1220 Seneate Street  
Columbia, SC 29201

Dear Monica:

This wek you and I spoke about evidence I had been expecting from  
The arbitrator of my appeals case. 2013-002082.

Mr. Devlin had required thr Ad litem pay for mover directly and  
~~the box of documents of my multi-yrar case was left in my garage b~~  
thr Attorney in my case.

The mover didn't feel he worked directly for me, but because the  
check was written by Karen Cranne McManaway.

That Box was not found in the property moved into <sup>by</sup> new location  
The mover would not cooperate with me as he believed he worked fo  
the ad Litem. The documents were never returned to me.

Pretty much all important items <sup>originals</sup> have ben lost however some have  
been replicated. However the financial information and the  
discovery items were not available. *As a complete arbitration document.*

Mr. John Devlinesquire  
has agreed to order the box which was sent to Georgia for me for  
afee around \$59.00 the actual agreement is being faxed to me by  
five oclock today and I hope to sencluse it.

This hiccup is going to require me to ask for an extintion .  
You said I could request a thirty day extension. All paries feel  
this is adequate and if the information arrives earkier, I will  
complete my current prjocht due on the thirtieth of june, 2016

It seem Mr. DEvlin gave her psermission to request it today.

I amddply reqretfull. Finiacials are so critiacle to this case.

I pry thcourt will grant my request

Fond regars to the court and your team,

*Goldie Reeves*
