[Motion for Extension of time Initial Brief]

SC Court of Appeals

Dear Ms. Kitchens

I am writing you to request an extension of time to file Appellant's Initial brief and designation of matter. I was not aware of the time elapse until I called the Court of Appeals office on Tuesday 14, 2017, to be updated on the progress of my case. Only to be informed that the filing of the initial briefing deadline had elapsed on February 13, 2017. As of now I do not have an appeals attorney helping me with my case. However, I am filing this appeal on my own, and until I have found an attorney I will be pursuing this case on my own. Please consider my request for an extension of the initial brief and designation of matter. Thank you for your time.

Sincerely,

Taliah K. Shabazz
