SC Court of Appeals

Dear Court of Appeals, Judge Geathers

In A Order Filed November 4, 2016

the Court ordered Counsel for respondent to contact Circuit Court Judge Robin Stilwell within (10) days to schedule hearing to reconstruct trial record. The respondent's counsel forwarded him a letter stating "Quote" Judge Stilwell will schedule hearing for January or February 2017.

Unfortunately, I, respondent, was informed, no hearing has been scheduled, by my Attorney, John Strom, Indigent defense. And he explained the States Solicitor's/Attorney's Notes of Trial has not been turned over to him, or shared.

My concern is, ever case in case law I've read, the Court required a hearing within (45 days). Why is it the Judge/Attorneys, Solicitor in this case is not wanting to cooperate with the Court of Appeals Order, will this court please help me in this matter. As it has been nearly (2) years of incarceration and I have been unable to challenge my unlawful incarceration.

All help is greatly appreciated in this matter.
