**COASTAL CONSERVATION LEAGUE'S MOTION FOR
EXTENSION OF TIME FOR FILING INITIAL REPLY BRIEF**

TO: ALL PARTIES AND THE SUPREME COURT:

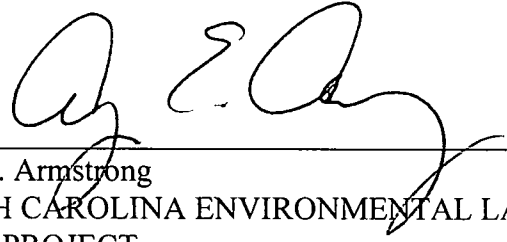

PLEASE TAKE NOTICE that the Appellant South Carolina Coastal Conservation League ("League") hereby moves the Supreme Court for an Order extending the time for filing its Initial Reply Brief. The Reply Brief is currently due on February 27 and the League seeks an extension of twenty (20) days, until March 20, 2017. South Carolina Department of Health and Environmental Control and Kiawah Development Partners, II, consent to this motion. The basis of this motion is as follows:

Counsel for the Coastal Conservation League runs a small public interest law firm and

Counsel for the Coastal Conservation League runs a small public interest law firm and has had multiple competing demands over the past week, in addition to battling an illness, preventing her from focusing the time and attention necessary to compete the reply brief in this case. In particular, counsel currently has a reply brief due to this Court on February 27 in another matter, which conflicts directly with this briefing deadline. In addition, counsel has a reply brief due in the Fourth Circuit Court of Appeals on March 7 and oral arguments in the S.C. Court of Appeals on March 8. Those obligations will counsel from spending the necessary time to prepare the reply brief until after March 8. While normally counsel would only seek a ten (10) day extension for a reply, due to the existing conflicts, counsel will not be able to dedicate the time necessary to prepare her reply brief until March 9. For that reason, the League respectfully requests a twenty (20) day extension so that the reply brief is due on March 20.

Counsel for the Appellant Coastal Conservation League has consulted with counsel for DHEC and for the Respondent Kiawah Development Partners, II, Inc., both of whom consent to this motion.

WHEREFORE, the Coastal Conservation League requests that this Court issue an order extending the time to file their reply brief under March 20, 2017. The Appellant further requests that the briefing deadline be held in abeyance pending a decision on this motion.
