NOTICE TO ALL PARTIES: This Order is being issued during an ongoing scheduled mediation in this litigation, set before Bradish J. Waring, Esquire, which began on March 18, 2014. Implementation of this Order is being delayed until an impasse is declared by the mediator. Once an impasse is declared, in writing by the mediator, this Order is in full force and effect. The purpose of this delay is to avoid the parties incurring the expense and significant time consumption of launching the notice process, while at the same time advising all parties of what procedures will be in place should the mediation fail and this litigation proceed.

I. INTRODUCTION

This Order represents the culmination of several hearings the Court has conducted on the issues of class notice, the class mailing list proposed by class counsel, and the Right to Cure

Certified - A True Copy

 Jerri Ann Roseneau - Clerk of Court
 Beaufort County, SC - Melissa Kilby

Construction Dwelling Defect (“RTC”) process that will follow the mailing of class notice.¹ In addition to formally approving the Notice and Exclusion forms that will be mailed to the putative class, it is the Court’s intention that this Order shall establish the parameters and timelines that will govern the RTC process following the mailing of class notice.

II. CLASS NOTICE/EXCLUSION FORMS AND MAILING LIST

A. Class Notice/Exclusion Form.

The form and substance of the Notice and Exclusion Forms to be mailed to putative Class Members has been the subject of intense review by the Court and debate by all parties. Multiple versions have been proposed, rejected, altered, and amended. The Court finds that the final form of the Notice, attached hereto as Exhibit One, gives appropriate notice to the putative class members of this lawsuit and will allow them to make an informed decision as to whether or not to proceed further as a member of the Plaintiff Class. Moreover, this Notice comports with the requirements of Rule 23, SCRPC, prevailing state case law, and traditional notions of due process. Accordingly, the Court approves the attached Class Notice/Exclusion form.

B. Mailing List Proposed by Class Counsel.

The mailing list for the Class Notices submitted by the Plaintiffs and attached hereto as Exhibit 2 has also been the subject of great controversy and debate. This mailing list was prepared by Class Counsel by cross-referencing a homeowner list provided by Del Webb Communities, Inc./Pulte Homes, Inc. (“Webb/Pulte”) with the Sun City Property Owners’ Association and the public records of the Beaufort County land registrar.² Prior to the hearing on

¹ The Court held hearings on these matters on February 1, 2013 in Charleston, South Carolina; February, 25, 2013 in Darlington, South Carolina; and by telephone on March 7, 2013 and April 29, 2013. The delay between those hearings and the issuance of this Order was occasioned by appeals over various issues in this comprehensive case.

² One of several objections that SCSP raised was that the list – which is a list of the homes built by Pulte – initially provided to Class Counsel through an email, is an unreliable basis for drafting a mailing list for class notice, and further, that it constitutes hearsay. The Court denies this objection.

April 29, SCSP submitted motions³ that raised myriad objections,⁴ chief among them that without conducting discovery on the mailing list proposed by class counsel, SCSP was unable to object to inclusion of any home on the proposed mailing list. The Court denies the objections raised by SCSP and declines to allow discovery at this time on the mailing list proposed by Class Counsel for several reasons, primary among them the fact that this case is already six years old and further delay at this stage is not in the interests of justice. Defendant did note that one house, belonging to Mr. Oros, should be excluded because it no longer had any stucco that was installed by SCSP. Plaintiffs have agreed to this exclusion.

The Court finds that the proposed mailing list provided by the Plaintiffs, and the process employed to produce this list, meets the test of adequacy and sufficient accuracy for this stage of the litigation. Accordingly, the mailing list proposed by Class Counsel is hereby approved. A copy of the mailing list is attached to this Order as Exhibit 2. Given the concerns and objections raised by SCSP, however, the Court will permit SCSP, during the RTC process, to eliminate errors in the mailing list and/or remove homeowners that do not meet the class criteria. A Court Order will be required to add or delete a name from the mailing list after the issuance of this present Order.

Job
3

³ SCSP filed a Motion to Determine Class Membership and Specific Objections and Motion in Opposition to Mailing List Proposed by Class Counsel. Webb/Pulte joined in these filings.

⁴ SCSP raised these additional objections in their motions: (1) the proposed mailing list had never been submitted to the Court; (2) the Plaintiffs had the burden to prove that this list contained appropriate class members; (3) that requiring the Defendant to object to the proposed class list as opposed to requiring Plaintiffs to prove/support the list was an impermissible burden shift; (4) that Defendant did not have electronically searchable records by which to be able to dispute the Plaintiffs' proposed mailing list without discovery or undue burden; (5) that even if the burden remained on the Defendant to disprove the proposed mailing list, then Defendant should be allowed reasonable discovery to accomplish this; and, (6) that if discovery was not allowed at this time, then discovery and the ability to contest class membership should be available at a later date.

III. PROCEDURE FOR MAILING CLASS NOTICE AND RTC PROCESS

Within sixty (60) days of the issuance of a written declaration to this Court by the mediator that the mediation effort has ended without reaching settlement of this litigation, counsel for Plaintiffs shall mail a copy of Exhibit 1 to each homeowner on the Mailing List (Exhibit 2), and shall on that date notify all other counsel of the mailing. The putative class members shall be permitted sixty (60) days from the date of mailing to exclude themselves from the Class, if they desire to do so. Following the sixty (60) day opt-out period, the exclusion forms will be tabulated, and the Class will be considered complete. Plaintiffs' counsel must file the final Class List with the Clerk of Court within ten (10) days of the close of the opt-out period. The Court is aware that subsequent motions may be filed by the Plaintiffs contesting any exclusion forms received from persons who have agreed to exclude themselves from the Class as a result of outside agreements made with Webb/Pulte. These motions, if any, are reserved for future determination.

Just 4

Within ten (10) days of the filing of the final Class List with the Clerk of Court, Plaintiffs' counsel shall mail to the Class the RTC Questionnaire attached hereto and approved as Exhibit 3, and shall on that date notify all other counsel of the mailing. Class members will be given a sixty (60) day period from the date of mailing to return the Questionnaire to Plaintiffs' counsel. Plaintiff's Counsel shall have additional time to contact class members that do not timely return the Questionnaire, but at some point to be determined in the future, class members who fail to return the RTC Questionnaire shall have their claims dismissed, with prejudice.

No later than the sixtieth (60) day after the close of the sixty (60) day period to return the RTC Questionnaires, Plaintiffs shall begin notifying Defendant SCSP of alleged construction defects pursuant to the requirements of the South Carolina Notice and Right to Cure Act (S.C.

Code Ann. § 40-59-810, *et. seq.*) (hereinafter "the Act"). Class Members and Defendant SCSP will be accorded the rights and remedies afforded by the Act.

At that juncture for purposes of compliance with the Act, and to facilitate the inspection process, the Class will be divided into four relatively equal geographic quadrants or groups. In addition, although the Third-Party Defendants do not have any rights under the Act, SCSP shall have the right to send copies of the Notices and Questionnaires to Webb/Pulte and Kephart Architects, Inc. ("Kephart") and request that they take part in the inspection of any given home. Any such inspection shall occur at the same time as SCSP's inspection. Thus, any further reference below to "Defendants" with respect to their rights and responsibilities in the inspection process shall include Third-Party Defendants, if the presence at inspection of those Third-Party Defendants is requested by SCSP.

Job 5
No later than the sixtieth day after the close of the (60) day period to return RTC Questionnaires, Plaintiffs' Counsel shall deliver to counsel for SCSP, via e-mail, the following information for the first twenty-five (25) percent of Class Members: (1) the notice pursuant to the Act for each individual house; and (2) a copy of that homeowner's completed Questionnaire. Defendant SCSP shall have ninety (90) days from the date of electronic delivery of this information to inspect those houses and comply with the Act. On the day following the end of the 90 day inspection period, Plaintiffs' counsel shall deliver via e-mail the same information for the next 25% of the Class, and Defendant SCSP shall have 90 days from the date of electronic delivery of this information to inspect those houses and comply with the Act. This process shall repeat two (2) more times with the same allotted time periods.

The inspections permitted to the Defendant shall follow this protocol:

1. If a Questionnaire returned by a homeowner lists interior damage due to water intrusion or if the homeowner responds that he/she does not know whether such

interior damage exists, then upon prior notice to counsel for Plaintiffs, Defendant shall be permitted a reasonable inspection of the damaged interior area in question, or the entire interior if the homeowner does not know whether such damage exists;

2. If interior moisture damage is listed on a Questionnaire, Defendant shall be permitted to perform reasonable moisture meter testing of the building interior, limited to no more than four areas, all of which shall be fully repaired and the results furnished to the Plaintiffs;
3. If Defendant desires to perform destructive testing on any of the homes, they shall be required to file a motion with the Court in order to perform such testing. Multiple homes may be included in the same motion. The motion must include a detailed description of the test procedures, the purpose of the test, the likely damage or inconvenience resulting from the test, and whether Plaintiffs' counsel objects to such test. Destructive testing does not include moisture and other testing that requires an opening no greater than a pinhole, which shall then be repaired; any further injury or intrusion is considered "destructive." As the RTC inspection process proceeds, the parties may move the Court to alter this definition of "destructive." Any testing results, reports, or photographs taken by any party during the inspection process will be furnished to all parties. If destructive testing goes forward, all parties shall be given the opportunity to observe the destructive testing;
4. A homeowner who refuses to permit interior inspection as outlined herein, or who refuses to permit testing as outlined herein, shall sign an affidavit prepared by Plaintiffs' counsel formally refusing such procedure. The affidavit shall clearly state that in so refusing, the homeowner understands that his/her claim will be dismissed with prejudice by the Court for failure to comply with the RTC Act, and such claim shall then be dismissed by the Court; and,
5. Upon motion of any party, as the opt-out period and the RTC inspection process move forward, the Court reserves the right to amend this Order either substantively or procedurally as the interests of justice and judicial economy require.

IT IS SO ORDERED.

TO: ALL OWNERS OF RESIDENCES AT SUN CITY, HILTON HEAD, HAVING

THIS NOTICE MAY AFFECT YOUR RIGHTS.
PLEASE READ IT CAREFULLY.

*****YOU ARE NOT BEING SUED*****
*****THIS IS NOT A SOLICITATION FROM A LAWYER*****
*****A SOUTH CAROLINA COURT AUTHORIZED THIS NOTICE*****

*****YOU MUST RETURN THE ENCLOSED FORM BY _____ 2014,
IF YOU DO NOT WANT TO PARTICIPATE IN THIS CASE**

1. WHY SHOULD I READ THIS NOTICE?

The Court has approved this Notice to you and has included information that it believes you need to know to decide whether to remain in the Class or to exclude yourself/opt-out of the Class. You should read this Notice to determine whether your rights are affected, the steps necessary to pursue your rights as a member of the Class, and whether to opt-out of the Class. You should carefully read below to decide whether it is in your best interest to opt-out or stay in the Class.

You have been identified as one of 4,300 potential members of a Class on whose behalf certain claims are being asserted in the above-captioned civil action pending in the Beaufort County Court of Common Pleas (the "Court"). The Court certified this civil action to proceed as a class action on behalf of the Class defined below.

If you own a residence in Sun City having a stucco exterior installed by South Carolina State Plastering, LLC prior to July 31, 2007, your rights may be affected by this action. You should read this Notice to determine whether your rights are affected, the steps necessary to pursue your rights as a member of the Class, and whether to opt-out of the proposed Class. In a Class Action, one or more people, called named Plaintiffs (in this case Anthony and Barbara Grazia), sue on behalf of people who have similar claims. All these similarly situated people are a Class or Class members. One court resolves the issues for all Class members, except for those who exclude themselves from the Class.

This action is pending in the Court of Common Pleas for Beaufort County, South Carolina, in a lawsuit known as Anthony and Barbara Grazia, individually and on behalf of all other similarly situated Plaintiffs vs. South Carolina State Plastering, LLC. While the Plaintiffs (and Class) are only suing (and may only recover against) South Carolina State Plastering, LLC in this case, South Carolina State Plastering (SCSP) has brought a third-party action entitled: South Carolina State Plastering, LLC v. Del Webb Communities, Inc., Pulte Homes, Inc., and Kephart Architects, Inc., Civil Action No. 07-CP-07-1396. If you are a member of the Class, and do not exclude yourself from the Class (i.e., opt out of the Class), the result of this pending litigation will permanently affect your rights against the Defendants.

The Class is defined as follows: All individuals, corporations, unincorporated associations, or other entities that currently own stucco-clad homes in Sun City Hilton Head to which SCSP applied the exterior stucco in whole or in part prior to July 31, 2007, which allegedly are damaged due to (a) the lack of head flashing above doors and windows, (b) the failure to install stucco control joints, and/or (c) the presence of moisture encapsulation by the failure to leave a gap between the stucco exterior and the structure slab.

2. WHAT IS THE LAWSUIT ABOUT?

The Plaintiffs have alleged that South Carolina State Plastering has improperly installed stucco on some houses in Sun City Hilton Head. Plaintiffs are requesting that South Carolina State Plastering pay money to the Plaintiffs and Class members to cover the cost to repair alleged damage caused by the alleged improper stucco installation. South Carolina State Plastering denies the allegations made by Plaintiffs and denies that there are any widespread stucco installation problems in Sun City Hilton Head.

2.1. WHAT CLAIMS ARE INCLUDED IN THIS LAWSUIT?

The suit alleges negligence and breach of implied warranty of good and workmanlike services. Plaintiffs are only pursuing three (3) alleged stucco installation issues in this lawsuit. This lawsuit is limited to recovering damages caused by one or more of the following three (3) alleged stucco installation defects:

- (1) The lack of head flashing above doors and windows,
- (2) The failure to install stucco control joints, and/or
- (3) The presence of moisture encapsulation by the failure to leave a gap between the bottom of the stucco exterior and the structure slab.

The Class is seeking to recover money for damages caused by one or more of the above three (3) alleged defects.

2.2. WHAT CLAIMS ARE NOT INCLUDED IN THIS LAWSUIT?

A. Stucco Application Issues Not Included in This Case.

Any issues other than the three (3) issues in Section 2.1 above will not be included in this lawsuit. If you have damage to your house solely related to a stucco issue not included in Section 2.1, then you will not be able to recover for those damages (in this lawsuit or any other lawsuit) if you remain in this Class.

There may be stucco homeowners in Sun City Hilton Head that have other stucco problems (such as thin application, improper mix, or improper installation) which are not included in Section 2.1 above, and also do not include one of the three (3) conditions listed in Section 2.1 above.

If you have one of these other stucco problems, you will not be able to recover funds for damage caused by those issues if you stay in the Class. You may be able to bring such a claim individually, but only if you opt-out of the Class in accordance with Paragraph 4.

B. Past Repairs Not Included:

The Named Plaintiffs have agreed not to request the recovery of any funds already expended by Class members or to recover funds already paid for repairs to stucco or behind stucco. If you have paid money for stucco related repairs, you will not be able to recover those funds if you stay in the Class. You may be able to bring such a claim individually, but only if you opt-out of the Class in accordance with Paragraph 4.

C. Legal Causes of Action Not Included:

The Named Plaintiffs will not pursue claims brought under the South Carolina Unfair Trade Practices Act (SCUTPA). Under SCUTPA, if a Defendant is found to have acted unfairly, the Plaintiffs and Class members could recover treble (triple) damages, costs, and attorneys' fees. If you stay in the Class, you will not be able to bring a SCUTPA claim against Defendant for stucco related issues, and you will be barred from recovery of treble damages, costs, and attorneys' fees. You may be able to bring such a claim individually, but only if you opt-out of the Class in accordance with Paragraph 4.

3. WHAT DO I NEED TO DO TO JOIN THE CLASS?

If you wish to join the Class, you do not need to take any further action and your interest as a member of the Class will be represented by Class Counsel without individual charge to you. (See Paragraph 8 for Class Counsel's fees and costs.) You are not required to hire your own attorney but may do so at your own expense. You will be bound by the result in the case.

4. HOW DO I EXCLUDE MYSELF FROM THE CLASS?

To opt-out of the Class, you must complete, sign and submit the Exclusion Request Form which is included with this Notice. Please send your completed form to:

John T. Chakeris, Esq.
The Chakeris Law Firm
231 Calhoun Street
P. O. Box 397
Charleston, SC 29402
Telephone: (843) 853-5678

You should submit a separate Exclusion Request Form for each property you own. If you do not receive a form or if you desire additional copies, you may obtain such copies by writing or calling the address above.

AN OWNER OR OWNERS OF A HOME WHO FAILS TO SUBMIT AN EXCLUSION REQUEST FORM BY MIDNIGHT ON _____, 2014, WILL AUTOMATICALLY BE INCLUDED IN THE CLASS. IF YOU DO NOT OPT-OUT OF THE

CLASS, YOU WILL BE BOUND BY ALL ORDERS AND JUDGMENTS ENTERED BY THE COURT. THIS IS YOUR ONLY OPPORTUNITY TO OPT-OUT OF THE CLASS.

IF YOU ARE A PUTATIVE CLASS MEMBER AND PROPERLY AND TIMELY REQUEST EXCLUSION FROM THE CLASS, YOU WILL NOT RECEIVE ANY BENEFITS OF THIS ACTION AND YOU WILL NOT BE BOUND BY ANY FURTHER ORDERS OR JUDGMENTS ENTERED FOR OR AGAINST THE CLASS. YOU MAY PURSUE AT YOUR OWN EXPENSE WHATEVER RIGHTS YOU MAY HAVE AGAINST THE DEFENDANT, IF ANY.

5. IF I STAY IN THE CLASS, MAY I BRING ANOTHER LAWSUIT LATER AGAINST SOUTH CAROLINA STATE PLASTERING?

Not related to stucco claims. If you stay in the Class, you will be bound by the result of this lawsuit – win or lose. If you do not submit a timely Exclusion Request Form, you will not be allowed to bring an individual lawsuit against South Carolina State Plastering for stucco claims.

6. IF I DO NOT EXCLUDE MYSELF FROM THE CLASS, WILL I HAVE ANY RESPONSIBILITIES?

YES. SEE BELOW.

Under South Carolina's Opportunity to Cure Construction Defects statute, the Defendant in this case is granted the opportunity to inspect allegedly defective stucco if it requests to do so. Once the opt-out period in this case has expired, the action will be stayed so that the requirements of the Opportunity To Cure Act can be met. If you remain in the Class, an Opportunity to Cure notice of individual claim will be mailed to you to be completed and returned by mail to Plaintiff's counsel. The notice will ask you to describe any stucco-related problems you are currently experiencing with your home.

After the Notice is issued, the Defendant will be permitted to inspect your home, offer to remedy the defects, and offer to settle or deny the Claim. If you remain in the Class, and the Defendant chooses to do so, you must allow a home inspection which will take place at a time agreed on by Counsel. The inspection, if any, will be non-invasive and non-destructive, and will be done at no cost to you. The inspection, if any, will be conducted by Class Counsel, under the supervision of the Court.

If the Defendant offers to remedy the defect(s) stated in the Notice or if a monetary offer is made to you, Class Counsel will communicate with you and respond on your behalf. Should you choose to accept the offer, the Court will be advised and a settlement of your Claim may occur.

If you and the Defendant cannot settle the dispute regarding your house pursuant to the

Opportunity to Cure Act, then the class action will proceed, and you will be bound by the decision of the court with regard to judgments and rulings in this class action.

6.1. PARTICIPATION IN THE LITIGATION.

If you do not opt-out of the Class pursuant to Section 4 above, and if you do not settle/resolve your claim pursuant to Section 6 above, then you will be required to take part in the litigation. The claims brought on behalf of the Class and/or the defenses asserted by Defendant may require one or more of the following: 1) you may be required to provide documents and/or information related to you, your house, your house purchase, and any house repairs; 2) you may be required to testify at a deposition about these same issues; 3) your house may be inspected, 4) testing may be conducted on your house, and/or 5) you may be required to testify at the trial of the case.

As a Class member, you will not have any right to control the litigation. In the event that a settlement is reached, you will have the right to submit an objection to the Court. If trial results in an unfavorable outcome, you will not have an individual right to appeal your claim, or to direct that the class representative pursue an appeal.

Return this form to Plaintiffs' counsel Michael S. Seekings (843-730-5369) in the envelope provided no later than _____.

Specific Addressee:

Dear _____,

The enclosed questionnaire is being sent to you because the Court has determined that you are a member of the class of Plaintiffs in a case entitled *Grazia v. South Carolina State Plastering, LLC (07-CP-07-1396)*. The case involves claims against South Carolina State Plastering regarding alleged defective stucco construction on residences within Sun City, Hilton Head.

The purpose of this questionnaire is to comply with a statute called "The South Carolina Notice and Opportunity to Cure Construction Dwelling Defects Act, (S.C. Code Ann. §40-59-810 et. seq.). The purpose of the law is to give the contractor the opportunity to resolve an alleged construction defect problem with the owner. This law requires an individual who alleges a construction defect in his/her home to specifically notify the contractor of that defect, and the law gives the contractor a period of time to inspect the alleged defect and make an offer of settlement to remedy the problem. If your individual stucco claim resolves through this process, then the matter will be ended with respect to your individual property, and you will not need to participate further in the class action. Please complete the attached questionnaire and return it in the enclosed envelope no later than _____. It is important that you return the questionnaire by the deadline date; otherwise, your claim may be dismissed for failure to comply with the Opportunity to Cure law.

Any questions concerning this letter or enclosed questionnaire should be directed to:

Michael S. Seekings, Attorney
Post Office Box 59
Charleston, SC 29402
(843) 730-5369

Thank you for your cooperation in this matter.

Sincerely yours,

Designated Plaintiff's Counsel
