

The Supreme Court of South Carolina

Elson McKanic, Appellant,

v.

State of South Carolina, Respondent.

Appellate Case No. 2017-000188

RECEIVED

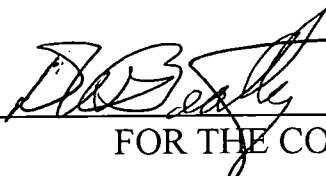

FEB 17 2017

SC Court of Appeals

ORDER

In this case, appellant filed a petition for a writ of mandamus in the circuit court seeking to compel his release from an alleged unconstitutional conviction and sentence.¹ While this petition made no mention of appellant's 2008 post-conviction case (*McKanic v. State*, 2008CP4400081) and did not seek to compel any action related to that post-conviction relief case, the circuit court filed the petition for a writ of mandamus in the 2008 post-conviction relief case. Appellant has now filed a notice of appeal from an order denying the petition for a writ of mandamus.

Since this appeal does not involve a post-conviction relief case or any of the categories of cases specified in Rule 203(d)(A)(i) thru (vi) of the South Carolina Appellate Court Rules, the notice of appeal is hereby transferred to the South Carolina Court of Appeals.
