**MOTION**

Mrs. Quinn previously requested an extension to file her Respondent's Brief due to her incapacity due to her cancer treatment. As the last of her initial round of chemotherapy was on December 8, 2016, she thought that she would be sufficiently recovered to prepare this brief within the initial extension granted. This however was not the case; the after effects continued and she is still unable to draft her responsive pleadings. She has arranged for assistance and is in need of an additional extension to properly respond to the initial brief to the Court. This extension , if granted will allow her to do so.

WHEREFORE, in behalf of the Respondent, I pray that this Court grant an extension of the Respondent's brief until January 26, 2017.
