SC Court of Appeals

I ask that the courts consider that since the very first incident that i have not been in any trouble. i have been harassed over and over by this woman and her family over the years i have been to a few officers a few times ~~and~~ about the harassment nothing was being done. so I went to a lawyer about it as well (Corey Williams) out of Orangeburg he advised me to keep reporting it but still officers wouldn't do anything. I then went and talk to a Judge in Gifford S.C. last me and my mother-in-law, just before this last incident informing her (THE Judge) of the constant harassment and of some ~~other things~~ <sup>other things</sup> as well since all of this, this woman and her children has been attacking my children time and time again and has been arrested. And even after that she has still been harassing me. i told my P.D.

at the time of my case. im not  
the one that was arrested again  
after the first incident. Monique  
Singelton, her children as well as  
some of there friend were  
arrested 1 or 2 other times for  
Ganging my children not me i  
only had one disorderly Conduct  
from the very first incident.  
Im not the monster they are  
making me out to be. Im a single  
parent, just trying to raise my  
kids to the best of my ability  
i have an 21yr old 20yr old a 19yr old  
that all have Graduated high S.C.  
And dont have and children  
And wants to further they Career  
in the military but they can't  
because they are left to take  
care of my 3 small children a  
15, 12, and 10yr Old. I am a Great  
Mother. My children dont have  
a father or a mother now.  
~~where covered about~~ My  
Small children are going through  
Hell with out me and my older

Children are also and so am  
i we are all that we have  
and had for a long time Being  
in prison I have learned so  
many things like not reacting  
before thinking about the consequences  
of my actions giving myself more  
time to solve a problem. ~~and~~ stay  
away from negative and pessimistic  
people. And to leave a bad situation  
if i can and utilize the power  
of crying out. Because if i don't  
my actions can easily be mistaken  
for my character and i don't  
want that. please see it in  
your heart to put me and  
my children back together  
please

Thank You
