Aileen,

Alaina forwarded your email below. Our understanding of Rule 207, SCRAP, is that the timeline is 60 days from the date of the request in which to supply the transcript, but that a court report can request an extension of time to have more than 60 days. To be on the safe side, it would probably be simplest if you could request such an extension from the Court of Appeals that aligns with the timeframe of when you think the transcript will be ready.

I'm attaching Rule 207 for your review. Please let us know if you have any questions or need anything else from our end.

Thanks,

Good afternoon. You should receive it in two weeks. As the court rules allow we have 60 days to supply the transcript after payment. I've had some other expedited transcripts come up that pushed yours back.

Sincerely,
Aileen Butler

I would be more than happy to provide a transcript. The cost of the transcript is \$150. That is a guesstimate. Once I receive payment you will receive it within the regulated time frame. If it turns out to be less pages I will refund you the difference and if more you will be responsible. Please send a check to Aileen Butler, 5252 Fire Water Lane, Fort Mill, SC 29707

Thank you.
