The State, Respondent  
Timothy Phillips, Appellant  
Appellate Case No.

January 17, 2017 2016-002444

To Whom It May Concern:

I am responding to a letter that I just received today which is Tuesday 17, 2017 asking me to explain my reasons for the "Appeal."

I Timothy Phillips am requesting an "Appeal" on behalf of a re-consideration in sentencing on the grounds of En-effect-ive of Counsel and time reduction on the following Indictment # 2016-65-09340

Pg. 2

Appellate Case No. 2016-002444

I Timothy Phillips sincerely feel that I was wrongfully charged with kidnapping and was given an extremely harsh sentence of 20 years when the plea was a 0-20 cap No SOR No Sex Offender Registry

by consent of state and there was no bodily harm in my case either I feel that 20 years 85% is excessively and extremely to much time.

Due to the fact Ms. Inez Williams and I were dating a few words was exchanged between the two of us to cause us to seperate and

Call our relationship off. As a result of me asking Inez to let's get in her car and ride off to talk about our disagreement. I end up with several unrelated charges which ended up getting dropped because of no evidence to prove the alledge act or any bodily harm or injuries due to my case. In me pleading guilty to the "Kidnapping" was a form of entrapment. I feel my Public Defender Martin R. Banks was definitely en-effective of Counsel. Simply, because he did not thoroughly explain

the elements of my current charge and did not handle my case properly.

With all due respect to the Court of Justice I am respectfully placing myself on the "MERCY" of The South Carolina Court Of Appeals sincerely and respectfully asking for time reduction and leniency in my current 20 yr 85% prison sentence. Please inform me of who will be appointed from the State Appellate Defense Office to represent me in the above mentioned matter.

Pg. 5

I am patiently awaiting  
a positive and prompt  
response.

"Your Cooperation is Highly  
**APPRECIATED!**"

Respectfully  
Submitted,  
Timothy  
Phillips
