Re: Joseph S. Dusenbury, Jr. v. Joseph S. Dusenbury, Jr.  
Appellate Case No. 2016-001662

Dear Jenny:

This letter is in response to your letter of January 31, 2017, requesting an update of the status of the transcripts in the above matter. A copy of this letter has been sent to Court Administration per your instructions.

Two transcripts for two separate hearings have been ordered and neither of the two transcripts has been received. Therefore, the case should remain in good standing.

However, to let you know the overall status of the matter, a mediation was held February 2, 2017, at which this appeal was settled by the parties. The proper consents to dismiss the appeal are being drafted and will be forthcoming.

With kindest personal regards, I am

Joe S. Dusenbury, Jr.
