Re: The State v. Terrence O'Neil Frazier - **APPELLATE CASE # 2015-002464**

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case are due to be served and filed with the Court today. However, due to my heavy work-load, I am requesting a thirty day extension in which to serve and file this initial brief of appellant and designation of matter.

I anticipate that I will be requesting an abeyance in this case as soon as I can confirm the court reporters assigned to Mr. Frazier's pre-trial hearings. Because Mr. Frazier was *pro se*, he was unable to provide me the relevant dates and presiding judges. However, I was able to contact the solicitor's office and get much of the needed information. Our office has contacted the potential court reporters for one of the relevant weeks and will file the transcript requests and abeyance letter once the correct report is identified.

By copy of this email, I am informing Benjamin Aplin, Esquire of this request.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Sincerely,

Laura R. Baer
Appellate Defender
