

The South Carolina Court of Appeals

The State, Respondent,

v.

Aryee Henderson, Appellant.

Appellate Case No. 2016-002406

ORDER

Appellant has filed a "Notice of Appeal," attempting to appeal this Court's order of dismissal. This Court construes the filing as a petition to rehear the dismissal of this appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
