MOTION

---

The Respondent/Appellants move to stay the time for filing the Appellants' Initial Brief and Designation of Matter of the Respondent/Appellants and to reset the thirty day deadline upon receipt of the additional transcript.

The undersigned engaged in the appeal in this case on December 5, 2016. The proceedings in the lower court occurred over multiple non-consecutive days. During the briefing the undersigned became aware that prior counsel had not ordered all of the transcripts necessary for the appeal due to his being relieved from the case. A request for an additional transcript was made on January 3, 2017, and is presently pending. That the additional transcript is necessary for the review and preparation of the brief and therefore, Respondent/Appellants move to have the time for filing their Appellants' Initial Brief and Designation of Matter stayed pending the receipt of the additional transcript and, that the thirty day deadline for filing the Appellant's Initial Brief of the Respondent/Appellants be reset from the date of receipt of that transcript.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "J. Falkner Wilkes".
