Re: Nikolay Gul v. Kohler Company
Appellate Case No. 2016-000853
WCC File No.: 0912295

Dear Ms. Kitchings:

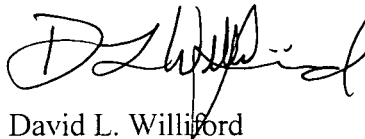

It has been determined by all counsel of record in the above-referenced case that page 168 of the Record on Appeal should be redacted from the Record on Appeal. I am enclosing a copy of page 168 for your reference.

We would respectfully ask the Court to insert the enclosed "blank" page 168 in its place for the unbound copy already filed with the Court. We would also respectfully ask the Court to black out or otherwise redact page 168 from the bound copies already filed.

Please let us know if you have any questions or other suggestions in this regard. By copy of this letter, I am notifying all counsel of record, as well as the Workers' Compensation Commission, about this matter.

Thanks so much for your assistance.

Sincerely,

David L. Williford
