
and
Twin City Fire Ins. Co., Carrier Respondents.

RESPONDENTS' MOTION FOR AN EXTENSION

Respondents, Steel Technologies and Twin City Fire Ins. Co., hereby move for a thirty (30) day extension in which to file the Initial Brief of Respondents and Designation of Matter to be included in the Record on Appeal.

The Initial Brief of Respondent is currently due on December 21, 2016. This is Respondents' first request for an extension. The extension is needed because Counsel was in trial on a separate matter requiring a week of time dedicated entirely to that case, which immediately followed the Thanksgiving holiday for which his firm was closed November 24, 2016 and November 25, 2016. Respondents respectfully request an extension of thirty (30) days. The undersigned has attempted to contact opposing counsel regarding the Motion for an Extension though no response has been received.
