Case No.: 2014-CP-38-01590
Appellate Case No. 2017-000093
Our File No.: 1295-0070

Dear David:

I am writing to confirm the availability of the hearing transcripts in this matter. While I am in receipt of the Notice of Appeal dated January 12, 2017, and your follow-up letter to the Clerk of the Court of Appeals dated January 20, 2017, regarding the status of the transcripts, I have not heard back from you in regard to my telephone message of January 23rd.

I have not received copies of any communications between you and the court reporters in this matter. Pursuant to Rule 207 of the Appellate Court Rules, I request copies of those communications. Also, I will bring your attention to the requirement of Rule 207(a)(1) that "Unless the parties otherwise agree in writing, appellant must order a transcript of the entire proceedings below."

Since your Notice of Appeal raises "the Trial Court's failure to rule upon Appellant's Motion to Amend the Complaint, which was filed on June 29, 2016" it is our position that the "entire proceedings below" includes the hearing before Judge Goodstein on August 23, 2016, in which Judge Goodstein addressed the Motion to Amend. Please confirm you have obtained that transcript in addition to the transcript from the hearing before Judge McMahon.

I look forward to receiving your communications with both court reporters requesting the transcripts from these hearings.

Very truly yours,

E. Raymond Moore, III
