Dear Ms. Kitchings:

In accordance with Rule 263(b) of the South Carolina Appellate Court Rules, I hereby request a 30-day extension of time in which to file Respondent's Brief in response to the South Carolina Education Association's *amicus curiae* brief in the above-referenced matter. This motion is sought because of numerous other work-related time commitments and an unexpected medical condition which required surgery.<sup>1</sup> This is the first extension which Respondent has requested. With this extension, Respondent's Brief in response to the South Carolina Education Association's *amicus curiae* brief will be due on February 15, 2017. The undersigned has consulted with Appellant's counsel, Trip Risen, and SCEA's counsel, Allen Nickels, who advised that they have no objection to this motion.

I am enclosing a firm check in the amount of Twenty-five Dollars (\$25.00) to cover this request. If a more formal motion is required, please do not hesitate to let me know. With best wishes and kindest regards, I am

Sincerely,

YOUNG CLEMENT RIVERS, LLP

Catherine H. Chase

<sup>1</sup> If the Court requires more details about my medical condition, I will be happy to provide the same. I am being sparing in this letter as I am aware that this will be filed as a part of the public record. I am happy to report that my doctors believe the issue has been resolved and that I am recovering.
