J

Your appellant Rhonda Meisner respectfully requests this Honorable Court of Appeals grant an additional extension for the deadline to file the initial brief and designation of matter. This is the second request for an extension. The appellant makes the request due to extensive work and personal travel requirements. In addition to extensive out of town business travel, the appellant's brother-in-law was placed in ICU in Atlanta which required personal travel to Atlanta. I respectfully request an extension of the deadline for filing the initial brief and designation of matter by 30 days.

Respectfully Submitted,
