Columbia, SC 29211

SUBJECT: Steven Spagnoli Appeal 2016000961

Dear Chief and Justices,  
I have had plenty of time to reflect on my case and accepting responsibility for my actions, it has dawned on me that all things happen for a reason: He shall be that which God shall will, therefore, He is that which God wills. Considering the combined Tumults of Passions and the fact that I was on my property at my home, I remain Not Guilty of Murder. I understand the importance of Prudence, temperance, fortitude and NOW SEEK JUSTICE!  
What I would like to do is go home to my place in the forest, Gather my Grandchildren, provide a safe and secure home for them, Cook them breakfast every morning and drive them to school every morning, while I tend to my milk Cow, chickens and Help Mom + Pop Butchers, Bakers and Candle stick makers Start up their businesses and help them grow in providing the needs of the Community.  
Again, I ask for your mercy and to reverse my convictions and Grant me immunity and restore my right to provide for, guide and protect my Family who is missed and Loved very much.  
Thank you in advance for your kind understanding and attention to this matter.  
Cordially,

Steven Spagnoli
