

The South Carolina Court of Appeals

Ann Stevenson, Claimant, Appellant,

v.

Wal-Mart Stores, Inc., Employer, and New Hampshire
Insurance Co., Carrier, Respondents.

Appellate Case No. 2016-000790

ORDER

Respondents' motion to strike several matters from Appellant's designation of matter is hereby granted. Because only matters actually presented to the lower court may be included in the record on appeal, all matters objected to in Respondents' Exhibit A shall be stricken and not included in the record on appeal. Because the motion to strike is granted, this court declines to accept Appellant's amended designation of matter. The Record on Appeal shall be served and a proof of service filed with this court within thirty days of the date of this order.
