Dear Honorable Jenny A Kitchings clerk.

I received Assistant Attorney General Megan Harrigan Jameson. Enclosed two copies of the Initial Brief of Respondent and Designation of Matter in reference to my Appellate case # 2016-000966. dated January 27 2017 on January 30 2017 from the Perry Correctional Institution mail room. I am representing myself Prose. I haven't as of today 2-2-2017 received from the office of the S.C. Court of Appeals any documentation of the state as the Respondent initial Brief and designation of matters has been filed, from you verifying if such documents are filed. Just in case they have been, and I have not received from you such notification. I am enclosing a Motion for an extension of time to file a Prose reply Brief. if it is necessary. I am aware that once the S.C. Attorney General's office as the Respondent files its initial Brief and Designation of matters that pursuant to SCRA 208 and 209 once I've been served I have as the Appellant 10 days to file an initial Reply Brief.

Being that I received ~~from~~ from the state its initial Brief and designation of matter, ~~to~~ on January 30, 2017, I am requesting and extensions of time to file my pre-initial reply Brief.

I am also making this court aware that I am indigent representing myself, poor, and unable to make copies of hand written documents pertaining to the appeal, such as the record on appeal, and designation of matter. Yet Both the SC Attorney General Office and Office of the Clerk of Court of SC Court of Appeals have already receive a law in its possession, verifying that apart of my appeal. I which after the appellant (me) has served and files initial reply brief and designation of matter to be included in the record on appeal pursuant to SCACR 208; 209. I have 30 days to serve record on appeal on all parties who served a brief pursuant to SCACR 210 (a). Then

I must ~~file~~ serve and file my initial final brief. In which I file the record on appeal with the appellate Court pursuant to SCACR 200 (b) and 211.

How can I make copies of the written documents of the record on appeal of my case 2016-00966 when the Institution want make copies of hand written documents? There is no transcript of the order of the procedure in which the trial circuit Court Judge denied my motion for new trial, on which this appeal is based. There is pages from my Trial transcript of

my jury trial and conviction before Judge Harry R. Patterson.
Case 2002-6823-1063 of September 27-28, 2008 of Grand
Juror Court Greenville County, all exhibits that are already
a part of the record on appeal or file with the SC Court of
Appeals. All material document received by the SC Court of
Appeals has been endorsed by the SC Court of Appeals, as
well as the Attorney General's Office. Can I resubmit them?
Yes.
