Dear Mr. Temple:

Upon reviewing your designation of matter, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The document is not accompanied by the required certificate of counsel. Pursuant to Rule 209(c), SCACR, the certificate of counsel accompanying the designation of matter must be signed by the party and state that the designation contains no matter which is irrelevant to the appeal.
- The designation of matter, pursuant to Rule 209(c), SCACR, is to be simply a list of matters proposed by the party to be included in the record on appeal. The document you submitted contains the actual materials in addition to a list. Those items are not appropriately filed as a part of the designation of matter. Instead, you will need to consult Rules 210 and 267 for further assistance on including them as a part of your record on appeal.
- The list contained within the submitted document must be further articulated by numbering each item within the list. It must also be signed.

This is to advise that the title in the above matter reads as follows:

Dan Temple # 254316, Appellant,

v.

Oconee County Sheriff's Department, Respondent.

All future records in this matter should reflect this title. If you have any questions, please do not hesitate to contact this office.

Very truly yours,

CLERK

To the Court of Appeal,

Please find enclosed to the Clerk of Court and the Respondent, the records of appeals by the appellant. The appellant is basing his argument on constitutional violation; these constitutional violations have been brought to the Honorable Court in Letters, Motions and Appeals.

The conflict of interest comes into pay because the courts and respondent's had knowledge of a failure to turn over the discovery of the Devices and Tapes, each one of the respondent's played equal parts in the conflict of interest.

We are asking this Honorable Court to waive its Jurisdiction due to its past knowledge of the case, and allow the Federal Court to take Jurisdiction over this case.

Also the court can get the Transcript Record for 10-31-2005 and it will show the constitutional violation of Judge Maddox failing to turn over the Devices that would have shown my innocence. He knew these Devices would be damaging to the Oconee County Sheriff's Department, Solicitors Office and Courts of South Carolina.
