Subject: State v. Bryant McKnight: 2015-000569 Extension

To Whom It May Concern:

I am writing to request an extension in the above matter for 30 days. I just met with Mr. Dudek regarding this matter. I have completed the research in this matter. However, the Final Brief is currently due on March 1. In speaking with Mr. Dudek, I need time to complete the entire brief with proper citations to the record and have it to his office for printing. I am scheduled to move my personal residence this upcoming week across town. I do not believe I can have this completed by March 1. I DO believe I can have it completed effectively and to Appellate Defense for printing in under 30 additional days.

Thus, I am requesting only a 30 day extension. By copy of this e-mail, I am noticing Mr. Zelenka of this request.

Also, this is part of the Appellate Practice project.

Thank you for your consideration in this matter.

Sincerely,
