

# The South Carolina Court of Appeals

South Carolina Coastal Conservation League and South  
Carolina Wildlife Federation, Appellants,

v.

South Carolina Department of Health and Environmental  
Control and Horry County Public Works, Respondents.

Appellate Case No. 2016-001758

---

## ORDER

---

On December 15, 2016, this court granted Appellants' petition for supersedeas and imposed a stay pursuant to Rule 241(c)(2) of the South Carolina Appellate Court Rules. Respondents have not filed a motion to vacate or rehear the order issuing the stay; therefore, the stay is still in effect. The only matter before the court at this time is Respondents' motion to dismiss. In the motion to dismiss, Respondents argue this appeal has become moot. After careful consideration of the parties' filings, the motion to dismiss is denied; however, nothing in this order prevents the parties from arguing the issue of mootness in their appellate briefs.
