RE: State v. Shameen Coker; App. Case No.: 2016-001779

Dear Madam Clerk:

I am writing to request my second extension of time for filing the Initial Brief of Appellant and Designation of Matter in the above referenced case. I am requesting this extension out of necessity. I am in the process of moving my office, which should be completed by January 25th. I was in court on the PCR matter of Dewain Herring the first week of January, and I preparing to be in court for two additional PCR hearings this month. I am currently working on a PCR appeal that is due in the Supreme Court on February 3rd, and I must attend the Bar Convention in Greenville for a majority of this week. I also have been dealing with some health issues since December that have required a number of unexpected days out of the office. For these reasons, I am respectfully requesting an extension of 30 days.

Thank you for your assistance with this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law
