Re: State Of South Carolina v. Gerald J. Nagy
Appellate Case #2015-002576

Dear Ms. Kitchings,

On December 16, 2016, I sent a request for extension to file my response to the Initial Brief of Respondent and Designation of Matter, but have heard nothing back. At this point, due to some major work now required at my new residence, my finalizing my move will be delayed until at least mid-February, thus necessitating a second extension. Therefore, I am requesting a 60 day extension, until March 16, 2017, to file my response to the Initial Brief of Respondent and Designation of Matter. This should allow enough time for me to finalize the move and to prepare my filing.

Kindest Regards,

Gerald J. Nagy
