

The South Carolina Court of Appeals

John Alden Bauer, III, Appellant,

v.

Beaufort County School District, Respondent.

Appellate Case No. 2016-000955

ORDER

We decline to reconsider our order of January 12, 2017. *See* Rule 240(i), SCACR (providing that this court will not entertain petitions for rehearing on a motion unless the action of the court on the motion has the effect of dismissing or finally deciding the appeal). However, we clarify that Appellant is not required to include the blank pages from the "grade book" exhibit in the record on appeal. To the extent that Appellant is requesting to exclude Respondent's remaining designations of matter, the request is denied.
