Re: State v Crockett

Appeal No 2015-2298

Dear Honorable Clerk:

This letter is written to clarify your office's letter about the status of my appeal and request that I be notified of the Court's decision directly because my appellate attorney (Bless her heart) is worthless and sold me out. Moreover, she won't accept calls despite all the hype that she would.

Anyway, be kind enough to send me any information about my appeal directly. Finally, it's been over a year to consider this simple case? Thank you.

Respectfully, Timothy Dale Crockett
