Dear Mr. Duff,

I have the Supplemental Record on Appeal ready to copy, I think, but I would like you to look at it before I make the copies for the court.

Your November 5, 2015 Amended Answer and Return seems odd to include since it is only a few sentences that seem to have no relevance. Is something missing?

The S.R. will be 838 pages, i.e. four volumes per copy. To send it email requires 30.9MB so I may need to send it in installments.

My computer is not working well, so I may need to send the S.R. from a different computer. I will give you a heads up before sending it, and I would appreciate it if you would acknowledge receipt.

Would you be able to look at it and respond by February 10? Let me know if you need more time.

Sincerely,

John Alden Bauer, III
