SC Court of Appeals

Re: Appellate Case No.: 2016-002213

The State, v. James Phillip Rhinehart

Dear Ms. Kitchings: I James P Rhinehart has been treated unfairly, unjust, impartial and prejudice against by the 16th Judicial Circuit. Also my court appointed defense lawyer and asst. solicitor and the state. I filed a complaint against my prosecutor Erin M. Joyner of the 16th Judicial circuit; also against my Public Defender John P Freeman of Halford, Niemiec & Freeman law office 238 Rockmont drive Fort Mill S.C. 29708. The South Carolina Bar Association referred me to The Supreme Court of South Carolina office of Disciplinary Counsel. Because of My Complaint against them both conspired to get me convicted on a Habitual Offender Driving Charge. Both attorneys have violated my rights with immoral and unethical racist conduct. Because of a pending case in which another white so-called victim is involved. And this case was constantly ignored because of lack of evidence and I complained and because of that They used the if your white your right rule. The Eighth Amendment prohibits excessive fines, and cruel punishments. White supremacy is a misguided and criminal doctrine which should be Abandoned.

Judges, solicitors and Jurors are supposed to be impartial and unbiased in every case regardless of race, religion or ethnic background. The Bill of Rights, Amendments and Constitutions were put in place to protect the innocent and oppressed. Why is it that the lady holding the scales of Justice is peeking underneath her blindfold to see if it's black or white before Justice is dispensed and verdicts handed down. Whoever is appointed my Attorney in this case. I have no reason to fabricate or lie about these Allegations. Start with the transcripts of Aug 22, 16, Sept 22, 16 and the transcript of my sentence date. Then get my motion of Discovery of my pending case and current conviction case I'm serving time for now. You'll see how The Supreme Court of South Carolina office of Disciplinary Counsel. Lesley M. Coggiola was supposed to investigate my complaint File Number 16-DE-L-0896 and File Number 16-DE-L-0895 and investigation in which I wasn't contacted or questioned. In which no lawyer misconduct was found one hand washing the other, more immoral and unethical racist conduct. Get a copy of all my letters I've written to the 16th Judicial circuit solicitors, to the bar Association to the Judges and to the Disciplinary Counsel, Rule 413, SCACR. And you'll see just how much this Judicial System is Biased and Corrupt.

Whosoever is my Attorney I want copies of every person convicted of Habitual Offender Driving by Judge Couch of the 16th Judicial Circuit, As well as any Driving offense and sentencing by any Judge in the state of South Carolina. I want Dates, charges, sentence, Judge what city and county and most important I want the race and nationality and sex of each and everyone convicted of a Driving offense in the state of South Carolina in the last five years. I have real evidence of misconduct by my Attorney, my solicitor and my sentencing Judge as well as the Supreme Court Disciplinary Counsel, even police officers, detectives falsifying evidence tampering with evidence. So far all my attempts and pleas for help has not been heard or improperly handled. Not only have I been mistreated by Justice but my family as well, so I fight not solely for my injustices, but my wife and kids as well. Get the information I mentioned in this letter and you'll see that I'm right and I've been mishandled by the Justice system. I'm gonna continue to fight for my rights with or without the Appellate Court even on the Federal level this kind of immoral statewide injustice is unacceptable and the nation will hear about it. If nothing else maybe future generations of black kids won't be prayed upon by a racist, immoral Judicial System.
