SC Court of Appeals

Bob Rice Realty, Inc., Respondent,
v.
Gerald J. Nagy, Appellant.

MOTION FOR EXTENSION OF TIME TO FILE A REPLY

1. On February 16, 2017, Appellant received a Temporary Restraining Order instructing the Respondent to file their return to Appellants Motion by noon, February 21, 2017. It also included instructions for any Reply to be received by the court no later than noon, February 22, 2017.
2. Respondent requested, and presumably was granted, an extension of time to file their return until 5:00 PM on February 21, 2017.
3. I re-reading both the TRO and the rules of court, Appellant just realized that his Reply would be due by noon today. in lieu of the standard five days normally allowed.
4. The primary computer Appellant uses for scanning, etc. has been moved to the new residence and has not been set up, so the facilities do not exist to complete the Reply in the time allotted.
5. Appellant hereby requests an extension of time to file the Reply until 10:00 AM, February 23, 2017.
6. Appellant has not previously requested an extension of time to file in this matter.

Respectfully submitted,
February 22, 2017
