Motion for Extension of Time

---

Now comes Petitioner/movant Michael Wayne Jeffcoat who moves this Court for an extension of time to order the transcript outside of the filing deadlines set by Rule 207 of the SCACR. In support of his motion, Petitioner would respectfully show this Court:

1. No filing fee has been demanded or paid in this case, and Petitioner has not been granted leave to proceed In Forma Pauperis.

2. Petitioner is without sufficient funds to pay for said transcript, he depends entirely upon pauper status being granted;

therefore, it would be improper, unethical and possibly illegal for him to negotiate production of the transcript with the Court Reporter,

3. Petitioner is informed and believes, and based upon such information and belief alleges the Clerk of Court is in error to begin the computation of time in this case without settlement of filing fee questions or Petitioner being granted leave to proceed.

### Conclusion

Wherefore, for the foregoing reasons, Petitioner requests this Court grant an extension of time in this case.

Respectfully submitted:
