Re: The State v. Arthur Moseley
Appellate Case No. 2016-002087

Dear Mr. Moseley:

This responds to your notice of appeal and letter dated December 19, 2016.

As to your notice of appeal, this document has been construed as a petition for rehearing regarding this Court's order dated December 8, 2016. You will be advised when the Court takes action on this petition.

As to your letter, the order dated December 8, 2016, was signed by Chief Justice Costa Pleicones on behalf of the Court. Since Chief Justice Pleicones retired on December 31, 2016, any correspondence to him should be addressed to him at the Post Office Box shown above.

The copy of the motion to relieve counsel and proceed *pro se* were not identical to the original since the page breaks were not the same. Again, since the copy was not identical to the original, I will not return it to you. If you would like a copy of the motion that has been filed, you will need to provide the check or money order

as indicated in my letter of December 9, 2016. Since I do not find that providing you with the copy of the motion would primarily benefit the general public, I will not provide the copy unless the fee is paid.

Finally, as requested, I have enclosed a copy of you notice of appeal and letter dated December 19, 2016.

Very truly yours,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.

CLERK
