Pro-Se Response To Represent Oneself

---

Comes now, Petitioner in the above captioned matter, to respond to this Honorable Court's Clerk (Mr. Daniel E. Shearouse), to inform this Court that Petitioner is prepared to continue the above case pro-se.

Petitioner understands the cautionary warnings of such, but feels counsel has left no choice by refusing to put forth the issues warranting relief. And instead, has misrepresented facts, caselaw as well as the legal interpretation of such.

For these reasons, Petitioner is forced to fend for himself in order that the issues will be manifested to the highest Court of the State, in the event Federal habeas corpus is required.

Respectfully Submitted,
