

Court of appeal.

10/26/12

I'm writing in reference to my appeal pending. I filled a indigent form out to obtain appointed counsel. I'm wanting to find out who my lawyer is and how this appeal process works. This is all new to me, and I have no knowledge of where to start, so I guess I need to know who my lawyer is or direct me if possible to ^{the} right office. I also have new evidence that he or she would need know about my case. Thanks for your time.

Douglas Mayles!
