Re: Bryan v. SCOC, 2011-204348

Dear Honorable Clerk:

I received an order by you dismissing this appeal for failure to file the record on appeal. Previously, by 2/28/12 order of yourself, you dismissed for failure to file the "... Designation of matter." I submitted my "Designation of matter included in Record on Appeal," on 1/30/12. By 3/26/12 order of the Hon. James E. Loudermilk, "[b]ecause Appellant has now served & filed his initial brief & designation of matter, [the court] grant the petition for rehearing & reinstate this appeal." on 4/13/12 I also sent an "Amended Designation of matter included in record on Appeal."

I am very confused by your 9/13/12 letter dismissing this appeal for failure to serve & file the record on appeal.

WHEREFORE, I move for 15 (fifteen) days extension, so I can order R's 2012 SCOR from the prisons law library so I can comply with the rule, see attached Request to staff.
