

DEER MS. KITCHINGS,

RECEIVED

The State v. David Ray Brown
Appellate Case No. 2016-000170

FEB 28 2017

SC Court of Appeals

I Respectfully Request for a Extension for me to file a Pro se Brief with the court as we here at this unit have been locked down the majority of this month and I have no way to gain access to the law library for assistance of this brief.

I know the issues I'd like to address I just don't know about the format and contents of this brief other than the error and the reason for the error but without any other knowledge of how to properly format the brief is in question.

I had wrote to you over a week ago and we are still locked down so I'd like to go ahead and request an extension of this brief if I may so I can properly format it the correct way.

I strongly believe that the issues I have found in my trial has merit.

Thank you,
David Ray Brown
