MOTION FOR EXTENSION OF TIME

Appellant requests that the Court allow an additional 10 days to respond to Respondent's Motion for Leave to File a Rule 60 Motion. No previous extension of this deadline has been previously requested and counsel for Appellant has been out of the office for much of the past week. In addition, Counsel is attempting to retrieve his phone records from February 2016 as they are relevant to the motion. No party will be prejudiced by this extension of time and it is not requested for purposes of harassment or delay.
