APPEAL FROM GREENVILLE COUNTY
COURT OF COMMON PLEAS
The Honorable Charles B. Simmons, Jr., Master-in-Equity
Common Pleas Case No.: 2014-CP-23-01871

Appellate Case No.: 2016-1787

China Construction America of South Carolina, Inc., Appellant/Respondent,

v.

MS Production Solutions LLC a/k/a MSPS Steel Fabricators,
Manfred Sprenger and Patricia Sprenger, Respondents-Appellants.

MOTION

The Respondent/Appellants move to stay the time for filing the Respondent's Initial Brief and Designation of Matter of the Respondent/Appellants and to reset the thirty day deadline upon receipt of the additional transcript.

The undersigned engaged in the appeal in this case on December 5, 2016. The proceedings in the lower court occurred over multiple non-consecutive days. During the briefing the undersigned became aware that prior counsel had not ordered all of the transcripts necessary for the appeal due to his being relieved from the case. A request for an additional transcript was made on January 3, 2017, and is presently pending. That the additional transcript is necessary for the review and preparation of the brief and therefore, Respondent/Appellants move to have the time for filing their Respondent's Initial Brief and Designation of Matter stayed pending the receipt of the additional transcript and, that the thirty day deadline for filing the Respondent's Initial Brief of the Respondent/Appellants be reset from the date of receipt of that transcript.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Falkner Wilkes". The signature is written in a cursive style with a large initial "J" and a long, sweeping underline.
