The State vs. Sha'Quille Washington
Striking of the Jury
October 12, 2015

1 [Whereupon, a recess is taken from 12:05 p.m. to
2 1:15 p.m.]

3 THE COURT: Thank you. Be seated.

4 Mr. West, are you ready?

5 MR. WEST: I'm not sure where Mr. Davis is.

6 THE COURT: Well, that wasn't my question. Are you
7 ready?

8 MR. WEST: The State witnesses are here and we're
9 prepared to proceed.

10 THE COURT: Okay. Where is Mr. Davis?

11 [Whereupon, Mr. Davis enters the courtroom]

12 MR. DAVIS: All of these clocks are different. I
13 apologize. Clock says --

14 THE COURT: There is nothing funny going on here.

15 MR. DAVIS: -- ten minutes after. The clocks
16 are -- they're different.

17 THE COURT: The rule of sequestration has been
18 invoked.

19 MR. WEST: Well, we'll need to get this hearing --

20 [Off the record momentarily]

21 THE COURT: Waiting on you.

22 MR. WEST: All right. Thank you, Judge.

23 We're prepared to go forward with the Jackson v.
24 Denno hearing with regard to the statement given by the
25 defendant.

Jackson v. Denno Hearing
Bobby Shuler
Direct Examination by Mr. West

1 the video, if you feel it necessary.

2 THE COURT: Do you anticipate playing the entire
3 video for purposes of this hearing?

4 MR. WEST: For purposes of this hearing, I think
5 the voluntariness of the defendant's statement can be
6 established towards the beginning of the statement. And
7 it will also show that he was never under arrest and
8 that he was free to leave, because he in fact did go
9 home after the interview.

10 THE COURT: Why don't you show --

11 Mr. Davis, you listened to this interview?

12 MR. DAVIS: I want to see the part dealing with
13 the -- Your Honor, dealing with the part -- dealing with
14 the Miranda aspects. Okay? Yes.

15 THE COURT: I think -- and you let me know if you
16 need to watch any more.

17 I've listened to the entirety, and I do think it is
18 nice to see in conjunction with the video. But I don't
19 know that we need to hear the whole --

20 MR. DAVIS: I concur, Your Honor.

21 THE COURT: -- length. And it was --

22 THE WITNESS: Yeah. It was long.

23 THE COURT: -- somewhat lengthy. Thank you.

24 MR. WEST: Your Honor, in a matter unrelated to the
25 Jackson v. Denno, I believe some of Mr. Davis' witnesses

Jackson v. Denno Hearing
Bobby Shuler
Direct Examination by Mr. West

1 are present in the courtroom after we instructed them to
2 be sequestered.

3 MR. DAVIS: I didn't have a chance to discuss it
4 with -- I thought the Court --

5 THE COURT: I don't know who these --

6 MR. DAVIS: Yeah.

7 THE COURT: -- individuals are.

8 MR. DAVIS: Well, some of them are the State's
9 witnesses, too. You have Ms. Melissa Washington on your
10 witness list, so did you instruct her in any way?

11 MR. WEST: They've been instructed by the Court.

12 MR. DAVIS: Well, if they've been instructed by the
13 Court, then there's nothing I can do.

14 THE COURT: All right. Tyleesha Richardson, Ashley
15 Brown, Kenneth Grant, Renard Devoe -- please stand if I
16 call your name -- Robin Williams, Tyson Singleton,
17 Melissa Washington, Charlene Washington, Francis Jenkins
18 Arianna Coakley, Christina Lockwood, Sam Lawrence,
19 Cynthia Lawrence, Darius Alls -- please remain standing
20 -- Aja Williams, Larry Kinlock, Kevin Watson, Drequan
21 Lockwood.

22 Tell me your name, ma'am. We'll start --

23 MS. MELISSA WASHINGTON: I'm Melissa Washington.

24 MS. CHARLENE WASHINGTON: I'm Charlene Washington.

25 MR. SINGLETON: Tyson Singleton.

Jackson v. Denno Hearing
Bobby Shuler
Direct Examination by Mr. West

1 THE COURT: What has been invoked is called the
2 rule of sequestration and what that means is that
3 witnesses can't be present to -- in the courtroom when
4 other witnesses are testifying.. So you will have to
5 remain outside. You may not --

6 Please do not give me the look. All right?

7 You need to remain outside. Do not discuss your
8 testimony with anyone, and that does include the State
9 and Mr. Davis. Do you understand? You may talk to them
10 only about scheduling. But do not talk to any witnesses
11 that come out or that are planning on going in.

12 But I do need you to remain, because we will call
13 you. Okay? Thank you.

14 UNIDENTIFIED: I had a question. So I'm a witness,
15 because I never -- I never got --

16 THE COURT: Mr. West, I'm not going to engage.
17 Thank you.

18 MR. WEST: I understand.

19 THE COURT: Ms. Brown, if you would -- I don't know
20 where the support person is. If you could make sure --
21 all right.

22 [Whereupon, witnesses exit the courtroom]

23 THE COURT: Mr. West and Mr. Davis, if you would
24 please look at the audience. There were a lot of names
25 that I called that no one was present. I don't know who

Jackson v. Denno Hearing
Bobby Shuler
Direct Examination by Mr. West

1 those individuals are.

2 MR. DAVIS: Well, Your Honor, my witness list, if
3 you called it out and they didn't stand, then they're
4 not present.

5 THE COURT: Is there anyone else, Mr. West, that
6 you think?

7 MR. WEST: Court's indulgence. I want to talk with
8 Detective Investigator McGowen.

9 [Off the record momentarily]

10 MR. WEST: I don't believe any other State's
11 witness are present, Your Honor.

12 THE COURT: All right. You may continue. Thank
13 you.

14 MR. WEST: Ms. Brown is working on the technology,
15 Your Honor.

16 THE COURT: All right. Thank you, Ms. Brown.

17 [Off the record momentarily]

18 [Whereupon, State's Exhibit Number 1, interview
19 of Sha'Quille Washington, plays from 1:32 p.m. to
20 1:46 p.m.]

21 [Whereupon, State's Exhibit Number 1 is not
22 transcribed by the court reporter]

23 MR. WEST: That's the extent of what Mr. Davis has
24 requested to see, Your Honor.

25 THE COURT: Do you want to see anymore, Mr. Davis?

State vs. Sha'Quille Washington
Proceedings
October 13, 2015

PROCEEDINGS

THE COURT: Anything before we bring in the jury,
Mr. West?

MR. WEST: Briefly, Your Honor.

The State and the defense have agreed upon, my
understanding, the crime scene photos, so we are going
to stipulate that they are going to be entered into
evidence. That would be State's --

MR. DAVIS: Your Honor, I would ask that it don't
be displayed in front of the jury in opening statements.

MR. WEST: I will not use it in my opening, but I
intended to use it for some of our first witnesses.

MR. DAVIS: I have no problem with that.

MR. WEST: So that would be State's Exhibits Number
2 through 10.

THE COURT: 2 through 10. No objection?

MR. DAVIS: We'll concur, Judge.

THE COURT: State's 2 through 10 into evidence
without objection.

[Whereupon, State's Exhibit Numbers 2 through 10
are admitted into evidence by the Court]

THE COURT: Mr. West, you are agreeing to not use
them in opening?

MR. WEST: I'm agreeing not to use them in opening,
but I will use them for the first witnesses.

State vs. Sha'Quille Washington
Proceedings
October 13, 2015

1 THE COURT: All right.

2 MR. WEST: Also, just for the record, Your Honor,
3 the defense counsel has been granted the opportunity to
4 review all the rap sheets for our witnesses. I do have
5 copies for him available, if he needs them for his
6 cross-examination, but they were provided yesterday for
7 his review, just so the record is clear on that.

8 MR. WEST: I don't believe there's anything else
9 further from the State, Your Honor, at this time.

10 THE COURT: Anything from the defendant?

11 MR. DAVIS: Nothing, Your Honor.

12 THE COURT: We're a little ahead of schedule.

13 Mr. West, Mr. Davis, since the rule of
14 sequestration has been revoked, please review and make
15 sure that there is no one in the courtroom who should
16 not be.

17 MR. WEST: Thank you, Your Honor.

18 And I've also instructed the bailiff to check any
19 witnesses, or any persons that come in, in accordance
20 with the witnesses the State has provided.

21 I also would like the record to reflect that there
22 are two firearms involved in this case. Have gone
23 through the measures necessary to check those firearms.
24 We don't intend to introduce them into evidence.

25 THE COURT: Where are they?

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

OPENING STATEMENT

MR. WEST: Sha'Quille Washington, or Shike, as some people call him, is a murderer. He murdered Herman Manigault, in the parking lot of a nightclub called A Place In The Woods, on August the 25th, 2013. He shot him in the back as he was face down in that gravel lot. He fled the scene with his Uncle Larry Kinloch. But Herman Manigault laid there, and he died right in front of his girlfriend Arianna Coakley and his cousin Larry Jenkins.

This is the point in the trial where the State is going to lay out a roadmap for the trial. It's not a point in time where we argue anything. Trust me, there will be plenty of argument throughout the trial and at the end, so this is just an overview of the facts in the case and some of the things you can come to expect.

So there's three things I really want to point out. One is going to be the people involved, two is going to be the evidence involved, and three is going to be the law that the judge is going to instruct you on at the end of the trial.

And so the first and most obvious person that you need to become familiar with is Sha'Quille Washington. Again, people call him Shike. His father's name is Corey Brown, though, sometimes you're going to hear

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

1 people refer to him as Sha'Quille Brown. But for the
2 most part during this trial, everybody is going to refer
3 to him as Shike.

4 The second person that you need to become familiar
5 with is Herman Manigault. He is who Shike murdered.
6 He's who Shike shot. He's the victim in this case.
7 Some people called him Trey. So if you hear somebody
8 call him Trey, Trey is Herman Manigault.

9 One of the other people involved was Arianna
10 Coakley. You just heard that she was Herman's
11 girlfriend. She was at the nightclub, A Place In The
12 Woods, and she is going to tell you in vivid description
13 exactly what she saw and heard at the time of the
14 murder.

15 Next is going to be Larry Jenkins. Now, you'll
16 notice there's another Larry involved in this case,
17 Larry Kinloch. I don't believe you'll ever confuse the
18 two because you're going to notice right away they don't
19 look a thing alike and you're going to notice who's
20 cooperative and who's telling the truth. Larry Jenkins
21 is Herman's cousin. He was with Herman that night, and
22 he is going to tell you exactly what he saw and he is
23 going to describe exactly how he saw Shike shoot Herman.

24 Larry Kinloch is Shike's uncle. He's who took
25 Shike away from the scene that night. You're going to

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

1 hear from him. And I imagine -- I can't exactly predict
2 exactly what he's going to say but I imagine a lot of it
3 is going to be lies, and it's going to be your job as
4 jurors to judge the credibility of him as a witness.
5 But he's an important witness because you'll also hear
6 things from him that point to Shike being the shooter.

7 The next thing I want to talk to you about is some
8 of the evidence in the case. This is number two. This
9 isn't a case where there's going to be a whole lot of
10 physical evidence but the physical evidence that is
11 provided to you, you'll be able to take back in your
12 jury room and you'll be able to consider it as part of
13 everything in this case. At the end, you'll compare it
14 to the eyewitness testimony, the other testimony from
15 the witnesses from the witness stand, and see what
16 corroboration there is.

17 One of the key pieces of evidence you're going to
18 see during this trial is a video interview of Sha'Quille
19 Washington. He gave a statement the morning that this
20 happened. This happened around 3:30 or 4:00 in the
21 morning. He was at the sheriff's office the next day
22 about 9:00-ish, 9:15-ish, giving a statement as to his
23 recollection of the events. You're going to notice
24 several things in this statement.

25 This statement is going to be very important at the

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

1 end of the trial. I'm going to point out several things
2 to you in that statement at the end of the trial. But
3 while you're watching it, pay very close attention
4 because you're going to hear several details that only
5 the shooter would know. You're going to hear several
6 details that are just going to be Shike putting himself
7 at the scene, himself saying he was there. He's going
8 to say that he was feet away from Herman Manigault right
9 when he was shot. He's going to say he shot -- he saw
10 the shooting. But then he's going to stop. He's going
11 to minimize his involvement.

12 He's going to take himself away from what actually
13 would make it a murder. And that can probably be
14 expected in someone in his shoes. But what you're going
15 to see is a statement where almost everything in that
16 statement is going to be contradicted by everything else
17 that is brought in throughout this case.

18 Other pieces of evidence that you're probably not
19 going to see is not see surveillance. Nobody had their
20 cell phones out recording. The murder weapon was never
21 found. But what you're going to see and hear during
22 this trial, and is also evidence, is the people talking
23 from the witness stand. Testimony from witnesses is
24 evidence, so you're going to have to consider that and
25 judge their credibility throughout the trial.

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

1 The last thing I want to talk to you about is the
2 law in this case. The law is pretty straightforward.
3 He's charged with murder. Murder is defined in the law
4 as the unlawful killing of another with malice
5 aforethought. The judge just told you at the end of
6 this trial she is going to define several legal concepts
7 for you. She's the judge of the law. You are the judge
8 of the facts. So when she gives you the law at the end
9 of the trial, you're going to have to apply what you
10 heard from the witness stand to what she says. That's
11 your job as jurors.

12 What the definition of unlawful killing of another
13 with malice aforethought equals is murder. And what we
14 have here is a pretty self-explanatory definition.
15 Unlawful killing of another. He shot Herman. He killed
16 him. That's pretty self-explanatory. What's going to
17 be in debate some, I imagine during this trial, is going
18 to be the malice aforethought.

19 So what's malice? Malice is an evil heart. It's a
20 wickedness. Was there any bad intention when Shike shot
21 Herman? That's going to be the question in this trial.
22 And if the State can prove those elements, then the
23 State has proven murder.

24 Now, what you're going to see when you come to
25 deliberate at the end of this is that, again, your job

State vs. Sha'Quille Washington
Opening Statement by Mr. West
October 13, 2015

1 is to apply the law to the facts. The facts in this
2 case: took a matter of seconds, but several lives will
3 be forever changed. No one can turn back the hands of
4 time. Arianna and Larry can't unsee what they saw.
5 They can't unhear what they saw [sic]. Shike can't
6 unmurder Herman Manigault. He can't unshoot him. He
7 can't unpull the trigger. But what you're going to
8 notice is that all the evidence that's brought to you is
9 going to lead you to the unquestionable verdict that
10 this defendant is guilty of murder.

11 THE COURT: Mr. Davis.

12 MR. DAVIS: Thank you very much, Your Honor.

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

OPENING STATEMENT

MR. DAVIS: Ladies and gentlemen of the jury, I want to say good morning. I want to introduce myself. I have the pleasure this morning of representing a young man who finds himself where many people in our society find themselves: charged with an offense. You know, if that was the end of the game, we wouldn't need y'all.

This young man is Sha'Quille Washington. He's seventeen years of age. He's in the eleventh grade. Pretty good basketball player, hurt his ACL, Hanahan High School. And he was still in school, and still all indications were that he was going to finish high school. Seventeen years of age.

This is Sha'Quille. Some say Shike. Sha'Quille Washington. He is a human being. Herman Manigault, a human being. I want to start of that premise because it's very important. It took me a while to get where I'm at in life, in reference to age and some maturity or what-have-you. Everyone in this courtroom have a role. A role. The judge have kind of outlined what her role is and I anticipate she's going to do her role and duties as mandated by the Constitution. The solicitor, he's going to do his role. He's going to do what's required of him. And he's kind of outlined to you what he believes he can prove. That remains to be seen.

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 But at the moment, everything is open. We are
2 going to go with what he have said he's able to prove.
3 In that process of what he said he can prove, I want you
4 to understand that the judge has alluded to earlier that
5 the truth that we seek, the justice that we harness, can
6 come from any witness, is what I want you to understand.
7 I'm not going to be at the point that accurately tell
8 you everything the witnesses is going to present.

9 One of the greatest part of our Bill of Rights is
10 the right to cross-examination, the right to confront,
11 the right to question, the right to get the second half
12 of the equation. And so this morning I'm asking you
13 that if some truth is derived, if some truth or some
14 facts that are critical is brought out by cross-
15 examination of supposedly the State witnesses, it
16 doesn't matter. It shouldn't matter.

17 Now, there was a process for each one of you to sit
18 in these respective seats. You know, if I had my choice
19 I would just probably put people I knew on the jury, put
20 my friends and maybe some family, but the system don't
21 allow that. I am very confident in the role that each
22 one of you is going to play, because each one of you
23 have a role, also.

24 And it's just one thing I'm asking. Maybe two. I
25 don't want you to lose sight that Sha'Quille Washington

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 is a person. I think too far -- many times in our
2 society, once we can dehumanize an individual we can
3 blame him, we can treat him in any manner we want to
4 treat him. If we can say he is that punk, or he is some
5 little ant, lack of a better term, then we can do
6 anything with him. And since we can do anything with
7 him, then your job as juror become easier because then
8 you can conclude any bias or prejudice you may have
9 against him. So in this whole midst, I don't want you
10 to lose the point that Sha'Quille Washington is a
11 person..

12 I want you to start at that premise. That's the
13 process for that happened individual who stood in front
14 of me and made the decision to put their hand that they
15 promised to have no friend to reward and no enemy to
16 punish, that you as jurors will do your at most to stay
17 focused, because that's what it's going to require.
18 You're going to have to stay focused. And I don't want
19 you distracted by me. I want you to stay focused right
20 here [indicates]. I like to think of this as my fact-
21 finding chair. Fact-finding chair. This is where the
22 truth lies. Not who called the witness, but what is --
23 what come forth from the witness.

24 So, Mr. Davis, you are asking us to make sure to
25 always remember that Sha'Quille Washington, Herman

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 Manigault, III, these are real people. These are lives
2 being affected. Yes, August the 25th, a birthday party
3 out in the woods, A Place In The Woods. A little light,
4 not a heavily-lighted place. A Place In The Woods,
5 birthday party, will forever be changed in reference to
6 the Manigault family. A birthday party. Today I
7 represent a young man whose life, in your role and
8 capacity as a jury, can forever be changed.

9 I believe in this system. I believe in this
10 system. This is what gets me up every morning, is this
11 system. I believe in it. But I guarantee you the
12 system is only as good as the people and the actors that
13 are in the system. It's only as good as the people who
14 are in the system. And so I know each one of you come
15 with unique obligation this morning. And this week --
16 because some of you in this jury process had some other
17 things that were pressing in your lives. I understand
18 that. And I listened, and the judge listened. But I'm
19 asking you that you're going to have to self-deny
20 yourself in reference to your interest because a life is
21 at stake and it's required that you focus and primarily
22 put all your attention, because I have no magical trick,
23 I have no slight of hand. I am just like you.

24 He says a roadmap, the State says. I like to think
25 of it today that we're on a journey to find out what the

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 truth is. That's it. I am confident I will be
2 satisfied in my heart, the Washington in their heart,
3 the Manigault in their heart, if in this process you
4 make your decision on the truth, on the facts. There
5 are currently in our hearts too many hearts of war where
6 we dehumanize, we blame, and we reach decisions contrary
7 to staying focused on the truth.

8 I don't want anybody to be contrary to their moral
9 constitution. That's not what I'm asking. What I'm
10 asking for this morning is for each one of you who have
11 made the decision to say you want to play the role as a
12 juror this week is to remain focused, remain open-
13 minded, don't get distracted, stay focused, and at the
14 end, at the end, if this journey leads you where I
15 believe it will lead you, your job, your responsibility,
16 your duty, is going to be awesome.

17 See, I've learned over the years that individuals
18 really don't like to stand in judgment of others. It's
19 funny, but we really don't. We really don't like to
20 stand in judgment of others. But when we're put to the
21 test to judge others, we want to be confident that in
22 that judgment process we had all the necessary elements,
23 we had all the necessary facts, we are confident, we're
24 confident, that whatever our decision may be is a
25 decision that we have reached based on facts. You do

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 that for me. You do that for Washington. You do that
2 for the system. You do that for all the citizens of
3 Berkeley County who you represent.

4 I am confident this case is not what it may have
5 appeared, because the judge has shared with you that I
6 did not even have to come before you at this point. I
7 did not have to. This young man, Sha'Quille Washington,
8 is innocent until proven guilty. There should be no
9 predispositions in fact he's a murderer until the facts
10 says he's a murderer. He is innocent until that is
11 proven beyond a reasonable doubt. Not without
12 questioning, but beyond a reasonable doubt. That's the
13 -- that's the test.

14 You know what is the thing about this, also? In
15 our system, he's really not required to testify. He is
16 not required to prove anything. Because sometimes it's
17 hard to prove the innocence. So they're putting the
18 burden on the State of South Carolina, with all its
19 resources, all its resources. That's who Sha'Quille is
20 up against this week, all its resources.

21 So I'm asking each one of you, individually and
22 collectively, to remain focused, listen to everything,
23 and then whatever decision you reach we can live with.
24 But to rush to judgment, to be blind-sided by pictures
25 of blood, of carnage, of injury wound, without the full

State vs. Sha'Quille Washington
Opening Statement by Mr. Davis
October 13, 2015

1 picture, would be a travesty of justice. Thank you.

2 THE COURT: Call your first witness.

3 MR. WEST: Your Honor, may it please the Court.

4 The State calls Larry Jenkins.

5 [Whereupon, Mr. Jenkins enters the courtroom]

6 THE COURT: Sir, please come forward and be sworn.

7 [Whereupon, Mr. Jenkins comes forward]

8 THE CLERK OF COURT: Please raise your right hand.

13 this case will be the truth, the whole truth, and
14 nothing but the truth, so help so you God]

15 THE WITNESS: Yes, ma'am.

16 THE CLERK OF COURT: Please be seated.

17 [Whereupon, Mr. Jenkins takes the witness stand]

18 THE CLERK OF COURT: State your full name. Spell
19 your last name for the record.

20 THE WITNESS: My name is Francis Larry Jenkins.
21 J-E-N-K-I-N-S.

22 MR. WEST: Good morning, Mr. Jenkins. How are you
23 today?

24 THE WITNESS: I'm good.

3 Washington?

4 A. When he bumped into me earlier that night, about
5 around the beginning of the -- when everything when we got in

8 of like just stared us down for a little bit. So that's when
9 the first time I saw him.

10 Q. So you got a good look at him?

11 A. I got a good look at him.

12 Q. All right. Was he with anybody?

13 A. Well, there was a lot of folks there. I don't know

17 A. Yeah.

18 Q. Were you involved in a fight that night?

19 A. Yes, I was.

20 Q. Tell the jury about that.

21 A. Well, towards the end of the night me and my cousin
22 Trey, or Herman, we went outside.

23 Now, when we're going outside I'm thinking, you
24 know, everything is starting to wrap out, we're going to, you
25 know -- thinking about go hanging out with our -- my company

2 I'm thinking about -- you know, see where we're
3 about to go. It was toward like the -- at the entrance of the
4 club where it all kind of happened.

5 He took his shirt off. Once he got his shirt off,
6 I remember him getting stick from behind.

7 Q. All right. I'm going to back you up.

8 A. Uh-huh.

9 Q. You're using he's and stuff.

10 A. Oh. I'm sorry.

11 Q. Could you use the names?

12 A. Okay. I remember when Herman, he took his shirt
13 off, and when he took his shirt off he got stick from behind.

14 Q. What do you mean stick from behind?

15 A. He got hit.

16 Q. How?

17 A. Hit. Just hit from -- hit in the back of his head.

18 Q. Do you know who hit him?

19 A. Huh?

20 Q. Do you know who hit him?

21 A. The one who hit him? Off the bat, no, I do not.

22 I just remember there was two -- you know, there
23 was more than two folks that hit him. And the -- when I say
24 the second dude, that's the guy that I got into it because I
25 wasn't about to let my cousin get jumped. But, yeah.

2 A. Uh-huh.

3 Q. Describe that dude.

4 A. That, I have an issue with because I really
5 couldn't -- because ever since that night, I couldn't describe
6 him because we was getting in -- we was getting into the
7 altercation.

8 It was hard, you know, seeing everything was going
9 on, so I couldn't really describe that gentleman. But towards
10 the end of it, I hear a couple of shots went off after the --
11 you know, me and him getting into it.

12 Q. We'll get into shots.

13 A. Okay.

14 Q. I want to talk a little bit about the fight.

15 A. All right.

16 Q. Did the guy you were fighting, did he have a gun?

17 A. Not that I know of.

18 Q. You didn't get shot?

19 A. I didn't get shot. No, I didn't.

20 Q. And y'all were just wrestling on the ground?

21 A. Pretty much, yes.

22 MR. DAVIS: Object to the leading, wrestling on the
23 ground. Object to leading.

24 THE COURT: Overruled.

25 MR. DAVIS: Okay.

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 A. Okay.

2 Q. [Mr. West] During your fight with this individual,
3 who else was around?

4 A. I remember the defendant, the mister --

5 Q. Mr. Washington?

6 A. Mr. Washington, yes.

7 He was out there. I remember that for a real good
8 fact. Which that's what I remember out of the fight.

9 Q. Was Arianna out there?

10 A. I was in the fight. I don't remember all that.

11 Q. Now, you mentioned the shooting just a little while
12 ago.

13 A. Yes.

14 Q. Tell the jury how that came about.

15 A. Well, with the shooting is I remember I heard a few
16 shots ring out first.

17 Now, the first thing I thought about was checking
18 myself for any stab marks, for any bullet wounds, because, you
19 know, your adrenalin is going on in there so you don't know if
20 you got shot or what happened. So that's the first thing I
21 remember.

22 The next thing I remember after that is seeing my
23 cousin on the ground and seeing Mr. Washington kind of with
24 his right hand over here, kind of shooting towards the ground,
25 like kind of like when you're in school you're trying to throw

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 away a piece of trash, like, you know, you're trying to kind
2 of hide it, and shot towards the ground.

3 I know he at least missed one time because I saw
4 the ground spark up. And I remember like, you know, poppers.
5 When you're like in school, you know the little poppers,
6 you see them spark up? I remember seeing that. That was a
7 very --

8 Q. Well, you said you remember at least three shots.

9 A. Yeah.

10 THE COURT: Was that -- could you answer out loud,
11 please?

12 THE WITNESS: Oh. I'm sorry.

13 THE COURT: Could you respond out loud?

14 Q. [Mr. West] How many shots did you --

15 A. I heard -- I heard a few shots.

16 Before I saw anything, I heard a few shots. That's
17 when I checked myself. I think that was while -- one to two
18 shots I remember on that.

19 And then I saw the -- Mr. Washington shoot at least
20 three more times in the ground while my cousin was on the
21 ground.

22 Q. Okay. Could you describe the gun that you saw?

23 A. It was like a revolver type. The make was silver,
24 is what I remember.

25 He kind of tried to have it kind of concealed in

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 his hand, but I remember it being kind of like a revolver kind
2 of build like how the barrel and everything was.

3 Q. You described earlier how he was shooting.

4 MR. WEST: Your Honor, if I could get him to stand
5 up and describe?

6 THE COURT: You may stand up.

7 A. He was kind of shooting like this, kind of like not
8 really paying attention, just kind of like trying to just
9 shoot like kind of high like that, shooting down with his
10 right hand.

11 Q. [Mr. West] Was he walking towards or away from
12 Herman?

13 A. He was walking away.

14 Q. How close would you say he was?

15 A. Pretty close.

16 He was like I would say from here to here
17 [indicates].

18 Q. Less than a yard?

19 A. Less than a yard.

20 Q. How many shots do you think hit Herman?

21 A. Well, out of the three I saw, I would say at least
22 two. Because as I said, I saw one spark at least.

23 Q. After the shooting, what did you do?

24 A. After the shooting, I ran to my cousin. I sat down
25 and waited for the EMTs.

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 And I know he got shot in the back because I held a
2 Polo hat on one of his wounds on his back.

3 Q. What did the defendant do after the shooting?

4 A. Don't know. He was gone by then.

5 Q. Okay. Did you see him as he left --

6 MR. DAVIS: I'm going to object, Your Honor, as to
7 leading. He said he don't know.

8 THE COURT: Rephrase your question.

9 A. Okay.

10 Q. [Mr. West] You saw the defendant going away from
11 Herman, is what your testimony was earlier?

12 A. Yes.

13 Q. Where did he go?

14 A. It looked like he was going towards a car when
15 he -- after the fact. But as I say, when I ran to him, he was
16 already gone, he already ran off.

17 Q. Did you see where the guy that you were fighting
18 went?

19 A. No, I did not.

20 Q. And who was with you while you said you were
21 holding Herman on the ground?

22 A. Arianna; it was Taj; everybody that was pretty much
23 with us; another light-skinned gentleman. But as I said, I
24 didn't know him. I kind of just came to Charleston at the
25 time.

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 But, yes, definitely for the fact like I remember
2 Arianna holding his head. Most definitely I remember that. I
3 remember Herman, his eye was kind of messed up when he was on
4 the ground.

5 Q. What do you mean messed up?

6 A. Like it was bruised. His eye was bruised.

7 Q. Like he had been hit?

8 A. Like he had been hit, yes.

9 Q. Do you remember any other wounds?

10 A. As I said, the back wound. Definitely he got shot
11 in the back because, as I said, I was holding the Polo hat on
12 his back. I remember that definitely. He was bleeding from
13 the face. Other than that, no.

14 Q. You said you waited for law enforcement to arrive?

15 A. Yes, sir.

16 Q. How long did it take them to get there?

17 A. I would say we were probably out there for a good
18 while. Thirty minutes.

19 Q. So this is a pretty remote area?

20 A. Yes, it's a pretty remote area.

21 Q. When law enforcement arrived, were you still there?

22 A. Yes, I was.

23 Q. Did you talk to law enforcement?

24 A. They were talking to everybody. I didn't really
25 give any type of explanation until I got to the hospital.

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 Q. Did you ever give a statement to police?

2 A. Yes, I did.

3 Q. Was it in writing, or video-recorded, or how did
4 you do it?

5 A. It was in writing.

6 Q. Did the police ever present to you any sort of
7 photo line-up?

8 A. Yes, they did.

9 MR. DAVIS: Your Honor, I'll stipulate that he
10 picked this young man out of the photo line-up.

11 THE COURT: Mr. West?

12 MR. WEST: Thank you, Your Honor.

13 For purposes of the record and introduction of
14 evidence, I'm showing the witness State's Number 41
15 and 42.

16 A. Uh-huh.

17 Q. [Mr. West] Do you recognize these documents?

18 A. Yes, I do.

19 Q. And how do you recognize them?

20 A. They were presented to me by the officers that, you
21 know, talked to me.

22 Like descriptions, or --

23 Q. Is there any sort of identifying marks on either of
24 those documents that would help you identify that those are,
25 in fact, the documents that were shown to you?

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 A. Yes.

2 My initials are on both of these documents; my
3 handwriting, signature on the back; there's my initials on the
4 back; the time that I dated it and the date that I dated it.

5 Q. And as Mr. Davis has already stipulated to, is the
6 person in the courtroom that you picked out of that photo
7 line-up?

8 A. Yes, he is.

9 Q. Did anybody from the sheriff's office ever tell you
10 who to pick or suggest who to pick?

11 A. No, they did not.

12 Q. Is the person that you picked -- what is the reason
13 that you picked him?

14 A. The main reason I picked him is because he had the
15 haircut that night, which was kind of like shaved to the side
16 and on top was kind of messy. I kind of described it like as
17 a high-top, because that was the best thing I could describe
18 it as at the time. But, yes.

19 Plus, he had like a neck tattoo, as well, which I
20 remember. And he had like a white shirt with a -- he had a
21 white shirt with like kind of -- with stuff on it.

22 Q. Does he look any different today than he did when
23 you saw him?

24 A. Yes, he does.

25 Q. How?

Francis Larry Jenkins
Direct Examination by Mr. West
October 13, 2015

1 A. Hair changed.

2 Q. Describe that.

3 A. Well, from that night, as I said, he kind of had
4 the messy hair, kind of shaved on the side, and now he's just
5 got natural hair.

6 Q. How sure are you that defendant is the person who
7 shot your cousin?

8 A. A hundred percent sure.

9 Q. Any doubt in your mind?

10 A. No doubt.

11 Q. Sha'Quille Washington is the person you saw shoot
12 Herman Manigault?

13 A. Yes, I did.

14 MR. WEST: Thank you. No further questions at this
15 time.

16 MR. DAVIS: May it please the Court, Your Honor?

17 THE COURT: Yes, sir.

18 MR. DAVIS: Hey. Good morning, Larry. How are you
19 doing?

20 THE WITNESS: Good morning.

21 MR. DAVIS: You know, I told you yesterday I thank
22 you for your service in the reserves.

23 THE WITNESS: I appreciate that.

24 MR. DAVIS: I told you my son is in the reserve,
25 one of my sons. Okay. Thank you.

CROSS-EXAMINATION

BY MR. DAVIS:

Q. Larry, other than you and I having a discussion yesterday with some things, you and I have never discussed this case?

A. [Indicates negatively]

MR. DAVIS: You've got to say something because --

THE WITNESS: Oh. No.

MR. DAVIS: -- she's got to record everything.

A. No.

THE WITNES: I'm sorry.

Q. [Mr. Davis] We've never discussed this case?

A. No, we have not.

Q. No.

Okay. And, Larry, you know why we're here today; right?

A. Yes, we are.

Q. Yes.

And in that process, you placed your hand on that Bible and you promised to tell the truth, have you not?

A. Yes, I did.

Q. And in direct examination, you have brought out some very poignant facts. Okay?

A. Okay.

Q. You are related, you said first-blood, to Herman

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 Manigault?

2 A. Yes, I am.

3 Q. How old was Herman?

4 A. Twenty years old.

5 Q. Twenty years.

6 I share with you that fellow with the messy, funny
7 haircut, he was seventeen.

8 A. Uh-huh.

9 Q. Now, apparently that night some hotheads were
10 involved, I would say.

11 A. [Indicates affirmatively]

12 Q. Not only had messy haircuts, but there were some
13 hotheads?

14 A. Uh-huh.

15 Q. Do you agree with that?

16 A. I agree with that.

17 Q. Sir?

18 A. Yes, sir.

19 Q. Yeah.

20 And I tell people you've got to be careful what
21 kind of hearts you have. The world is full of people with two
22 type of heart, I would say. But that's not -- the judge is
23 going to stop me in a minute.

24 But some hotheads, you would agree?

25 A. [Indicates affirmatively]

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. Now, you said in the club -- y'all probably got to
2 the club what time, do you think? You said about eleven
3 o'clock?

4 A. About 11:30, later.

5 Q. And, you know, I asked you yesterday, I said when I
6 used to be your age and you go in most African-American clubs,
7 it's kind of dark in there. They partied with the lights out.
8 You know, I don't know --

9 A. Uh-huh.

10 Q. -- about friends on the other side. But we partied
11 in the dark most of the time.

12 So that night at the birthday party for Slim Bubba,
13 tell us how -- what was going on with the lighting inside.

14 A. Oh. The lighting inside? Yes, sir.

15 Well, with the lighting inside, you're right. Yes,
16 the dance part, completely dark.

17 Q. Thank you.

18 A. You are right on that. It was completely dark on
19 the dance part.

20 But towards where the pool hall and where the bar
21 is, that was lit.

22 Q. You could see?

23 A. You could see.

24 Q. You could look in the girl's eye at that party?

25 A. Oh. Yes, you can.

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. You can get your rap on?

2 A. Yes, sir.

3 Q. Okay. Are you married?

4 A. No, I'm not.

5 Q. How old are you?

6 A. Twenty-five.

7 Q. That's okay.

8 You made a reference also, in direct examination,
9 that this guy, Sha'Quille Washington, had a funny, messy
10 haircut that night. He bumped into you; right?

11 A. Yeah.

12 Q. He didn't hit you, but you bumped into each other?

13 A. Yeah.

14 Q. But you felt like it was a bad vibe or something
15 wasn't right?

16 A. Uh-huh.

17 Q. Okay. And then you said on direct examination by a
18 question by the State, you said they stared at us.

19 A. Uh-huh.

20 Q. Now, when the staring is going on --

21 You know, I've got a cat at the house and that cat
22 sometimes stares at a rat a long time before there is any
23 movement. And I don't mean to put people in that. But, you
24 know, there's some rules of engagement.

25 Was he standing alone in the staring process, or

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 was someone else with him?

2 A. That I do not know.

3 Q. That's what you cannot recall?

4 A. That's what I cannot recall.

5 Q. I want to fast-forward a little bit to your
6 testimony on direct examination.

7 There's no question, though, that a fight is taking
8 place?

9 A. Yes.

10 Q. And Herman, bless his soul, took off his shirt?

11 A. Uh-huh.

12 Q. And what did that suggest to you when he took his
13 shirt off?

14 A. Well, once he took his shirt off --

15 Q. Uh-huh.

16 A. -- it wasn't too much to do after that because
17 that's when the fight happened.

18 Q. If you take your shirt off in the park, in the
19 playground, what's going to happen?

20 A. Oh. It's going to be a fight.

21 Q. Thank you. And that's what took place that night,
22 a fight.

23 Now, I want to thank you for your candor and
24 truthfulness on direct examination. I thank you because you
25 said you don't know who struck Herman first? Sir?

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Yes, I did.

2 Q. And that's the truth. You don't know.

3 But you do know this. Once you were on the outside
4 and the fight is engaged, there are apparently either a two-
5 on-one or there's going to be a two-on-two. And tell the
6 ladies and gentlemen of the jury how it becomes a two-on-two.

7 A. It becomes a two-on-two?

8 Q. Uh-huh.

9 A. When another person goes -- gets into -- gets
10 involved.

11 Q. And who is that other person?

12 A. That would have been me.

13 Q. Thank you, Larry Jenkins. Thank you.

14 And so now we have a two-on-two, supposedly?

15 A. Uh-huh.

16 Q. But at one time it apparently suggest itself -- or
17 not suggest -- the facts. The facts were there were, to your
18 assessment, a two-on-one?

19 A. Uh-huh.

20 Q. Now --

21 THE COURT: Is that a yes?

22 A. Yes. Yeah.

23 THE COURT: Thank you.

24 THE WITNESS: Sorry.

25 Q. [Mr. Davis] Now, I got a diagram that I want to

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 share with you. It is not to scale.

2 MR. DAVIS: Judge, could I have this marked for
3 identification Number 2, I would imagine. In lieu of
4 the motion, this will be Number 2. Just a scale for
5 demonstrative purposes, Your Honor.

6 THE COURT: Madam Court Reporter will mark it.
7 Thank you.

8 MR. DAVIS: Thank you very much. Thank you, Judge.

9 [Whereupon, Defendant's Exhibit Number 2 is marked
10 by the court reporter]

11 Q. [Mr. Davis] Young man, I'm going to need your
12 help. I'll tell you, I'm old-school and I ain't got that
13 high-tech stuff so --

14 MR. DAVIS: Y'all got an easel or something I can
15 put this on?

16 And, Judge, I'm going to ask this young man to step
17 down and I'm going to put a pen in his hand and he's
18 going to help me with locations, if I can.

19 THE COURT: Mr. Jenkins is very soft-spoken, so I'm
20 hesitant to let him get too far away from the
21 microphone.

22 MR. DAVIS: We'll just have to stay in this corner,
23 Mr. Jenkins. Okay?

24 [Off the record momentarily]

25 MR. DAVIS: Now, let me get a little marker.

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 Now, son, you're going to have to speak a little
2 louder. Okay?

3 THE WITNESS: Okay.

4 MR. DAVIS: Thank you.

5 Q. [Mr. Davis] We want to say this is the club --

6 A. Okay.

7 Q. -- A Place In The Woods. That's okay?

8 A. Yes, sir.

9 Q. And apparently in the places where there's a
10 division here in some degree --

11 A. Yes, sir.

12 Q. -- do you think you could help me a little bit in
13 there?

14 A. A division?

15 Q. I mean, you know, you remember you said the dark
16 part where the party was going on and the lighted area where
17 you could get a drink and talk to the girls.

18 A. Right around in this area right here.

19 Q. Put a line straight down, please.

20 A. Straight down like this?

21 Q. Yeah, yeah, yeah. Please.

22 A. Right around here.

23 MR. DAVIS: I got to start -- man, I need a better
24 pen than that. I've got to do better than that. I need
25 a marker.

Francis Larry Jenkins

3 A. Right here?

4 Q. [Mr. Davis] Yeah. Straight up. So --

5 A. Right around there.

6 Q. And that area over here is the lighted area?

7 A. No, no. That's the dark area.

8 Q. So we've got a small dance area?

9 A. Yeah, with a -- I think we had a stage, too.

10 Q. A stage?

11 A. Yeah.

12 Q. Now, this is the whole club. What's all over here?

13 A. I'm sorry.

14 Q. Okay. Come on.

15 A. And over here in this area right here was --

16 Q. The bar.

17 A. -- the lit area.

18 Q. You get a drink --

19 A. Hold on. I'm sorry. You want me to --

20 Q. I'm telling you, you really working. Thank you.

21 MR. DAVIS: I need another marker. Black,
22 preferably. Okay.

23 THE COURT REPORTER: Speak up.

24 THE WITNESS: Oh. Sorry.

25 THE COURT: Madam Court Reporter, are you having

2 THE COURT REPORTER: A little bit.

3 MR. DAVIS: This is important, Judge.

4 Okay. Thank you, sir.

5 THE WITNESS: All right.

6 Q. [Mr. Davis] So retrace the area where you --

7 A. This is the lit area over here, all in this area.

8 THE COURT: Mr. Jenkins, could you pull that
9 microphone to you? Thank you.

10 THE WITNESS: Does that work?

11 A. Okay. Yes, this is where the lit area was.

12 Q. [Mr. Davis] And over in this area, you can buy
13 drinks?

14 A. Yes.

15 Q. Alcohol?

16 A. Uh-huh.

17 Q. Y'all are old enough to buy drinks?

18 A. Uh-huh.

19 Q. And y'all were drinking that night?

20 A. I was.

21 Q. You were. Okay.

22 Any of that funny stuff? Marijuana?

23 A. No.

24 Q. You didn't see none of that?

25 A. No.

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 Q. You didn't see any?

2 A. No, because I won't allow it in my vehicle.

3 Q. Okay. Thank you.

4 But there's no question this is the drinking area?

5 A. This is, yes.

6 Q. Okay. And over here you dance?

7 A. Yes.

8 Q. Now, this is a little stoop. Put stoop on there
9 for me.

10 A. Stoop?

11 Q. Yeah. That's the entrance and exit, apparently.

12 A. Yes, sir.

13 Q. Any back door to the place?

14 A. Any back door?

15 Q. If it is, you don't know where it's at?

16 A. Yeah.

17 Q. Right?

18 A. Yeah.

19 Q. So this little stoop is to the front. And the door
20 is centered; right?

21 A. Right.

22 Q. Yeah.

23 Now, when y'all made your departure to leave --
24 we'll come back to this just a little later -- made your

1 that stoop; right?

2 A. Yes.

3 Q. Now, when you were leaving and the fight was going
4 on, how far were y'all from the stoop?

5 A. How far --

6 Q. Yeah.

7 A. -- from the stoop?

8 Because I remember vehicles were in there, like two
9 vehicles.

10 Q. And I will stop you right there. Thank you for
11 your honesty again.

12 A. Uh-huh.

13 Q. There apparently was a parked van right here?

14 A. Yes.

15 Q. Right?

16 A. Yes.

17 Q. Okay. Let's put -- I'll put van on there. You
18 agree with that?

19 A. Yes.

20 Q. And then there was apparently a vehicle over here?

21 A. Yeah.

22 Q. And so my question to you, Larry --

23 A. Uh-huh.

24 Q. -- how far from the club did the fight, or you
25 recall, the fight started in distance?

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 A. I would say about like right there [indicates].

2 Q. Right there. But on this side or that side?

3 A. On that side. Because when everything took place,
4 I remember pushing Buddy into the vehicle.

5 Q. So you believe on this side?

6 A. Yes.

7 Q. Instead of right here?

8 A. Yes.

9 Q. Okay. That's important.

10 I want you to initial that. Put Larry Jenkins,
11 L.J., there. That's what you recall. Okay?

12 Now, Larry, you will admit that that's about ten
13 feet, twelve feet, away from the club?

14 A. From the club?

15 Q. I mean, from the entrance to the door.

16 A. The club.

17 Q. And the stoop? Sir?

18 A. And the stoop.

19 Q. Yeah.

20 And tell the jury what type of lighting you recall
21 out there.

22 A. Well, for outside?

23 Q. Yes, sir.

24 A. Well, there was a couple of streetlights out there,
25 so it was pretty good.

Francis Larry Jenkins,

2 A. Yeah.

3 Q. Okay. And two of these lights?

4 A. Uh-huh.

5 Q. So it was pretty good?

6 A. It was pretty good. I could see the whole parking
7 lot.

8 Q. Okay. Thank you.

9 Now, can you give the jury, the juror, a
10 description of the guy that you grabbed? And on direct you
11 said you was tussling with him on the ground, I guess. Tell
12 me -- give me a description of him.

13 A. A description of the gentleman?

14 Q. Yeah.

15 A. The only thing I can say, he was taller than me.

16 Q. All you can say is what?

17 A. He was taller than me.

18 Q. You can't recall anything else specific about him?

19 A. No, I cannot.

20 Q. And you notice the prosecutor asked another
21 question. He said could you tell whether he had a weapon or
22 not.

23 A. Yes.

24 Q. And your response was you could not; right?

25 A. No, I couldn't.

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. Matter of fact, you didn't even supposedly would
2 have known that this young man had a weapon until you say he
3 presented one and started shooting down to the side. Isn't
4 that true?

5 A. That is true.

6 Q. Now, this is the question for you, son. When the
7 shooting started, you said your immediate concern was who?

8 A. My cousin.

9 Q. Well, let me take you back to your direct
10 examination again.

11 You said your immediate concern was to check
12 yourself.

13 A. Oh.

14 Q. Larry?

15 A. You're right.

16 Q. I know I'm right. Thank you, though.

17 Was to check yourself. And, you know, there's
18 nothing wrong with that. That's the smart thing to do was to
19 check yourself, because some shots had been fired; right?

20 A. Right.

21 Q. Now, I want you to -- I want you to take it through
22 this slowly. After you checked yourself, what happened to the
23 guy you were holding?

24 A. Don't remember.

25 Q. Sir?

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 A. Don't remember.

2 Q. You don't remember.

3 Do you have any visual on him after you checked
4 yourself?

5 A. No, I do not.

6 Q. You do not.

7 Because your attention then is to this kid,
8 Sha'Quille Washington, who is pow, pow, pow, down to the
9 shoulder of his leg; isn't that true?

10 A. Well, after I was looking for my cousin, yes.

11 Q. That's right.

12 Now, Larry, my wife tells me sometime I think I
13 know everything. I hope that's not the case. I've never been
14 involved in combat. I don't know how I will respond, or
15 anyone respond, when bullets are flying. Do you agree with
16 that?

17 A. Uh-huh.

18 Q. I know you're in the military so they kind of train
19 you a little different than most of us. Okay? But even in
20 your training that night, you will admit that your primary
21 focus, after you heard those shots, were to check yourself,
22 weren't you?

23 A. Yes, sir.

24 Q. After that, you scanned the battlefield, for lack
25 of a better word --

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 A. [Indicates affirmatively]

2 Q. -- because that's what it had become, the
3 battlefield. And then you saw this young man with a weapon.
4 And it is your testimony, sir, that you believe he shot your
5 cousin, your first cousin?

6 A. Well, ninety-five percent. Right.

7 Q. Ninety-five percent?

8 A. I don't believe. I know.

9 Q. You can't say a hundred percent.

10 A. [No response]

11 Q. You know, son, I -- Larry, I thank you for your
12 candor and truth. Thank you.

13 Now, the State didn't ask you this, so I'm going to
14 ask you this because I -- we're on this journey for the truth.
15 Was there security personnel out there?

16 A. Was there security personnel out there?

17 Q. Yeah.

18 A. At the club? Well, there was somebody that pat me
19 down so if that counts as security, then, yes.

20 Q. For a pat-down?

21 A. Yes.

22 Q. But you didn't go through the kind of security you
23 come to here in Berkeley County this morning?

24 A. No.

25 Q. Through a metal detector?

Francis Larry Jenkins
Cross-Examination by Mr. Davis

1 A. No.

2 Q. Now, you had to pay to go into that birthday party?
3 Or was it free?

4 A. Well, actually, Herman paid for me.

5 Q. Herman did. So you had to pay?

6 A. Yes.

7 Q. Now, who had the fancy of this young lady by the
8 name of Coakley? Whose date was that?

9 A. That was Herman's.

10 Q. Herman's.

11 Did you know how long they had been associated with
12 each other?

13 A. Well, since I got here, I knew they were pretty
14 serious.

15 Q. How long had you been here?

16 A. Well, at that point, I came in -- I came to
17 Charleston right around about July.

18 Q. July. This happened in August?

19 A. Uh-huh.

20 Q. So about a month; right?

21 A. [Indicates affirmatively]

22 Q. And from your own personal knowledge, this Coakley
23 girl, she lived in the places of -- A Place In The Woods
24 vicinity, or she lived some other place?

25 A. She lived some other place.

1 Q. Huh?

2 A. She lived some other place.

3 Q. Some other place.

4 A. Uh-huh.

5 Q. But she has contact, apparently, with this area.

6 A. [No response]

7 Q. Did you know Slim Bubba, the birthday guy, the
8 rapper?

9 A. Kind of sort of. He tried to have me promoted.

10 Q. As a promoter?

11 A. Yeah.

12 He tried to get me -- he gave me a whole stack of
13 flyers.

14 Q. And the events of that night still haunts you, does
15 it not?

16 A. Yes, it does.

17 Q. You didn't go out to A Place In The Woods that
18 night looking for a fight, did you?

19 A. No, I didn't.

20 Q. I know you didn't.

21 And if I accept your testimony, Larry, and the jury
22 accept your testimony, we've got about six shots going off at
23 this place; true?

24 A. Five to six.

25 Q. Five to six.

Francis Larry Jenkins
Cross-Examination by Mr. Davis
October 13, 2015

1 And there's no question that you disagree on the
2 ninety-five percent or what percentage that you saw this young
3 man take off running after? Sir? You saw him take off?

4 A. I saw him take off.

5 Q. Law enforcement arrived, secured the scene, I hope.
6 But they didn't take a statement from you that night, did
7 they?

8 A. They didn't take a statement from me at the club.
9 They took a statement from me at the hospital.

10 Q. Your testimony on direct, you didn't see where
11 Larry Kinloch, whose name was -- I guess it was number five on
12 this board, statement, Larry Kinloch. You didn't see where he
13 go, where did he went?

14 A. No, I did not.

15 Q. And you can't tell this jury whether or not he had
16 a weapon or not?

17 A. Couldn't tell.

18 Q. Now, they were no beef -- I'm going to try to be
19 part of your generation -- beef between you and Mr. Washington
20 before August the 25th, 2013, two years ago? Sir?

21 A. Didn't even know him.

22 Q. Didn't even know him.

23 Do you have any knowledge you can share with this

25 Herman Manigault?

2 Q. Wouldn't tell you.

3 Well, a common thread in this, though, could be --
4 I'm going to ask you, could it be Ms. Coakley?

5 A. I wouldn't be able to tell you.

6 Q. Wouldn't be able to tell me.

7 Were there a lot of other people inside the club?
8 How many people do you think were in the club? Just an
9 estimation..

10 A. Just an estimation? Thirty-five or forty.

11 Q. Thirty-five or forty people.

12 And the stare-down is on you in the direction of
13 Ms. Coakley and Ms. Lockwood and Herman Manigault; isn't that
14 true?

15 A. I wouldn't say that, because I don't even know if
16 they were paying -- even paying attention at first.

17 Q. But you were?

18 A. I was.

19 Q. Y'all had been drinking?

20 A. I had a drink, yes.

21 Q. Witness anybody else drinking?

22 A. No.

23 Q. You didn't? You didn't have a drink with your
24 first cousin?

25 A. No. No. I won't let that happen in my car.

5 Well, you were drinking and you the driver. I
6 mean, come on, Larry.

7 A. No. I had a drink at the party.

8 Q. At the party.

9 My question, again, Larry: did you witness him
10 doing any drinking?

11 A. My cousin? No, I didn't witness him doing any
12 drinking.

13 Q. At all that night?

14 A. No.

15 Q. What time did you meet your cousin down there?

16 A. What time?

17 Q. Yeah. What time did you get up with your cousin?

18 A. Well, we got up about round about ten o'clock. He
19 knocked on my window, told me, hey, let's go, let's go to the
20 A Place In The Woods, you know. First time out. Just, you
21 know, out there.

22 Just wanted to have fun. I never know -- never

5 A. We didn't purchase anything. We just picked up --

6 A. You met the girls at the Kangaroo?

8 Q. Well, let me ask you this question, then. Did you

10 A. No. No, I didn't.

REDIRECT EXAMINATION

BY MR. WEST:

Q. Mr. Jenkins, that was a long cross-examination so I'm going to hit a couple of points here.

Specifically, I want to talk about the fight.

A. Okay.

Q. You don't know, by name, who you were fighting; correct?

A. No, I do not.

Q. When you were fighting this person, would it have been physically possible for that person to shoot anybody?

A. Not at that point, no.

Q. And you say that there was going to be a fight outside. Did anybody else bring a gun to the fist-fight?

A. No, we didn't. Just us.

Q. Just Shike?

A. Just Shike.

Q. Shike brought a gun to a fist-fight?

MR. DAVIS: Your Honor, I ask that they don't point at the young man in that regard, please.

THE COURT: He is allowed to do that. Thank you.

Q. [Mr. West] And there were some questions about drinking. If Herman was drinking, does that change who shot him?

A. No, it doesn't.

5 Q. Is there anything Mr. Davis asked you that would

A. No.

Q. We are here about what?

A. Facts.

Q. Thank you.

And you have shared with the jury, in relationship to the facts, that you cannot say with one hundred percent certainty that this kid shot Mr. Jenkins [sic]; isn't that true?

A. You talking about my cousin, Mr. Manigault?

Q. Uh-huh.

A. I can a hundred percent say he shot my cousin.

Q. So your ninety-five percent was not what you said earlier?

A. Well, the ninety-five percent I said earlier --

Q. Yeah.

A. -- as in where we were going in regards with it?

Q. Son, I just want the truth. That's all I'm trying to get.

You said you weren't -- you said you were about ninety-five percent certain. The solicitor stood up and asked you, said, well, did anything Mr. Davis said change your opinion. I ask you a question pointedly --

10 A. At Kangaroo on Rivers.

11 Q. Okay. So they picked you up from the gas station.

5 Q. What do you know him as?

6 A. Shike.

10 A. [Indicates affirmatively]

5 A. What contact?

6 Q. With Larry Kinloch.

7 A. He just walked up to me.

8 Q. Do you remember if Shike was with anybody else?

9 A. No.

10 I just saw him and Larry. They were together the
11 week before, too.

12 Q. And you and Herman and Larry Jenkins and Taj were
13 together the whole night?

14 A. Yes.

15 Q. Okay. Do you remember a shooting occurring?

16 A. Yes.

17 Q. Right before the shooting, tell the jury what
18 happened between you and Shike.

19 A. Herman kept coming up to me, while we were at
20 A Place In The Woods, saying that Shike keep looking at him.
21 I told him not to pay it attention because Shike is a little
22 boy and just leave it alone.

23 And Herman went outside. And like a little while I
24 saw Shike and his uncle went behind him so I followed them,
25 too. And they just been standing. And I couldn't hear what

1 Shike said to Herman but I hear Herman say, what's up. And
2 Shike started hitting him with his left hand.

3 At the time, I didn't know he had a gun. But he
4 turned around and he put the gun in my face and he looked at
5 me and he say, I ain't playing, I ain't playing. And I backed
6 up to the door. And he jumped down and ran around. And
7 before I could get to the ground and see what was going on, I
8 heard four gunshots.

9 Q. He put a gun in your face?

10 A. Yes.

11 Q. Describe the gun.

12 A. Probably about that [indicates] big.

13 It was small enough to fit in his hand, because I
14 couldn't see it at first when he was hitting Herman.

15 Q. What color was it?

16 A. It was silver.

17 Q. Do you remember the difference between -- or do you
18 know the difference between a revolver and semiautomatic
19 weapon?

20 A. Yes.

21 It wasn't an automatic, because it has a skinny
22 thing. That's a revolver.

23 Q. So the -- clarify that for me. Clarify that for
24 me. You said it was an automatic but it's a revolver.

25 A. I said it's not an automatic because --

2 A. -- because the silver thing is a revolver. I know
3 the difference.

5 A. Yes.

6 I can't forget somebody putting a gun in my
7 face.

8 Q. What did you think he meant by saying, I'm not
9 playing?

10 A. Clearly he wasn't playing about shooting Herman,
11 because he repeated it twice and looked me in my face.

12 Q. You didn't actually see the shots, though, did you?

13 A. No, because at the same time, I was walking up
14 fast.

15 Q. Now, before the shots, you said you saw Shike hit
16 Herman. Where did he hit him?

17 A. He hit him on the side of his face. And Herman
18 started sliding down to go away, and he continued to hit
19 Herman.

20 And I guess he saw me about to hit him with the
21 Heineken bottle and the next thing I know, he has gun in my
22 face telling me he's not playing.

23 Q. How many times did Shike hit Herman?

24 A. About twice. I only saw him hit him twice.

25 Q. And one was in the eye. Where was the other one?

2 Q. Okay. Where was Larry Jenkins?

3 A. Here.

4 Q. Okay. That's when everything first started?

5 A. Yes.

6 Q. How about Larry Kinloch?

7 A. He was on the other side of Larry. Here.

8 Q. Did you see Larry Jenkins and Larry Kinloch
9 fighting?

10 A. Uh-huh.

11 I believe Larry Kinloch hit the other Larry right
12 after Shike started hitting Herman.

13 Q. Okay. Who initiated the fight? Who hit who first?

14 A. Shike.

15 Q. Shike threw the first punch, if you will?

16 A. Hit Herman first. Yes.

17 THE COURT: Ms. Coakley, I'm going to need you to
18 speak loudly. Can you pull that microphone a little
19 closer to you? Thank you.

20 Q. [Mr. West] Where on that picture did Shike point a
21 gun in your face?

22 A. On the stoop.

23 Q. After he pointed the gun at your face, what was
24 your reaction?

25 A. I dropped the Heineken bottle in my hand and I

1 put my hands up. And I started backing up slowly towards
2 the door, and he stood there long enough for me to touch the
3 door.

4 Q. Were you scared?

5 A. Yes. I was very scared.

6 Q. Now, when Larry Kinloch and Larry Jenkins were
7 fighting, does the fight move or does it stay on the stoop?

8 A. It moved.

9 Q. Okay. Where did it move?

10 A. Here. I couldn't see, but I could hear the gravel.

11 Q. Right.

12 How about the dispute between Shike and Herman?
13 Where did that move?

14 A. [Indicates]

15 Q. In there? Towards the --

16 A. In here.

17 Q. -- front of the van?

18 A. Uh-huh. He ended up over here.

19 Q. I'm going to give you a different angle, okay, in
20 State's Number 4. Is that a different vantage point where you
21 would have been standing from? Is that from the stoop --

22 A. Uh-huh.

23 Q. -- looking towards Hammond Corner Road?

24 A. That's a different -- I wasn't standing at that
25 angle. I was more to the right side of the van.

Arianna Coakley
Direct Examination by Mr. West
October 13, 2015

1 Q. You were more to the right side of the van?

2 A. Uh-huh.

3 Q. And that van is the same van that was there the
4 whole time?

5 A. Yes.

6 Q. And that's a picture from the stoop. Is the club,
7 A Place In The Woods, behind you?

8 A. Yes, sir.

9 Q. So just for clarification of the record. That's on
10 the stoop, in front of the club, facing Hammond Corner Road?

11 A. Yes, sir.

12 Q. After Shike pointed the gun in your face and said,
13 I'm not playing, where did he go?

14 A. He jumped down off the stoop and went around the
15 right side of the van.

16 Q. And that van you said would have obstructed your
17 view so you couldn't see the shots?

18 A. Uh-huh.

19 Q. But you heard shots?

20 A. Yes.

21 Q. When you heard the shots, what was your first
22 reaction?

23 A. I started panicking.

24 I just thought like, I hope he didn't shoot Herman;
25 Lord, don't let it be Herman.

Arianna Coakley
Direct Examination by Mr. West
October 13, 2015

1 Q. And when the shots stopped, what did you do?

2 A. I paused, and then I went around the road to see
3 where was Herman.

4 Q. Did you see Shike leave?

5 A. [Indicates negatively]

6 Q. No? Did you see Larry Kinloch leave?

7 A. No.

8 Q. Do you know how they got there?

9 A. No.

10 Q. Did you stay on scene until Berkeley County
11 sheriff's deputies arrived?

12 A. Yes.

13 Q. How long would you say that was?

14 A. About fifteen minutes.

15 Q. Where were you while you were waiting?

16 A. By Herman.

17 Q. What were you doing?

18 A. I had his head between my leg and I was rubbing his
19 head. And I had my hand in his face so I could feel his
20 little breath, if he still was breathing or not.

21 Q. Could he talk?

22 A. [Indicates negatively]

23 Q. And sheriff's deputies arrived fifteen minutes
24 after. Did you stay there while the sheriff's deputies were
25 there?

Arianna Coakley
Direct Examination by Mr. West
October 13, 2015

1 A. Uh-huh.

2 Q. Did you ever leave?

3 A. After they pulled him away in the EMS I left.

4 Q. Where did you go?

5 A. To his mother's house to let her know what happened
6 to him.

7 Q. You had to deliver the news?

8 A. Yes. Because he had my cell phone on him and my
9 ID.

10 Q. Who went with you?

11 A. Me, Larry, Taj, and Drequan.

12 Q. And after you delivered the news, did you ever
13 speak with police?

14 A. Yes.

15 Q. When you spoke to police, did you give a statement?

16 A. Yes, I did.

17 Q. In that statement, did you ever make any
18 identifications?

19 A. Yes.

20 Q. And what -- who is the person you identified as the
21 shooter? who you thought was the shooter?

22 A. [Indicates]

23 Q. You're pointing.

24 A. Shike.

25 Q. Shike. The defendant?

Arianna Coakley
Direct Examination by Mr. West
October 13, 2015

1 A. Yes.

2 Q. Were you ever presented with a photo line-up of any
3 kind?

4 A. Yes. Several --

5 MR. DAVIS: If we could, Your Honor -- let me cut
6 him off, because we'll stipulate that she picked him out
7 of a line-up, they knew each other.

8 MR. WEST: Okay.

9 Then upon the stipulation of defense counsel, we
10 would enter State's Number 39 and Number 40.

11 THE COURT: Without objection?

12 MR. DAVIS: No objection, Your Honor.

13 THE COURT: State's 39 and 40 into evidence without
14 objection.

15 MR. DAVIS: That's -- let me see 39 and let me see
16 40. I don't want no --

17 [Whereupon, Mr. Davis reviews documents]

18 MR. DAVIS: Okay.

1 Q. Is there any sort of markings or identifications
2 that would help you to recognize them?

3 A. Recognize who I identified?

4 Q. Right.

5 Any signatures or markings that you would have
6 made?

7 A. [No response]

8 Q. Did you circle anybody? Or sign it? Yes?

9 A. I circled there.

10 Q. Okay. You circled Shike?

11 A. [Indicates affirmatively]

12 Q. And you signed under it?

13 A. Yes.

14 Q. And also in State's Number 40, were you advised of
15 anything before you made the identification of the defendant?

16 A. No.

17 Q. Well, let me clarify. The sheriff's office didn't
18 tell you who to pick; is that correct?

19 A. Yes.

20 Q. Did they suggest anybody or --

21 A. No.

23 A. No.

24 Q. You picked Shike because Shike was the person that

1 A. Yes. That's right.

2 Q. Is there any doubt in your mind that the defendant

4 A. No. I know he's the person.

5 MR. WEST: Thank you, Your Honor. No further

CROSS-EXAMINATION

BY MR. DAVIS:

Q. Ms. Coakley?

A. Coakley.

Q. Yeah, Coakley.

Okay. You and I met for the first time yesterday;
right?

A. Yes.

Q. Ma'am?

A. Yes.

Q. Very brief. I just introduced myself; isn't that
correct?

A. Yes.

Q. Now, would it be fair to say that things that you
told law enforcement earlier, in relationship to August the
25th, 2013, would tend to be more accurate than things that
you recall today?

A. I'm sorry. Could you repeat that?

Q. Let me put it like this. Would it be fair that
things that you told law enforcement early on, August the
26th, 25th, of 2013, would tend to be more accurate than
things that you are testifying to today because they were more
fresher in your mind?

A. So what you're asking me is what I told them August
26th is more accurate than what I'm saying today?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. Would tend to be more accurate. Yes, ma'am.

2 A. No.

3 Q. When you gave a statement earlier by video, they
4 asked you who was the guy and you shared with them that you
5 actually had to go and find out the name of the individual.
6 That was not true, isn't that?

7 A. No.

8 Q. You knew the guy when you referenced in the video
9 that --

10 Wait a minute. Wait.

11 A. Okay.

12 Q. Okay. Thank you.

13 -- you knew the guy that went outside --

14 A. Uh-huh.

15 Q. -- with, or after, Shike was Larry Kinloch? You
16 knew that; right?

17 A. Uh-huh.

18 Q. So when you told the officers that you were going
19 to secure the name of that guy, that black guy that went out
20 with the black shirt, you knew at that time that that guy was
21 Larry Kinloch, didn't you?

22 A. No.

23 Q. Why wouldn't you? This is the same guy you
24 testified direct testimony a few minutes ago was the guy that
25 approached you a week earlier and tried to hit on you; isn't

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 that true?

2 A. Yes.

3 But I never said that he shot -- that he was the
4 person that shot Herman.

5 Q. We're not talking about shooting. This is what
6 we're talking about. We're talking now about identification.
7 You --

8 A. Who said that I --

9 Q. -- were talking to law enforcement earlier. You
10 gave two statements. You did two separate things. You gave a
11 written statement and then you did one by audio --

12 A. Sir, my story has not changed.

13 Q. Let me finish.

14 My question is in the audio you described, as if
15 you didn't know, Larry Kinloch when in fact you knew Larry
16 Kinloch; isn't that true?

17 A. No.

18 Q. Okay. You knew this much: that Larry had hit on
19 your earlier --

20 A. And that is all I know --

21 Q. -- and that was the reason --

22 A. -- that I didn't know him personally.

23 Q. Was that the reason for the stare-down? You? Were
24 you the reason?

25 A. Was the reason for what stare-down?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. For the stare-down inside the club.

2 A. No, I was not the reason for the stare-down inside
3 the club.

4 Q. Let me ask you this question. Was Larry Kinloch
5 standing beside Sha'Quille Washington at any time? the little
6 boy you described in your testimony a few minutes ago?

7 A. [No response]

8 Q. Do you understand my question?

9 A. Who's the little boy?

10 Q. You said the little boy. You said don't mess with
11 that --

12 THE COURT: Ladies and gentlemen, this is a
13 courtroom. It is a place of honor, dedicated to the
14 protection and preservation of citizens' rights. This
15 is not a living room, it is a courtroom. If you cannot
16 conduct yourselves accordingly, my deputies will escort
17 you outside and we will handle the matter later. This
18 is my final warning.

19 Q. [Mr. Davis] On the day when you talked to
20 Detective Wilson and Shuler, do you --

21 A. Are you asking me if Larry was standing by Shike?

22 Q. Yes.

23 A. Yes. But --

24 Q. And then -- thank you.

25 THE COURT: Mr. Davis, Ms. Coakley, I understand

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 what you're trying to do. But she --

2 MR. DAVIS: I'll slow down, Judge. I promise.

3 THE COURT: Please, you've got to --

4 MR. DAVIS: I promise. I promise.

5 THE COURT: -- quit talking over people --

6 MR. DAVIS: I promise. I promise.

7 THE COURT: -- Mr. Davis --

8 MR. DAVIS: I promise.

9 THE COURT: -- just like you're doing now.

10 Ms. Coakley, if you could please wait until he
11 finishes his question, before you respond so that we have
12 a complete record. My court reporter is trying very
13 diligently to write down what you are saying, as well as
14 what Mr. Davis is saying. Thank you.

15 MR. DAVIS: Thank you, Judge.

16 THE WITNESS: Yes, ma'am.

17 Q. [Mr. Davis] And in the videotape, you told law
18 enforcement Herman says why is that guy staring at me. Didn't
19 you tell them that?

20 A. No, I did not. I said Herman said Shike keeps
21 looking at me.

22 Q. Oh. Looking at me. Okay.

23 A. Yes.

24 Q. And Herman says, I'm going to snap in a minute.
25 That's what you said; isn't that true?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Yes, about the third time he approached me saying
2 that Shike keeps looking at him.

3 Q. And he said, I am going to snap in a moment.
4 Didn't he say that?

5 A. Yes, he did.

6 Q. Now, and was Herman and Larry Jenkins at the club
7 earlier that night before they picked y'all up?

8 A. Yes, they were.

9 Q. Do you know what transpired earlier that night
10 before they picked you up?

11 A. No.

12 Q. Okay. So you don't know what happened before you
13 were picked up from the Kangaroo? You, Taj, and another
14 individual at the Kangaroo; right?

15 A. [No response]

16 Q. You don't know what happened at the A Place In The
17 Woods before you got there; isn't that true?

18 A. It is.

19 But if something had happened --

20 Q. My question is --

21 A. -- he would have --

22 Q. -- my question is --

23 A. -- say something.

24 Q. You can answer this question. Do you know what
25 happened before you got there?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. No.

2 Q. And there's no question that Herman Manigault, III,
3 and Larry Jenkins, the first cousin, they were there before
4 and earlier; isn't that true?

5 A. Yes.

6 Q. Now, when you got there was Shike, Sha'Quille
7 Washington, who you recognized as don't worry with that little
8 boy -- you told Herman that -- was he already there when you
9 got there?

10 A. Yes, he was already there.

11 Q. What time did y'all got -- arrive there?

12 A. It was between 2:30 and three o'clock.

13 Q. And y'all were drinking, were you not?

14 A. They were drinking. I didn't get to finish my
15 drink.

16 Q. You said I don't -- you know, Herman, I don't drink
17 no straight liquor; right?

18 A. I never got a chance to finish it, so, no, I was
19 not drinking. A drink --

20 Q. This is --

21 A. -- was made for me.

22 Q. You told law enforcement on your video, now, you
23 know, Herman, I don't drink straight liquor. Didn't you say
24 that?

25 A. Yes. I just mentioned that.

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. And was Herman drinking?

2 A. Yes.

3 Q. Now, did you witness with your own eyes Herman
4 Manigault, III, taking his shirt off outside before the fight?

5 A. No.

6 MR. DAVIS: Thank you. No --

7 Q. [Mr. Davis] But I know -- stop.

8 A. -- his shirt was on.

9 Q. You didn't -- stop. Stop.

10 THE COURT: Okay.

11 MR. DAVIS: Be responsive --

12 THE COURT: Mr. Davis --

13 MR. DAVIS: -- to the question, Your Honor.

14 THE COURT: Please let her finish.

15 THE WITNESS: I wasn't finished answering.

16 MR. DAVIS: Okay.

17 THE WITNESS: You were -- you interrupted me.

18 MR. DAVIS: Go ahead. I'm sorry. I apologize. Go
19 ahead, Ms. Coakley. I'm sorry.

20 A. No, I did not see Herman take his shirt off, but I
21 know when Shike hit Herman he had his shirt was on. His shirt
22 was on when I saw him walk outside and Shike followed him a
23 little while later. Next question?

24 Q. [Mr. Davis] I didn't ask you -- Ms. Coakley?

25 A. Yes.

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. You picked up a Heineken bottle. What is a
2 Heineken bottle made of? Material?

3 A. Glass.

4 Q. Can you administer great bodily injury with a glass
5 instrument?

6 A. If you hit the person hard enough, yes.

7 Q. And you had that in your hand, about to strike this
8 young man, the little boy, Sha'Quille Washington, when he
9 turned around and defended himself with a gun in your
10 direction, did he not?

11 A. Yes.

12 Q. Had he did anything to provoke you striking him
13 with a bottle that administer great bodily injury to him?

14 A. Yes.

15 Q. What had he done to you, ma'am?

16 A. He was hitting my boyfriend.

17 Q. Oh. He was hitting your boyfriend?

18 A. Uh-huh.

19 Q. Okay. What was your boyfriend doing with his shirt
20 off?

21 A. I told you, sir, his shirt was on when Shike hit
22 him. His shirt was never off. It was on.

23 Q. Now, this is the question again. Were you outside
24 with Herman before Larry Jenkins was outside with him?

25 A. No, I wasn't.

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. So Larry Jenkins went outside before you came
2 outside?

3 A. Herman and Larry walked outside before I did,
4 because I went outside after I saw Shike and Larry Kinloch
5 immediately on their trail. Make sense?

6 Q. What makes sense is -- strike.

7 Now, did you -- you're under oath -- witness this
8 young man shoot anyone?

9 A. No, I did not.

10 Q. Thank you. Now, I want to --

11 MR. DAVIS: I need that easel again. I'm going to
12 come -- I need to get a little close. Okay?

13 Q. [Mr. Davis] This is Defendant's Exhibit Number 1
14 [sic]. It's not to scale.

15 A. Uh-huh.

16 Q. Inside the club, you know, the dancing area, was it
17 lighted or was it dark?

18 A. It wasn't lit and it wasn't dark.

19 Q. It wasn't lit and it wasn't dark. So what was it?

20 A. You could still see, but it wasn't completely lit.
21 It wasn't lit, neither was it dark.

22 Q. Was there area in the club, A Place In The Woods,
23 where you could actually go and buy drinks and it was -- had
24 more lighting than the dancing area?

25 A. The pool area was lit. Where you buy the drinks it

Arianna Coakley

1 was not that lit, but you were still able to see very well.

2 Q. So where you buy the drinks from was not that very
3 lit. It wasn't lighted properly?

4 A. [No response]

5 Q. I just want to -- we're just trying -- I'm just
6 trying to find out, please. I wasn't there.

7 Where the drinks are sold, was there proper
8 lighting there or was it not? Ma'am?

9 A. Yes.

10 Q. Yes what?

11 A. It wasn't properly lit.

12 Q. Okay. Now, the dance floor, was it dark or was it
13 properly lit?

14 A. It was dark.

15 Q. Ma'am?

16 A. Dark.

17 Q. Okay. Thank you.

18 Now, I'm pointing to this exhibit. And there's
19 been some discussion about it. I apologize if it's not as
20 large as it should be. But would it be fair to say that this
21 is the stoop?

22 A. Uh-huh.

23 Q. And this is the entrance and exit --

24 A. Yes.

25 Q. -- to the club?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Yes.

2 Q. Had you been to A Place In The Woods prior to
3 August the 25th, 2013?

4 A. Yes.

5 Q. How many times you would say?

6 A. I can't count.

7 Q. It's that many?

8 A. Uh-huh.

9 Q. Okay. That's all right. Okay. Many times?

10 A. [Indicates affirmatively]

11 Q. Okay. So you're very familiar with the place?

12 A. Yes.

13 Q. And you're very familiar with Sha'Quille, aren't
14 you not?

15 A. I didn't know his full name. I just knew him by
16 Shike, so I'm not that familiar.

17 Q. Okay. Thank you.

18 Now, where exactly were you when you put that
19 Heineken bottle in your hand to strike that young man
20 Mr. Washington?

21 A. I was inside the club when I grabbed the bottle.

22 Q. Well, I know you got the bottle from inside, but I
23 want to know -- so you were on the stoop when you were getting
24 ready to hit him?

25 A. [No response]

Arianna Coakley

1 Q. I don't know.

2 Okay. You want to be fair to put an x -- I don't
3 want -- I want you to do it, please. And after you do it, I
4 want you to put your initials beside it. Put A.C.

5 A. [Witness complies]

6 Q. Help me, please. Where your x?

7 A. In between that --

8 Q. Right there?

9 A. Uh-huh.

10 Q. And it's your testimony that you were about to hit
11 him --

12 A. Yes.

13 Q. -- and he turned around and pointed a gun at you.
14 Did he fire a shot at you?

15 A. No, he did not.

16 Q. Did he say, I'm going to kill you?

17 A. No.

18 Q. Okay. He told you to back off. What did he say?

19 A. No, he did not say back off.

20 Q. He said, I'm not playing.

21 A. He looked at me and he said, I ain't playing, I
22 ain't playing.

23 Q. Well, a fight was going on, was it not?

24 A. A fight he initiated. Yes, it was.

25 Q. Well, who wanted your affection? Shike, Sha'Quille

1 Washington, or Larry Kinloch?

2 A. What does that question have to do with anything?

3 Q. Answer the question.

4 A. Okay.

5 Q. Who?

6 A. Larry asked for my number --

7 Q. Oh.

8 A. -- but it wasn't consistent enough for me to see
9 that he was fighting for my attention. It was not that
10 serious, sir.

11 Q. But he wanted your number? Ma'am?

12 A. Yes, that's it. He just asked me for my number.

13 Q. And your boyfriend for four years was who?

14 A. Herman. He never knew that --

15 Q. Herman Manigault --

16 A. -- information.

17 Q. Herman Manigault, III, was your boyfriend for four
18 years; right? Ma'am?

19 A. Yes.

20 Q. And he had already shared with you that he was
21 about to snap; isn't that true? That's your words --

22 A. Uh-huh.

23 Q. -- isn't it?

24 A. Uh-huh.

25 Q. Uh-huh? I'm about to snap?

3 did you?

4 A. No, I did not.

5 Q. And you didn't witness, and can't tell these
6 twelve, fourteen people on the jury, that you saw Sha'Quille
7 Washington shoot Herman Manigault, III?

8 A. I can tell the jury what I saw.

9 Q. Well, that's my question. Did you -- can you tell
10 the jury you saw, in fact, that he did?

11 A. No --

12 Q. Thank you.

13 A. -- Jury, I cannot.

14 But I can tell you from the time that that gun was
15 moved from my face, before I could make it to the bottom I
16 heard gunshots.

17 Q. You heard gunshot.

18 And when you heard a gunshot, how many people were
19 in that vicinity when you heard gunshots? The vicinity from
20 which the shots were heard, how many people or individual were
21 in that vicinity?

22 A. I want to say about four or five.

23 Q. And tell us -- I'm sorry. I'm sorry. I'm sorry,
24 Ms. Coakley. I didn't mean to cut you off.

25 Four. That's correct; right?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Could be four. Maybe five.

2 Q. Could be four, maybe five.

3 Tell us -- identify them four, maybe five, if you
4 know.

5 A. When I came around the van I saw Larry Jenkins, I
6 saw Aja Williams, I saw Christina Lockwood, Drequan Lockwood.
7 And there was someone else. I just remember his face. I
8 don't know his name. And there was Herman laying on the
9 ground twitching.

10 Q. I got it.

11 But one thing: there were two people not around
12 the van when you got there.

13 A. Of course they wouldn't be there.

14 Q. Where were those two individuals who were not
15 around the van?

16 A. Shike and Larry.

17 Q. They had what?

18 A. Apparently ran off.

19 Q. And you don't know what happened on the other side
20 of that van; isn't that true?

21 A. I know there was a gun in my face.

22 Q. Oh, we know it was a gun in your face because there
23 was a bottle in your hand; isn't that true?

24 A. What does the bottle have to do with a gun?

25 Q. What were you going to do with the bottle?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Try to prevent something that still happened
2 anyway.

3 Q. Well, have you ever thought for a minute that maybe
4 you enticed the situation more --

5 A. I couldn't --

6 Q. -- with the bottle in your hand?

7 A. I couldn't have enticed the situation of Shike, who
8 was already looking at Herman, now, could I?

9 Herman said he was about to snap, but I saw Shike
10 hit Herman first. So who snapped?

11 Q. Well, let's take that a step farther.

12 A. Shall we.

13 Q. Were there any security in place at the club?

14 A. Clearly not, if Shike had a gun.

15 Q. Clearly not, because Shike had a gun?

16 A. Couldn't have been enforced too well.

17 Q. And nobody was patted down going in the club?

18 A. Well, I was patted down. So I assume he wasn't.

19 Q. I don't know. I wasn't there --

20 A. Well, I'm telling you --

21 Q. -- we're trying to find -- ma'am --

22 A. -- I was patted down.

23 THE COURT: Do not speak over each other. Thank
24 you, Ms. Coakley.

25 Q. [Mr. Davis] Ma'am, we're trying to find the truth.

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 That's all we trying to do. Okay?

2 My point is you said there was no security there.
3 I asked you a simple question whether or not you were patted
4 down, people were searched, going into the club. True? True
5 or false?

6 A. True.

7 Q. Thank you.

8 Now, how many shots did you hear?

9 A. Four.

10 Q. In your statements, you said you heard four or
11 five.

12 A. There was four.

13 Q. So your statement that was given on the 26th of
14 August, 2013, is not as accurate and as descriptive as what
15 you have said today? Ma'am?

16 A. Yes.

17 MR. DAVIS: I want this marked.

18 I'll give you a chance to read over your statement.
19 I'm not trying to fool you.

20 This will be Number 3, Your Honor.

21 [Whereupon, Defendant's Exhibit Number 3 is marked
22 by the court reporter]

23 Q. [Mr. Davis] Maybe it will refresh your memory.
24 Okay?

25 A. The truth does not change.

Arianna Coakley
Cross-Examination by Mr. Davis
- October 13, 2015

1 Q. Thank you.

2 MR. DAVIS: May I approach, Your Honor?

3 THE COURT: You may.

4 Q. [Mr. Davis] I want you to look at what's been
5 marked as Defense Number 3. And I want you to take your time
6 and read it and tell me does it change your response to me in
7 reference to whether you heard four shots or four to five
8 shots.

9 [Whereupon, the witness reviews documents]

10 Q. [Mr. Davis] Are you satisfied now?

11 A. Uh-huh.

12 Q. Ma'am?

13 A. Uh-huh.

14 Q. What did you say?

15 A. What is that you want me to answer?

16 Q. The question is since you have reviewed that
17 document to refresh your memory, how many shots did you shared
18 with law enforcement?

19 A. On the statement, I said four or five.

20 Q. Now, four or five; right?

21 A. Uh-huh.

22 Q. So you're not as definitively clear as you said on
23 cross-exam a minute ago you said it was unequivocally four;
24 isn't that correct? Ma'am?

25 A. I wrote that statement the day --

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 Q. Ma'am?

2 A. He took that statement while I was at the hospital.
3 I was crying and still in shock, sir.

4 Q. I understand. I understand. I understand.

5 A. But the next day, the statement I let them record,
6 if I'm not mistaken I counted because I had to recollect my
7 memory. I said four, I heard four gunshots: three
8 consistent, there was a pause, and then there was the last
9 one.

10 Q. I want you to read again in your statement on --
11 where it seem to said, I had a Heineken bottle, raising it
12 when Shike pointed a gun at my face saying, drop the gun.

13 I don't understand that. Read that. You wrote
14 that; right?

15 [Whereupon, the witness reviews documents]

16 Q. [Mr. Davis] You see it?

17 A. Yes, I see this, sir, but this isn't my
18 handwriting. This is my signature, but this -- that's not my
19 handwriting.

20 Q. What's the date on that?

21 A. The 25th.

22 But this still isn't my handwriting. He wrote it
23 for me. Someone else wrote this.

24 Q. But you signed saying that this was your narrative
25 of what -- whoever wrote it for you, did you not? Ma'am?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Yes.

2 Q. And there is a reference of him telling you to drop
3 a gun; isn't that true?

4 A. That's what was written on this paper, but that's
5 not what I said or was recorded me saying the next day. He
6 never told me --

7 Q. That's what's in --

8 A. -- to drop the gun.

9 Q. My question is that's what's in your statement?

10 A. That's what's in this statement that I did not
11 write but signed.

12 Q. Thank you.

13 And you did it relatively early in time, because
14 this was on the 26th of --

15 A. This was written on the 25th, probably about thirty
16 minutes after Herman was shot.

17 Q. Would it be fair to say, Ms. Coakley, that it was
18 total chaos out there that night?

19 A. Yes, it would be fair to say that.

20 Q. Total chaos.

21 Not a heavily lighted what I would say, lack of a
22 better term, parking area in front of the club? I mean, it's
23 only two little moon lights; isn't that true?

24 A. No. There's streetlights outside.

25 Q. Y'all call it streetlights?

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 A. I don't know what else to call them.

2 Q. Okay. How many streetlights?

3 A. I don't go around counting streetlights, sir.

4 Q. Okay. Fair enough.

5 But you go there quite often, though?

6 A. Not to count the streetlights.

7 Q. I know. You go inside; right?

8 A. Yes.

9 Q. And consume Heineken and liquor straight; isn't
10 that true?

11 A. No, sir. I don't drink Heineken.

12 Q. You just put Heineken bottles in your hand to
13 inflict harm on other people, apparently?

14 A. Some people don't know how to act.

15 Q. How were you dressed that night?

16 A. I had --

17 MR. WEST: Objection. Relevance.

18 THE COURT: Hold on one second. Counsel approach.

19 [Whereupon, an off-the-record bench conference is
20 held]

21 THE COURT: Sustained.

22 MR. DAVIS: Okay. Thank you.

23 Q. [Mr. Davis] Tell us how Sha'Quille Washington was
24 dressed that night.

25 A. He had on colorful pants. I want to say they look

Arianna Coakley
Cross-Examination by Mr. Davis
October 13, 2015

1 like swimming trunks -- they were that same material -- and a
2 black shirt that had like a print in the front. I didn't look
3 at his shoes.

4 Q. And how was Herman dressed?

5 A. He had on a white shirt, a red Polo hat, khaki
6 cargo pants, and brown Sperrys.

7 Q. And how was Larry Kinloch dressed?

8 A. He had on a dark-color shirt and jeans. I didn't
9 look at his shoes.

10 Q. Do you wear glasses?

11 A. No, sir.

12 Q. Contacts?

13 A. No, sir.

14 Q. Did Mr. Washington threaten you in any way before
15 you struck him -- or attempt to hit him with the Heineken
16 bottle? Ma'am?

17 A. No.

18 MR. DAVIS: No further questions.

BY MR. WEST:

Q. Ms. Coakley, you gave a statement to law enforcement that night; correct?

A. Yes.

Q. Isn't that when you just saw your boyfriend get murdered?

A. Uh-huh.

Q. And you delivered --

THE COURT: Is that a yes?

A. Yes.

Q. [Mr. West] And you had to tell his mom that he had just been shot?

A. Yes, and I was unsure if he was alive or dead.

Q. So you were pretty upset?

A. Yes.

Q. Were you upset enough where you couldn't necessarily write?

A. Yes. That's because --

Q. Is that why you had one of the detectives write your statement?

A. Yes, sir.

Q. Now, where was Larry Kinloch when you heard shots?

A. I didn't see him.

Q. Larry Kinloch apparently asked for your phone

7 A. No, it does not.

8 Q. Did anything that Mr. Davis ask you change the fact

Q. Who was the designated driver that night?

A. Larry Jenkins.

Q. Was he drinking?

A. I'm not sure how to answer that. I didn't see him drink anything. He could have been, but I didn't see him consume any.

MR. DAVIS: Thank you.

THE COURT: Thank you. You may step down.

[Whereupon, Ms. Coakley is excused and exits the witness stand]

Direct Examination by Mr. West
October 13, 2015

DARIUS ALLS,

Having Been First Duly Sworn,
was Examined and Testified as Follows:

DIRECT EXAMINATION

BY MR. WEST:

Q. Mr. Alls, were you working at A Place In The Woods
on August 25th, 2013?

A. Yes, sir.

Q. What were you doing?

A. I was a cook.

Q. You were cooking?

A. Uh-huh.

Q. Stayed in the bar most of the night?

A. Stayed in the kitchen most of the night.

Q. In the kitchen?

A. Uh-huh.

Q. Do you know Herman Manigault? Did you know him?

A. Not know of him like personally. I know I've just
seen him.

Q. You knew who he was?

A. Knew who he was?

Q. If you saw him, you would know him as Herman?

A. Yeah.

Q. Do you know the defendant?

A. I know him.

Darius Alls
Direct Examination by Mr. West
October 13, 2015

1 Q. How do you know him?

2 A. We're family.

3 Q. How are y'all related?

4 A. His dad is my cousin.

5 Q. His dad is your cousin?

6 A. Uh-huh.

7 THE COURT: Is that a yes?

8 THE WITNESS: Yes, ma'am.

9 THE COURT: Thank you.

10 Can you move that microphone a little closer to
11 you? Thank you.

12 Q. [Mr. West] Did you see Herman at A Place In The
13 Woods that night?

14 A. Yes, sir.

15 Q. Describe your interaction with him.

16 A. Well, that night he said that something was
17 bothering him and I said, well, if somebody was bothering him
18 then just chill at the bar until each of us who work at the
19 club that night get off, and we'll make sure he get to his car
20 or whoever he was with.

21 Q. Somebody is pretty general. Do you know who that
22 is?

23 A. He never said.

24 Q. Did you ever see the shooting that night?

25 A. No.

Darius Alls
Direct Examination by Mr. West
October 13, 2015

1 Q. Did you hear it?

2 A. No.

3 Q. Did you see the defendant and Herman get in a
4 fight?

5 A. I didn't see anything, like I told you earlier a
6 couple of weeks ago.

7 Q. We met a couple of weeks ago; right?

8 A. Right.

9 Q. Did you ever give a statement to law enforcement?

10 A. Yes, I did.

11 Q. In your statement to law enforcement, if you saw it
12 would it refresh your memory about what you said?

13 A. You want me to tell you what I wrote on that paper?

14 Q. Well, I want to show it to you and see if it
15 refreshes your memory.

16 MR. WEST: I want to mark this as State's 54 for
17 identification at this point.

18 MR. DAVIS: I'm familiar with it. Thank you.

19 [Whereupon, State's Exhibit Number 54 is marked by
20 the State]

21 MR. WEST: And for the record, it's a few-page
22 statement from Mr. Alls dated on the 25th of August.

23 Q. [Mr. West] Just take a look at that and when
24 you're done reading it, how about --

25 [Whereupon, the witness reviews documents]

Darius Alls
Direct Examination by Mr. West
October 13, 2015

1 A. Okay.

2 Q. [Mr. West] Have you read it already?

3 A. I remember what I wrote.

4 Q. You remember what you wrote?

5 A. Uh-huh.

6 Q. Herman told you he thought his life was in danger?

7 A. He said that some something was bothering him, some
8 people. Didn't clearly like his life was in danger. I mean,
9 if somebody life was in danger, why would you go back outside
10 or why would you go back wherever whatever happened?

11 Q. That's not what you said right here.

12 A. Did I say that his life was in danger?

13 Q. Yeah. Pretty clear. Right in the middle of it.

14 His life is in danger. Is that --

15 A. That's how I wrote exactly, like --

16 Q. That's how you wrote it?

17 A. -- his life was in danger.

18 So he said that he was -- something was bothering
19 him, so I tell him to stay there at the bar until we leave.

20 Q. Now, if somebody told you that, would you think
21 that there would be a reason beforehand why he would say that?

22 A. Meaning?

23 Q. I don't know. I mean --

24 MR. DAVIS: I object, Your Honor, for that same
25 reason. He called --

Darius Alls
Direct Examination by Mr. West
October 13, 2015

1 THE COURT: What's the basis?

2 MR. DAVIS: Conjecture or speculation.

3 THE COURT: Overruled. You may answer.

4 Q. [Mr. West] If somebody told you that his life was
5 in danger, there would have to be something to precipitate
6 that; wouldn't you agree?

7 A. Right.

8 Q. Okay. So it's just not out of thin air.

9 A. Okay.

10 Q. Now, you stayed afterwards, after everything
11 happened; right?

12 A. Yeah, because I guess soon as I tell him to stay to
13 the bar, I went back in the kitchen, started cooking, getting
14 ready to clean up.

15 Some guy came, told me and another guy that they
16 thought something happened outside. So went back in the
17 kitchen, came back outside, look outside, and there he was
18 laying on the ground. He was unresponsive. We called you
19 like eons of times --

20 Q. Who is you?

21 A. The deputy sheriffs.

22 -- called eons, a bunch of times, waited, waited,
23 waited. So I proceed to just tell them, hey, man, just get a
24 towel, wrap him up, put him in my car, I'll take him to the
25 hospital. And soon as I said that, that's when y'all rolled

Darius Alls
Direct Examination by Mr. West

1 up about an hour later.

2 Q. Did you try to help Herman when he was on the
3 ground?

4 A. Yeah.

5 I was trying to tell them to put him in the car,
6 because it took y'all so long to get there, I'll take him to
7 the hospital myself.

8 Q. Who is y'all?

9 A. Excuse me. The Berkeley County Sheriff Department
10 took a while to get there, along with the medics.

11 So I told them plainly, wrap him up, put him inside
12 my mama car, and I would drive him to the hospital myself.

13 THE COURT: Mr. West?

14 MR. WEST: Thank you.

15 Q. [Mr. West] Did you see Larry Kinloch there that
16 night?

17 A. He was there but I didn't see him like probably,
18 what, a little after 10:00 or 11:00.

19 Q. Okay. But you were in the back cooking most of the
20 time?

21 A. Most of the time.

22 Q. You didn't hear any shots?

23 A. [Indicates negatively]

24 Q. Didn't see any shooting?

25 A. [Indicates negatively]

Darius Alls
Direct Examination by Mr. West
October 13, 2015

1 Q. But you did have an interaction with Herman where
2 he indicated he thought his life was in danger?

3 A. He just said it. I was there listening.

4 I tell him, well, if you think your life in danger,
5 just sit right here at the bar and just wait until we close
6 and we'll make sure you get to your car.

7 Q. And that was before the shooting?

8 A. I guess allegedly that was before the shooting.

9 It wouldn't make sense for him to get shot and then
10 say his life was in danger, now, would it?

11 Q. No, it wouldn't make any sense.

12 But if somebody says something like, my life is in
13 danger, and then they get shot, don't you think that would
14 have a direct connection?

15 MR. DAVIS: I object, Your Honor. It's already
16 been asked and answered --

17 THE COURT: Overruled.

18 MR. DAVIS: -- three times.

19 THE COURT: Overruled. You may answer, if you
20 know.

21 Q. [Mr. West] Would that have a direct connection?

22 A. Connection towards?

23 Q. Would the threat and the shot be connected?

24 A. Could be.

25 Q. That would make sense to you, wouldn't it?

Darius Alls

1 A. It would make plenty of sense to anybody in this

CROSS-EXAMINATION

BY MR. DAVIS:

Q. Let's get one thing straight, Darius Alls. Now, this incident happened over two years ago; right? Two years ago?

A. Correct.

Q. Now, the solicitor talked to you two weeks ago?

A. Correct.

Q. Have I ever discussed this matter with you?

A. Mr. Davis, the last time I saw you was almost six years ago.

Q. Wow. Six years ago.

A. Six years ago.

Q. And six years ago.

Now, you were in the kitchen that night; right?

A. [No response]

Q. Now, Herman Manigault, had it appeared that he had been drinking?

A. I mean, if you at a club at a bar, hey, alcohol is served and everybody drinks. Even I drink. So --

Q. You know, we're trying to find the truth here.

A. Right.

Q. I don't want you to speculate. When I ask a question, I want the truth. That's all I want.

Did he appear to be under the influence to you at

Darius Alls

1 all? That's what I want you to tell us.

2 A. Well, I can't really say because I probably was
3 under the influence myself.

4 Q. Oh. You were under the influence yourself? The
5 cook? I mean, it's all right.

6 A. Well, define under the influence.

7 Q. It was a birthday party.

8 A. I mean, well, I tell you what, two beers -- it'll
9 have to take more than two beers to get me -- you know what I
10 mean?

11 Q. Now, you didn't witness any shooting?

12 A. I didn't witness any shooting.

13 Q. Matter of fact, did you witness any staring down
14 between any parties in reference to the five names we've
15 presented: Larry Kinloch, Herman Manigault, Sha'Quille
16 Washington, and Larry Jenkins? You -- did you witness any
17 physical or otherwise inertia movement between these four
18 people?

19 A. Well, let's see. At the club, like I say, I talked
20 to Larry briefly, but he just left.

21 I saw my little cousin. I mean, he was dressed
22 nice, though. Looked like he wouldn't even hurt a fly.
23 Wouldn't hurt a fly in years, so why start now.

24 I don't even know who the third guy is, Larry
25 Jenkins or whoever, whatever.

Darius Alls
Cross-Examination by Mr. Davis
October 13, 2015

1 And the only person I had interactions there was
2 Mr. Herman. Just tell him to stay right there until the bar
3 closed.

4 Q. Can you have any indication of when Herman came to
5 the club?

6 A. No. Been in the back cooking.

7 Q. So you don't have any evidence that they were there
8 earlier and then went to pick up some girls and came back?

9 A. Put it like this. My job was to sit there and feed
10 all the people that actually get hungry after a long night of
11 partying or working. And whatever happens, happens. If they
12 decide to pick up a bunch of girls and go party and have at
13 it, fine.

14 That's still -- that ain't me, man. You know, I
15 just cook the food. I am not the host, neither the sponsor of
16 anything. Just cook the food.

17 Q. Well, let me ask you this. The solicitor directed
18 you to say, well, you know, this guy came to you and seemed to
19 suggest that something was bothering him. Okay? Right?

20 A. Yeah.

21 If any -- if somebody -- if any of the jurors was
22 to say something was bothering them, and any of you would a
23 hear it, you might -- some people might intervene. That's
24 just the good heart in some people.

25 Q. Okay. Were there any security there?

Darius Alls
Cross-Examination by Mr. Davis
October 13, 2015

1 A. Define security.

2 Q. I define security as those people that have
3 descriptive clothing on, they can be easily identified. I
4 hope they've got some handcuffs or a bully something to
5 straighten some people out, and they're directing, and have
6 some kind of mental -- metal detection to check people out,
7 wand them down and tell people -- you know, that's what I call
8 -- that's what I call security, especially if you paid them.

9 A. Yeah.

10 Q. Did they have security?

11 A. Yeah, they had security.

12 Q. Now, if what the solicitor suggested to you was
13 such a bothering point to Mr. Herman Manigault, you could have
14 called security and said, you know, security, this is a guy
15 come telling me about he has some concern, why don't you see
16 that he get to his car. Why didn't his concern raise that
17 level for you?

18 A. Like I say, I was cooking.

19 I didn't even think the thing to be serious,
20 whatever the thing was -- you know what I'm saying -- he said.
21 I just tell him to sit at the bar, you know, I think he would
22 have sat at the bar. You know, take our word for it, you
23 know.

24 Q. Well, when he's sitting at the bar worrying
25 Ms. Coakley --

4 Q. Okay. All right.

5 A. I was just paying attention to the --

6 Q. Was there any other first cousin next to him,
7 anybody else next to him, talking to him?

8 A. It could be, but my focus was on him.

9 Q. Okay. Okay. Okay. So here's a guy who tells you,
10 man, something bothering me, you know, I'm mad, I'm about to
11 snap. And you're telling him calm down, you just stay right
12 here. That's a fair description?

13 A. That's exactly what I say: stay right here until
14 we close and we'll make sure you get to your car.

15 Q. I'm about to snap. Thank you.

Q. He never told you he was about to snap, did he?

A. What?

Q. You never put in your statement, or told anybody in law enforcement, that he told you he was about to snap?

A. He just say that, you know, something was bothering -- I just tell him to stay to the bar.

If he said he was about to snap -- but I never heard anything with somebody saying about to snap.

Q. Okay. You didn't hear that? Just to clarify it. That was kind of a long answer. You didn't hear that?

A. Right.

Q. Let's talk a little bit about the security. You work there; right?

A. I don't work there. I work at O'Brian's Pub and Grill. I actually lend my services there.

Q. But you worked there that night?

A. Yeah. That night, yeah.

Q. You worked there that night.

Would it be fair to say that somebody that works there should know some of the other people that work there?

A. Yeah, that could be fair.

But I mean if it's just business, then it's just business. I don't have to know exactly everybody that works

3 Q. All right. You didn't know any of the security

5 A. No.

6 Q. Do you think it's a little funny that none of the
7 security was still there when the cops showed up?

8 A. Hey, it probably would be funny if none of the
9 security was there as the cops showed up.

10 Q. Doesn't sound like a very good security company,
11 does it?

12 A. I guess not.

13 Q. So security comes in and it does all of these
14 check-downs and pat-downs that Mr. Davis suggests, they don't
15 even stay there for the police?

16 A. Not so much of security after all, huh?

DANIEL MORTON,

Having Been First Duly Sworn,
was Examined and Testified as Follows:

DIRECT EXAMINATION

BY MR. POULOS:

Q. Where are you currently employed?

A. Berkeley County Sheriff's Office.

Q. And how long have you been there?

A. Almost seven years.

Q. And what is your current position with the
sheriff's office?

A. I'm a corporal on the patrol division, night shift.

Q. What does that entail?

A. Just regular patrols. Answer calls for service.

Q. Were you employed with the sheriff's office back in
August of 2013?

A. Yes, sir.

Q. I want to direct your attention specifically to
August 25th of that year. Were you working that day?

A. Yes, sir.

Q. What shift were you working?

A. Night shift.

Q. What is night shift? What hours does that
encompass?

A. Usually it's about a 4:30 to 4:30 shift. Sometimes

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 4:30 to 5:30. It just depends on what day it is.

2 Q. Did you receive a dispatch about 4:10 that morning?

3 A. Yes, sir.

4 Q. So you would have -- you would have been working
5 the night of the 24th and the morning of the 25th?

6 A. Yes, sir.

7 Q. Where were you dispatched?

8 A. Well, I wasn't the initial one that got dispatched.
9 It was another officer.

10 But the way the call came out, pretty much
11 everybody responded to it. I was coming from Goose Creek.

12 Q. Did you respond to a bar called A Place In The
13 Woods?

14 A. Yes, sir.

15 Q. Where is that?

16 A. Off of Cainhoy Road. It's a pretty much secluded
17 area. I mean, it's --

18 Q. Is that in Huger?

19 A. Yes, sir.

20 Q. Berkeley County?

21 A. Yes, sir.

22 Q. Were you the first law enforcement officer to
23 arrive?

24 A. Yes, sir.

25 Q. Approximately, if you recall, what time did you

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 arrive? How long did it take you to get there?

2 A. About fifteen, sixteen minutes.

3 Q. Were there other night-shift deputies that arrived
4 with you or shortly after?

5 A. Shortly after. Yes, sir.

6 Q. Who was that?

7 A. Deputy Green.

8 Q. Anyone else?

9 A. Others started arriving. I wasn't sure. There was
10 a few people that came. Pretty much like the whole shift was
11 coming.

12 Q. How long did it take for the other deputies to get
13 there?

14 A. It just depended on where they were coming from. I
15 mean, I didn't really pay attention as far as when they got
16 there. Just me and Deputy Green so both of us can pretty much
17 enter and secure the scene.

18 Q. Did the ambulance eventually show up?

19 A. Yes, sir.

20 As soon as I got there and made sure everything was
21 okay, the ambulance showed up right after I did.

22 Q. How long would you say after you got there it took
23 the ambulance to get there?

24 A. A minute, minute and a half.

25 Q. Deputy, can you describe the scene for us upon your

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 arrival? Describe the bar, the parking lot, the vehicles,
2 that sort of thing.

3 A. I know whenever I pulled in, it was a -- I mean, it
4 wasn't a paved lot that I remember. It was more or less rock
5 and grass. Just a secluded building. Kind of a small area
6 for the parking. And nothing but woods surrounding it.

7 Q. How many people were there, would you say?

8 A. If I had to guess, anywhere from twenty-five to
9 thirty I remember.

10 Q. Do you recall where the victim was?

11 A. If you walk out the front door towards the road,
12 pretty much halfway between the front -- the roadway and the
13 front door.

14 Q. Was he near any vehicles?

15 A. No, sir.

16 Q. What was the appearance of the victim when you
17 arrived?

18 A. When I saw him, he was laying face down. I believe
19 his head was turned sideways. Eyes were still open. He
20 wasn't saying anything. Couldn't hear any breathing. And
21 then I know there was a young lady that was, you know, shaking
22 him, trying to talk to him. But, yeah, he wasn't really -- he
23 was pretty much lifeless.

24 Q. When you first arrived, were there people gathered
25 around the victim that had to be dispersed?

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 A. Yes, sir.

2 Like I say, we try to get them pushed out of the
3 way so EMS can tend to him.

4 Q. And what was the demeanor of those bystanders?

5 A. Pretty much hysterical -- I guess a lot of them
6 knew him -- and kind of upset about the whole situation.

7 Q. Deputy, as the first responding deputy in this sort
8 of case, what's your primary responsibility?

9 A. Get there, make sure the scene is okay for EMS to
10 come in and do what they have to do, and then contain all the
11 witnesses and, you know, secure the scene, make sure nothing
12 else poses a threat of any kind.

13 Q. Is it fair to say you should maintain order?

14 A. Yes, sir.

15 Q. Who in this situation would typically interview
16 witnesses, collect evidence, that sort of thing?

17 A. Usually detectives.

18 Q. And they show up after you, after --

19 A. Yes, sir.

20 Q. -- you secure the scene?

21 A. Yes, sir.

22 Q. Deputy, what did you do to set up the crime scene?

23 A. Whenever I arrived, I pretty much just stayed with
24 the victim the whole time until EMS took him away, and then we
25 just maintained order until the detectives got there.

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 Q. Did you do anything with your car?

2 A. I stayed parked the whole time.

3 Q. Did you park it any particular place?

4 A. Yes.

5 The main driveway in, if I pull in, the bar, club,
6 is right there on the right, so I just pulled the car in
7 straight in.

8 Q. Was anyone allowed to leave or enter the crime
9 scene after you arrived?

10 A. No, sir.

11 Q. Did someone else set up crime scene tape?

12 A. I believe so. It wasn't me.

13 Q. Okay. And what was the purpose of that?

14 A. Just to designate the scene. Nobody can come in,
15 nobody can leave, and just establish where the crime actually
16 happened at.

17 Q. Deputy, how long were you at the crime scene?

18 A. Approximate, maybe two hours.

19 Q. Why did you leave?

20 A. Other -- it was in between shift change. Day shift
21 started coming in, and they took the scene over.

22 Q. So the day shift took over the case?

23 A. Yes, sir.

24 Q. Before you left, do you know approximately how many
25 officers that responded to the scene?

Daniel Morton
Direct Examination by Mr. Poulos
October 13, 2015

1 A. I couldn't even give you a count. I was unsure.

2 Q. And just to be clear, there were -- were there

4 A. Yes, sir.

5 Q. -- near the victim?

6 A. Yes, sir.

7 Q. Did you notice any security guards there when you
8 arrived?

9 A. Did not see any security guards.

10 MR. POULOS: No further questions, Your Honor.

CROSS-EXAMINATION

BY MR. DAVIS:

Q. How would you describe the lighting in this gravel, secluded, wooded place?

A. The lighting? I mean, it wasn't pitch black. It was --

Q. It was -- go ahead.

A. I mean, it was a couple of lights to light it up. You know it's there.

Q. But it -- I don't want to put words in your mouth. But, I mean, it's in the woods, it's secluded. Do you recall how many lighting -- street lights, how many lights, or moon lights?

A. I don't recall how many lights there are in any light --

Q. How would you describe the available lighting when you got there?

A. If I had to put it, I could -- whenever I saw them, did I have to use a flashlight to see them? No, sir, I didn't.

Q. Okay. Well, flashlight is pitch dark. Okay?

A. Yes, sir.

Q. Could the lighting have been better, then, in other words?

A. Working night shift, the light can always be

1 better, in my opinion, but --

2 Q. I mean, inside a building you don't have to be
3 better. But I'm talking about on the outside. That's
4 basically what I'm talking about

5 A. Outside, like I say, I had no problems seeing
6 people and seeing him.

7 Q. And do you recall any lighting on the building that
8 were on when you got there?

9 A. I really didn't pay attention, no, sir.

10 Q. You didn't pay attention?

11 A. Not to the lighting, no, sir.

12 Q. This is the State's Number 3. I ask you can you
13 identify that.

14 [Whereupon, the witness reviews documents]

15 A. Yes, sir. I just -- I don't recall a van. The
16 parking lot looks familiar.

17 Q. [Mr. Davis] Huh?

18 A. The parking lot looks familiar.

19 Q. Looks familiar.

20 A. Like I say, rocks.

21 Q. What about the reflection with the lighting? Does
22 that kind of reflect how it looked when you got there?

23 A. Like I say, I'm not sure if a flashlight was used
24 or a flash from the photo -- or from a camera. I'm not too
25 entirely sure, no, sir.

A. Yeah.

Q. Do y'all have a relationship?

A. Somewhat.

Q. Do you hang out?

A. Somewhat. Yes, sir.

5 Q. Do you remember there being a shooting out there?

6 A. It was so long ago.

7 Q. So long ago.

8 Okay. But you remember that there was a shooting;
9 right?

10 A. Yeah. I mean --

13 Q. You walked up there?

14 A. Yes.

15 Q. Do you have a car?

16 A. No, sir.

20 A. No, sir.

21 Q. Do you remember seeing the defendant there?

1 Q. Were you with him at all that night?

2 A. I mean, I saw -- I saw him a couple of times. I
3 saw him.

4 Q. Y'all talked?

5 A. Yes.

6 Q. Tell the jury what you remember about the shooting.

7 A. I know I was standing outside smoking a cigarette.
8 There was cars in the front. There was cars in the front,

11 Q. Just outside smoking a cigarette.

12 Did you ever make any statements to the police in
13 this case?

14 A. Yes.

15 Q. You did.

16 In that statement --

17 MR. DAVIS: I think the proper would be to refresh
18 his memory.

19 MR. WEST: Yeah.

20 [Whereupon, State's Exhibit Number 55 is marked by

22 Q. [Mr. West] I'm showing the witness what's been

24 Is this the statement that you gave the police?

25 A. I got my statement right here, sir.

2 A. Yes, sir. Yes, sir.

5 [Whereupon, the witness reviews documents]

6 A. It was with the police; right?

7 Q. [Mr. West] Is this the same?

8 A. Yeah.

12 A. No, sir.

13 Q. You can look at it.

14 Okay. Would it have been the 24th day of
15 September, 2013?

16 A. Yes, sir.

17 Q. And you would agree with me that the shooting
18 happened on August 25th, 2013. So that's about a month?

19 A. Uh-huh.

20 Q. All right. Let's go through this statement. What

18 Q. No? You don't call him Shike?

19 A. No. Just call him Sha'Quille. I mean --

7 A. Black shirt, with security on them.

8 Q. You say you were standing on the stoop; right? Is

11 Q. Did you know anybody fighting?

12 A. No, sir.

13 Q. Did you see anybody with a gun?

14 A. No, sir.

CROSS-EXAMINATION

BY MR. DAVIS:

Q. Mr. Kinloch, the solicitor asked you if there's any explanation you can have for your self-serving jail conversation on August the 25th of 2013. There is an explanation, is it not? Sir?

A. [No response]

Q. You can't shake your head. You've got to say yes or no. Is there an explanation?

A. Explanation on what?

Q. Why the things that you said on August the 25th, to your brother Patrick Kinloch. There's an explanation for that?

A. No, sir.

Q. Sir?

A. No, sir.

Q. Well, let's go through this slow.

You have shared with, for instance, Quinton Grant, that you did the shooting, haven't you?

A. No, sir.

Q. You have shared with Darlene [phonetic] Washington that you did the shooting?

A. No, sir.

Q. Okay. In fact, the night when the shooting took place, you ran and Quinton assisted you away from the

2 A. No, sir.

3 Q. Well, I'll put it -- ask you another question.

4 After the shooting that night, did you see Quinton
5 Kenneth Grant?

6 A. No, sir.

7 Q. Okay. Did you see Darlene Washington that night --

8 A. No, sir.

9 Q. -- or that morning? Sir?

10 A. No, sir.

11 Q. Okay. Now, in your jailhouse conversation with
12 your brother, who at that time himself was facing murder
13 charges -- right?

14 A. Yes, sir.

15 Q. Sir? He was in jail for murder --

16 A. Yes, sir.

17 Q. -- was he not? Sir? True?

18 A. Yes, sir.

19 Q. Yeah.

20 And you were not about to put yourself in a
21 position to be in the same shoes your brother was in, serving
22 time or being faced with a murder charge; isn't that true?

23 A. Yes.

24 Q. That's the truth.

25 Now, so when you gave Officer Shuler and Berkeley

Larry Kinloch

1 County Sheriff's Department a statement on August the 13th and
2 they asked you specifically have you discussed anything about

4 when they asked you in September the 13th, 2013, have you
5 discussed anything about the shooting to anyone, you said no;
6 isn't that correct?

7 A. Yes.

8 Q. But you knew that wasn't the truth because you had
9 already laid the groundwork to protect yourself because you
10 then had already conversated, talked to Patrick, who was in
11 jail for murder, to clear yourself and put it squarely on the
12 shoulders of your nephew; isn't that true?

13 A. No, sir.

14 Q. Well, let's back up a little bit. Let's see what
15 we can agree on.

16 There's no question that you wanted the cell number
17 of Ms. Coakley?

18 A. No, sir.

19 Q. Never wanted her cell phone?

20 A. No, sir.

21 Q. Didn't have no desire to get to know her?

22 A. No, sir.

23 Q. Did you know her?

24 A. No, sir.

25 Q. Did you see her the night of August -- at Slim

5 Q. -- at all?

6 A. I don't even know Ms. Coakley.

7 Q. Wow. You don't even know Ms. Coakley? Sir?

8 A. No, sir.

9 Q. And what time would you say you got to A Place In

11 A. Had to been around about ten o'clock.

12 Q. Sir? What time?

13 A. Had to been around about ten o'clock.

14 Q. Well, when you got there at ten o'clock, was your
15 nephew there?

16 A. I'm not sure.

17 Q. You're not sure.

18 I'll bet you are sure of this. Herman Manigault
19 and the chubby light-skinned guy, Francis Larry Jenkins, they
20 were there? Sir?

21 A. I'm not sure.

22 Q. Okay. What time did your nephew showed up?

18 strapped yourself with a firearm, sir?

19 A. No, sir.

20 Q. Well, how we do: in the same breath, you're saying
21 we're strapped and you know how we do. What are you talking
22 about, how we do? What is it you're talking about?

23 A. Just a little figure of speech. Just --

24 Q. Just a little figure of speech.

2 A. No, sir.

3 Q. Yes, you are. Have you ever served any length of

5 A. No, sir.

6 Q. That's pretty smart. Take a lot of expertise to do
7 that.

8 Even though you've got a criminal record, you've
9 never served any time in prison?

10 A. No, sir.

11 Q. And you understand the criminal procedure, don't
12 you?

13 A. No, sir.

14 Q. You understand that it's pretty good to get on the
15 phone and clear your name pretty good in reference to anything
16 that happened at Slim Bubba's birthday party?

17 A. No, sir.

18 Q. And who better place to put that as on the jail.
19 Have you ever spent any time in Berkeley detention
20 jail?

21 A. No, sir.

22 Q. Now, you know for a fact that every conversation in
23 Berkeley County detention center is recorded, because you've
24 been there; isn't that true?

25 A. I've been in jail.

1 Q. Yeah.

2 And you know that is about the stupidest thing in
3 the world, to get on the phone and talk about incrimination.
4 You smart, you even use the word incrimination; isn't that
5 true?

6 A. [No response]

7 Q. Well, that's what the telephone conversation said.
8 You used the word incriminating, did you not? Sir?

9 A. Yes, sir.

10 Q. Now, that's so smart that when you're doing self-
11 serving statement, you smart enough, though, to incriminate
12 someone else?

13 A. No, sir.

14 Q. Sacrifice your nephew? How old are you, Mr.

16 A. I'm thirty-three now.

17 Q. Thirty-three.

18 MR. DAVIS: I need his statement.

19 Q. [Mr. Davis] Thirty-three. You can read and write?

20 A. Yes, sir.

21 Q. Did you finish high school?

22 A. No, sir.

23 Q. How far did you go in high school?

24 A. Went to the eleventh grade. I got my GED.

25 Q. Got your GED. Okay.

5 A. Uh-huh.

6 Q. And, specifically, in that statement you said, I
7 haven't talked to anyone about the shooting, to include my
8 nephew, Sha'Quille Washington.

9 That's what you wrote; right? Sir?

10 A. Yes, sir.

11 Q. Now, imagine this question. Anyone from the
12 Berkeley County Sheriff's Department ever requested early on
13 to take a GSR test of your hand and clothing?

14 A. Have they did it?

15 Q. Yes, sir.

16 A. No, sir.

19 A. No, sir.

20 Q. Anybody from Berkeley County Sheriff's Department

5 A. No.

6 Q. Did anybody retrieve any clothing from you? Sir?

11 A. Yes.

12 Q. The young man who lost his life, Herman Manigault,

14 A. I'm not sure. I don't even know who Herman is:

8 You knew that your brother was in serious trouble

10 A. Yeah. Yeah.

11 Q. And you said: I am going to remain on the outside.
12 Sir?

13 A. I said that but --

14 Q. And you said that on the 25th or the 26th, less
15 than six or five hours, eight hours, after this shooting;
16 isn't that true?

17 A. No, sir.

18 Q. So everything the solicitor played, they made that

20 A. [No response]

21 Q. I don't know. I didn't produce it.

division.

Q. Did you have that same title back in 2013?

A. I did not. I was a sargent in the forensics unit.

Q. Tell the jury what the forensics unit is.

A. It's an extension of the criminal investigation
division.

It's where they go out and collect evidence to
assist in either getting information to apprehend a suspect or
to clear a suspect.

Q. Did you have an opportunity to respond to A Place
In The Woods at 1020 Hammond Corner Road on August 25th, 2013?

A. Yes, sir.

Q. Okay. And that's in Berkeley County?

A. It is.

Q. Describe the scene when you arrived.

A. When I arrived, there was several people from the

1 club that was standing around, near the building, off to the
2 side. There was an area in front of the building to the
3 right-hand side there was a couple of vans and another vehicle
4 that was parked in the parking lot that was roped off.

5 Q. All right. And what did you do when you first get
6 on scene?

7 A. I'm sorry?

8 Q. What did you do when you first got on scene?

9 A. Met with Lieutenant Kokenda, who was my supervisor
10 at the time, and we were photographing the scene, getting
11 everything prepared for -- to do a sketch so that we could
12 collect whatever evidence we were going to collect.

13 MR. WEST: Showing the witness what has already
14 been entered into evidence as State's Number 2 through
15 10.

16 [Whereupon, the witness reviews documents]

17 A. Yes, sir.

18 Q. [Mr. West] Do you recognize these?

19 A. I do.

20 Q. Are these photographs that you took at the scene?

21 A. Yes, sir.

22 Q. I'm going to look at a couple of them with you, if
23 we could.

24 MR. WEST: Ms. Brown, could you kindly put State's
25 Number 2 on the screen.

1 Some assistance with the lights, please. Thank
2 you.

3 Q. [Mr. West] Could you describe for the jury what
4 this is a picture of?

5 A. This is the front parking lot. All right. This is
6 the front parking lot of the club.

7 The items in the front where the orange is, that's
8 some medical equipment that was left after they treated the
9 victim.

10 Some clothing that was found on scene, either from
11 somebody that was using compression or cut from the victim.

12 The vehicles that were in the actual area of the
13 incident that took place.

14 Q. When you took these photographs, how was the
15 lighting?

16 A. It was dark.

17 We had to do some what we call panning with light.
18 It's where you can leave the shutter open on the camera so
19 that you can make the light last longer so that it'll brighten
20 it up a little bit.

21 Q. The top right corner of State's Number 2, is that a
22 streetlight?

23 A. Yes.

24 Q. You didn't put that there?

25 A. No.

Geno Alteri

1 Q. That was on when you got there?

2 A. Yes.

3 Q. Any other streetlights out there, other than that?

4 A. I don't recall.

5 I think the only light that was out there was on
6 the -- by the front door, if I recall. But I can't swear to
7 that.

8 MR. WEST: Okay. Showing State's Number 5.

9 Q. [Mr. West] What is this a picture of?

10 A. This is just a closeup of the other picture with
11 the metal equipment -- medical equipment that was found on
12 location.

13 Q. There is a dark spot in the center, sort of in the
14 gravel, in State's Number 5. What is that, to the best of
15 your recollection?

16 A. Just below the white piece of paper?

17 Q. That's right. And if you could --

18 MR. WEST: We do have a pointer available for you.
19 Just press the top red button.

20 A. Right here?

21 Q. [Mr. West] Yes.

22 A. As I recall, that was blood.

23 Q. Okay. Would that have been where the victim was
24 laying?

25 A. Correct.

1 Q. Now, when you have a scene and potential evidence
2 on the ground like that, is there any markings or
3 identifications that the sheriff's office uses when marking
4 the evidence?

5 A. Yes, sir. Yes, sir.

6 When we first arrive, we'll do overall pictures the
7 way the scene is when we arrive. After we get the overall
8 pictures, then we'll go back and mark them with numbers for
9 different areas to say, okay, this was in this section, this
10 was in this section, so when we do our drawing we'll know what
11 was where.

12 Q. Would that photo encapsulate those markings you
13 just spoke of?

14 A. Yes, sir.

15 Q. Okay. How many markings did you see?

16 A. On this photo, there are three.

17 MR. WEST: Please put State's Number 10.

18 Q. [Mr. West] Would that have been the last marker?

19 A. That's correct.

20 Q. Now, these items, you mark them for the
21 photographs. Do you collect them and put them in evidence?

22 A. I do.

23 Q. Did you do that in this case?

24 A. Yes.

25 MR. WEST: Presenting the witness with State's

3 A. If the items that are in the bag are what's on

5 Q. [Mr. West] Okay. Do you want to take a look in
6 the bag?

7 A. Sure.

8 MR. DAVIS: Please the Court, Your Honor, we have
9 agreed --

10 A. Yes. That's it.

11 MR. DAVIS: We agreed -- we consented to these
12 items.

13 THE COURT: That was not what you said before the
14 break, so --

15 MR. DAVIS: That was on another matter, Your Honor.

16 THE COURT: It was as to the clothing. Right?

17 MR. DAVIS: I agreed to the clothing.

18 THE COURT: Well, let Mr. West lay the foundation
19 and get that in so that there's no confusion on the
20 record.

21 Q. [Mr. West] Did you recognize these items?

22 A. Yes, sir.

23 Q. Are they the same items you would have collected at
24 the scene?

25 A. Correct.

Geno Alteri
Direct Examination by Mr. West
October 13, 2015

1 Q. And what did you do with them once you collected
2 them?

3 A. They were transported back to the forensics office,

5 MR. WEST: At this time, the State would introduce
6 State's 31.

7 THE COURT: No objection?

8 MR. DAVIS: None, Your Honor.

9 THE COURT: State's 31 into evidence without
10 objection.

11 [Whereupon, State's Exhibit Number 31 is admitted

13 MR. WEST: I'm having the witness examine State's

15 A. Yes.

18 A. Yes, sir.

2 Q. [Mr. West] Lieutenant, do people in the forensics
3 division take any statements or have any other role at the
4 scene?

5 A. No, sir.

6 Q. So your involvement was the collection of the
7 evidence at the scene and photographing the scene as you saw
8 it?

9 A. Correct.

10 We'll photograph, do everything, and then we'll get
11 back with investigators and see if there's anything that they
12 want other than what we've picked up.

13 Q. Do you know if you handled any other evidence in
14 this case?

15 A. Other than from the scene?

16 Q. Right.

17 A. Not to my knowledge.

18 Q. Would it be customary for somebody in the forensics

20 A. Yes.

21 MR. WEST: Showing the witness what has been marked

Q. Overall appearance, setting.

A. Depressing.

They had a lot of people around that were -- you know, you could tell were in a little bit of shock or disbelief.

It was fairly dark.

Q. Fairly dark?

A. Yeah.

We had the -- I think it was the two lights, and that was it.

Q. It wasn't adequate lighting, you could say?

A. Out in the parking lot, no, but up towards the building it was fine.

Q. And the area where y'all retracted the stuff from, that was about, what, twelve to --

1 A. I don't want to be here because I have a life to
2 live.

3 Q. What do you mean by that?

4 A. I have a life to live, and I also have a daughter
5 to live for, and I don't got time for the extra stuff.

6 Q. What's extra stuff?

7 A. Extra stuff meaning I don't want any problems.

8 Q. Problems? What kind of problems?

9 A. Anything.

10 Q. Do you think you're going to have problems?

11 A. No.

12 I was just thinking I don't want to be here because
13 I don't want any -- I mean, I'm here.

14 Q. Now, how many times would you say I attempted to
15 meet with you prior to today?

16 A. I really don't know.

17 Q. You don't know.

18 How many times did my investigator, Kevin McGowan,
19 try to meet with you?

20 A. I spoke with one of them when I was at my aunt's

22 Q. How many times would you say that was?

23 A. Excuse me?

24 Q. How many times was that?

8 Q. How many times would you say that somebody from

11 A. Well, my grandmama told me about twice.

12 I gave them a call and I was supposed to meet up
13 with somebody.

14 Q. Did you?

15 A. No.

16 Q. This is the first time we've ever talked?

6 Q. Fair enough.

7 Regardless, again, you don't want to testify here
8 today?

9 A. [No response]

10 Q. Okay. But you were at the A Place In The Woods on
11 August the 25th, 2013, weren't you?

12 A. Yes.

13 Q. All right. Who were you with?

14 A. Arianna Coakley, Larry, I don't know his last name,
15 and Herman Manigault.

16 Q. All right. How did you get there?

17 A. Larry and Herman came and picked us up.

18 Q. Where did they pick you up?

19 A. From Kangaroo on Rivers.

20 Q. All right. And where did you go once they picked
21 you up?

22 A. A Place In The Woods.

23 Q. What time would you say that you got to the club?

24 A. It was late, probably 11:00, 12:00.

25 Q. Do you remember seeing Sha'Quille Washington there

2 A. Yes, I remember seeing him.

3 Q. How do you know Sha'Quille?

4 A. From Huger.

5 Q. Okay. So you're from Huger?

6 A. Yes.

7 Q. How long would you say you've known him?

8 A. I don't know him like that.

9 But, I mean, his mother knows my mother. His
10 father knows my family. But I don't know him like that.

11 Q. But you would recognize him by sight?

12 A. Yes.

13 Q. So if you saw him anywhere, you would know who he
14 was?

15 A. Yeah.

16 Q. You would be able to positively identify him?

17 A. Yes.

18 Q. Okay. And the person that you know as Shike is
19 sitting right here in this courtroom today, isn't he?

20 A. Yes.

21 Q. All right. Who was the defendant with that night?

22 A. He was with two other guys. Larry; and I do not
23 know the other guy's name.

24 Q. Who's Larry?

25 A. He's also from Huger.

5 A. No, I don't.

6 Q. Do you know if they are?

7 A. Yes.

8 Q. So you do know they're related, you just don't know
9 how?

10 A. Yeah.

11 Q. Did you have any interactions with the defendant at
12 the club?

13 A. No.

14 Q. Never talked to him?

15 A. No.

16 Q. All right. We'll get back to that.

17 What was Herman doing at the club?

18 A. He was standing in front of me or Arianna Coakley.

19 Q. Okay. The whole time? Dancing? You know, having
20 a good time?

21 A. Yeah.

22 Q. Let's get right to the point. Did you ever see
23 Shike shoot Herman Manigault?

24 A. To be honest, I don't remember.

25 The only thing I do remember is my standing at the

Christina Lockwood

1 front. Arianna got a Heineken bottle and went outside. And
2 she was like something about Herman. I went behind her. And
3 they were fighting.

4 I actually -- I didn't see the actual fight, but I
5 know that they were fighting because she said that and Larry
6 also said that, too.

7 I didn't see nobody shoot nobody because I was at
8 the entrance of the door. When I heard the gunshots, I turned
9 around and I left and went through the other side and I saw my
10 cousin, Drequan Lockwood.

11 Once I went to the other side, I came out through
12 the front and I saw him laying on the ground.

13 Q. All right. Did you ever give any statements to the

15 A. Yes. That same night.

10 Q. Okay. Did you hear him talking to anybody else?

4 said you heard him say he was going to shoot somebody.

5 A. If it's on paper and I wrote it that night.

6 Q. Well, it's a good thing it's on paper, then.

7 Number 57, State's Number 57. That's a longer
8 statement so take a little bit of time to review that and see
9 if we can refresh your memory on some of these things you've
10 conveniently forgotten over the years.

11 [Whereupon, the witness reviews documents]

12 MR. DAVIS: Your Honor, I'm going to object to the
13 reference of convenient.

14 THE COURT: Noted for the record.

15 MR. DAVIS: Thank you.

16 Q. [Mr. West] Are you done?

17 A. Yes.

18 Q. All right. Thank you.

19 Does that refresh your memory about the second
20 statement you gave law enforcement?

21 A. Uh-huh.

22 Q. Let's talk about --

23 THE COURT: Is that a yes?

24 A. Yes.

25 Q. [Mr. West] Let's talk about some things in that

1 statement. Let you hold on to this copy real quick while we
2 go through this, just in case you forget something else.

3 Now, what's on paper is what's true; right?

4 A. Yes.

5 Q. So let's talk about what's on paper, see if you
6 remember.

7 On this paper you do talk about going to River's
8 Avenue, Kangaroo gas station --

9 MR. DAVIS: I object to the form of the question.
10 The document is not into evidence. If she's denying
11 it --

12 THE COURT: What is your objection?

13 MR. DAVIS: Sir [sic]?

14 THE COURT: What's your objection?

15 MR. DAVIS: Objection is cross-examining a document
16 that's not into evidence.

17 THE COURT: Overruled.

18 Q. [Mr. West] On this document you talk about the
19 Kangaroo gas station you just testified to; right?

20 A. Yes.

21 Q. You talk about who you were with, Herman and Larry
22 Jenkins?

23 A. Yes.

24 Q. You were with Arianna?

25 A. Yes.

Christina Lockwood
Direct Examination by Mr. West

1 Q. All right. Stopped at the Kangaroo on Clements
2 Ferry?

3 A. Yes.

4 MR. DAVIS: Judge, I object. These are not
5 inconsistent --

6 THE COURT: All right. Counsel approach.

7 MR. DAVIS: -- statements.

8 THE COURT: Counsel approach.

9 [Whereupon, an off-the-record bench conference is
10 held]

11 THE COURT: All right. Thank you.

12 MR. WEST: Thank you, Your Honor.

13 Q. [Mr. West] Do you remember Herman making any
14 comments about Shike that night?

15 A. Yes.

16 Q. What did he say?

17 A. He said, that boy keep on looking at me.

18 Q. Okay. What does that mean?

19 A. I guess someone's looking at you, staring.

20 Q. Now, did you hear Shike say anything else to
21 anybody else about what he was going to do to Herman?

22 A. I do not remember.

23 Q. Okay. So he never said, he's going to get that
24 boy?

25 A. I don't remember.

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 Q. So that's in your statement and what's on paper is
2 true.

3 And you remember at this time, that the defendant
4 said he's going to get that boy?

5 A. [No response]

6 Q. In fact, you followed him after he said that;
7 right?

8 A. I don't remember.

9 Q. So in your statement when you said, I followed him
10 and asked Shike what he was talking about, but he continued
11 walking, does that refresh your memory about following him?

12 A. I don't remember.

13 Q. All right. But that's what your statement says?

14 A. Right.

15 Q. You followed him and he kept walking.

16 So Shike went from inside to outside, back inside;
17 right?

18 A. I don't remember.

19 Q. Let's walk through this a little bit. This is very
20 important stuff, okay?

21 A. I know that.

22 Q. All right.

23 MR. DAVIS: Your Honor, I'm going to object to the
24 characterization of very important stuff. Everything
25 today is very important stuff.

Christina Lockwood

October 13, 2015

1 THE COURT: Thank you.

2 No speaking objections, which is very important.

3 Thank you, Mr. Davis.

4 You may continue.

5 Q. [Mr. West] So you said that Shike walked outside;
6 right? On your statement right in front of you.

7 A. I don't remember.

8 Q. Okay. That's when he said he was going to get that
9 boy and he walks back inside; right?

10 A. [No response]

11 Q. And he went outside with who?

12 A. Larry --

13 Q. Larry Kinloch?

14 A. [No response]

15 Q. Okay. So he was with Larry Kinloch.

16 After Shike went outside, came back inside, your
17 statement indicates -- if this refreshes your memory -- that
18 Shike and Larry Kinloch followed Herman outside; right?

19 A. I don't remember.

20 Q. So let's talk about that. Herman and Larry Jenkins
21 walked out the door; Shike and Larry Kinloch followed behind
22 him -- behind them.

23 That's what your statement says?

24 A. Uh-huh.

25 THE COURT: Is that a yes?

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 A. Yes.

2 THE COURT: Thank you.

3 Q. [Mr. West] So that directly places the defendant
4 behind the victim in this case; right?

5 A. Yes.

6 Q. All right. So he's behind him.

7 Now, what did Arianna do when this fight started?
8 What did you see her do?

9 A. What I do remember is her grabbing a Heineken
10 bottle from up under the table and going outside.

11 Q. She grabs a Heineken bottle. Did you ever see the
12 defendant point a gun at her?

13 A. No.

14 I saw her standing behind the truck, a white truck,
15 the D.J. truck.

16 Q. But your statement says that he pulled out a gun
17 and said, back up, I ain't playing, for real.

18 A. I'm only going off of what she said. I put her
19 story with --

20 Q. That's what you said; right?

21 A. Yeah.

22 Q. Okay. Where were you standing when Arianna had the
23 bottle?

24 A. We was in the club at the time.

25 Q. In the doorway, in the club, or on the stoop?

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 A. We was in the club when she got the bottle.

2 Q. When she got the bottle. Now, after she got the
3 bottle, what?

4 A. I was standing in the doorway of going out and
5 coming in.

6 Q. Where were you when the shooting happened?

7 A. I was in the doorway of coming out and leaving in.
8 Well, yeah.

9 Q. At that point in time, is it your testimony today
10 that you did not see Shike shoot Herman?

11 A. I heard gun -- bullet gun -- well, shoot, and I ran
12 inside and I ran to the side of the club where my cousin was
13 standing at.

14 Q. I was standing in the doorway of coming in the club
15 and leaving and I saw Shike shoot Herman.

16 Is that your statement?

17 A. That's what it says on paper.

18 Q. And what's on paper is what's true?

19 A. As I remember.

20 Q. After the shooting, you ran back inside the club;
21 right?

22 A. Yes.

23 Q. Who was with you on the outside of the club?

24 A. I remember seeing Drequan Lockwood and Kevin Watson
25 on the side.

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 Q. So Drequan Lockwood was there. What's his relation
2 to you?

3 A. That's my first cousin.

4 Q. What was he doing?

5 A. I don't know. I haven't seen him at all today.

6 Q. Do you remember what Larry Jenkins was wearing?

7 A. No, sir.

8 Q. So in your statement, pretty descriptive: Larry
9 Jenkins had on a red shirt with a red and black hat, free
10 [phonetic] pants.

11 That's pretty descriptive, wouldn't you agree?

12 A. Yes.

13 Q. Okay. And it goes on. There's some direct
14 questioning.

15 Do you remember at the end of page 4 of your
16 statement indicating that you, again, absolutely witnessed the
17 shooting of Herman Manigault?

18 A. Yes.

19 Q. Yes.

20 So this is the first time you're actually admitting
21 it?

22 A. I was there.

23 Q. All right. You did, in fact, witness the shooting
24 of the victim, Herman Manigault?

25 A. I was there.

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 Q. All right. So on the bottom of page four -- again,
2 this is getting a little muddled. You need to be very clear
3 here. The bottom of page four of your statement, the
4 detective asked you: did you witness the shooting of the
5 victim, Herman Manigault.

6 Does it say maybe, does it say no, does it say
7 anything but the word yes?

8 A. I don't remember, but I was there.

9 Q. Does the last word on this page say yes?

10 A. On paper it says yes.

11 Q. Is there any qualification to the word yes there?

12 A. [No response]

13 Q. Is there any explanation after it, or is it simply:
14 did you witness the shooting of the victim, Herman Manigault.
15 Yes, I saw it.

16 That's what the statement says; right?

17 A. Right.

18 Q. And then you also said that you didn't recognize or
19 notice that the defendant had a gun. Do you remember him
20 having a gun?

21 A. Listen, I don't remember.

22 Q. Page 5 of 5 on your statement: who had the gun.
23 Sha'Quille Brown.

24 That's him right there, isn't it?

25 A. Yes.

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 Q. And then again, detectives seem like they want to
2 be very clear here. Do you remember saying this: who did you
3 see shoot the victim, Herman Manigault? And then you write
4 somebody's name. Whose name did you write?

5 A. [No response]

6 Q. Sha'Quille Brown; right?

7 A. [No response]

8 Q. Let's go through. How many times did you identify
9 the defendant as the shooter of Herman Manigault? Multiple
10 times; right?

11 A. Yes.

12 Q. Thank you.

13 And what's on paper is what's true; right?

14 A. I don't remember.

15 Q. You don't remember.

16 Ms. Lockwood, how far did you get in school?

17 A. Twelfth grade.

18 Q. Twelfth grade. What kind of work do you do?

19 A. I work at ICorp. I just started.

20 Q. Do you know anybody else that works at ICorp?

21 A. No.

22 Q. Okay. What do you got to do at ICorp?

23 A. I work on the TV side.

24 Q. Do you have to remember anything at ICorp?

25 A. I just started.

Christina Lockwood

1 Q. What did you do before you went to ICorp?

2 A. I was working at Kangaroo Express?

3 Q. All right. Do you got to remember anything when
4 you work at Kangaroo Express?

5 A. [No response]

6 Q. Have you ever had any troubles with your memory?
7 Yes or no.

8 A. Sometimes.

9 Q. Sometimes? Okay. Sometimes when it involves the
10 shooting; right?

11 A. No.

12 Q. Did you ever call 911?

13 A. Yes.

14 Q. You did. Okay.

15 So then at that time you wanted to help Herman
16 Manigault; right?

17 A. Yes.

18 Q. But today is a little different?

19 A. How is it different? If I don't remember
20 something, I mean what do you want me to do? You said it's on
21 paper so obviously, I mean, if that's what happened, that's
22 what happened. But I don't remember. I'm not going to sit
23 here and tell you something that I don't know.

24 Q. Do you remember ever giving -- been given a photo
25 line-up from police?

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 A. Yes.

2 MR. WEST: Defense counsel has indicated he has
3 stipulated to the introduction of State's Exhibit Number
4 43 and Number 44.

5 MR. DAVIS: The reason being, Your Honor, because
6 of the identification and these two people knew each
7 other.

8 THE COURT: 43 and 44 into evidence without
9 objection.

10 [Whereupon, State's Exhibit Number 43 is admitted
11 into evidence by the Court]

12 [Whereupon, State's Exhibit Number 44 is admitted
13 into evidence by the Court]

14 Q. [Mr. West] All right. State's Number 43. Do you
15 recognize that?

16 A. Yes.

17 Q. What is that?

18 A. A line-up.

19 Q. And who did you pick out of that line-up?

20 A. Sha'Quille Brown.

21 Q. Why did you pick him?

22 A. Because you asked me if I know someone in the
23 line-up.

24 Q. And why did you pick him out of that line-up?

25 A. I don't remember what the question was, but I

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 remember you saying if I know any one of them.

2 Q. And along with the identification, the six-pack
3 line-up where you identified the defendant, Sha'Quille
4 Washington, were you given a form where you had an opportunity
5 to make another statement about who the shooter was?

6 A. [No response]

7 Q. Yes?

8 A. Yes.

9 Q. All right. Do you recall writing on the bottom of
10 that form?

11 A. I don't remember.

12 Q. You don't remember writing on the bottom of it? Is
13 that your handwriting on the bottom?

14 A. Yes.

15 Q. So on the bottom one it says, the person in the
16 sixth photo line-up, I recognize number 5, which is Sha'Quille
17 Brown, because I know him and is the one I saw kill Herman
18 this morning, August 25th, 2013, at a club A Place In The
19 Woods in Huger.

20 That's another identification of this defendant as
21 the shooter; is it not?

22 A. That's what it say.

23 Q. All right. So if you total State's Number 44, a
24 written statement identifying the defendant, a photo line-up
25 identifying the defendant, a statement given the night of

Christina Lockwood
Direct Examination by Mr. West
October 13, 2015

1 identifying the defendant multiple times, and a statement
2 given later on the 25th of the 2013, that is several documents
3 that identified Sha'Quille Washington as the shooter; is it
4 not?

5 A. That's what the paper say. I don't remember.

6 Q. You don't remember what you say in the statements
7 but you remember making the statements?

8 A. Is that --

9 Q. Is that your testimony?

10 A. Yes.

11 Q. Okay. Are you scared to be here?

12 A. No.

13 Q. No? Have you talked to Sha'Quille, Shike, since
14 this happened?

15 A. No.

16 Q. Talked to anybody from his family?

17 A. No.

18 Q. Okay. How far do you live away from him?

19 A. About ten minutes.

20 Q. How about your family's house, Siris Lane. How far
21 is that away from Hammond Corner Road?

22 A. About ten minutes.

23 MR. WEST: No further questions for this witness at

CROSS-EXAMINATION

BY MR. DAVIS:

Q. I, too, had a subpoena for you to be present.
Okay?

A. Right.

Q. Ms. Lockwood, you placed that hand on your Bible,
have you not?

A. Yes.

Q. And you promised to speak the truth, have you not?

A. Yes.

Q. Now, have you ever witnessed anyone or been in the
presence of anyone or a place where someone had gotten killed
before?

A. Yes.

Q. You have witnessed it before?

A. [No response]

Q. Ma'am?

A. Yes.

Q. How old were you at that time?

A. Well, this was like when I was about twelve.

Q. It was a family member or something?

A. Yes.

Q. Someone close to you?

A. Yes.

Q. Do you mind sharing that with me?

Christina Lockwood

1 A. No.

2 Q. You don't want to talk about it?

3 A. No.

4 Q. Why not?

5 A. Because that's personal.

6 Q. Personal. It was someone close to you?

7 A. Yes.

8 Q. You were about twelve?

9 A. Yes.

10 Q. And, now, you were bitterly mad that night on the
11 25th --

12 A. Yes.

13 Q. -- when you found yourself in the midst of another
14 tragedy; isn't that true?

15 A. Yes.

16 Q. Now, nobody have accused you of doing anything,
17 have they?

18 A. No.

19 Q. I mean, no one from the Berkeley County Sheriff's
20 Department has charged you with accessory after the fact or
21 contributing in any -- aiding and abetting in any crime, have
22 they?

23 A. No.

24 Q. Have you moved from your address since August the
25 25th of 2013?

Christina Lockwood
Cross-Examination by Mr. Davis

1 A. Yes.

2 Q. Where did you move, sweetheart?

3 A. In North Charleston.

4 Q. But you haven't moved out of the state of South
5 Carolina?

6 A. No.

7 Q. And so for the last two years, except for about two
8 weeks ago, the solicitor's office could have made contact with
9 you if they wanted to?

10 A. Yes.

11 Q. Okay. But no one made contact with you until a few
12 weeks ago?

13 A. Yes.

14 Q. And in this conversation you had with the
15 prosecutor, he have stressed to you the necessity for you to
16 admit that you saw Sha'Quille Washington fire or shot Herman?

17 A. Yes.

18 Q. Now, these fourteen people have been assembled.
19 They don't have no bias or no prejudice whatsoever. They just
20 want the truth.

21 We have heard your response over and over about
22 it's on paper, the solicitor taking you in all kind of
23 direction, for a series of time, multiple times. I want you
24 to -- I'm in this corner for a reason. I want you to look at
25 these fourteen people and tell them, with accuracy and truth,

Christina Lockwood

3 A. To be honest, listen, I don't remember a lot of
4 stuff.

5 If it's on paper and I wrote it that night, if it's
6 true -- I don't know what to say. Like, I don't remember.

7 Q. All we want is the truth. Okay? Do you --

8 A. I don't want to tell y'all one thing --

9 Q. Okay.

10 A. -- and it's not the truth --

11 Q. That's all right.

12 A. -- because I don't remember.

13 Q. You keep saying what's on paper, so we've got to
14 deal with that. Okay?

15 Now, having said that, did you witness, did you
16 witness, Herman Manigault removing his shirt?

17 A. [No response]

18 Q. Ma'am?

19 A. I -- during the time of the fight, I wasn't
20 outside.

21 Q. Is that the answer? That you did not witness Herman
22 Manigault removing his shirt?

23 A. No, I did not witness that.

24 Q. Okay. Now --

25 A. When I saw him, his shirt was off --

Christina Lockwood

5 A. [No response]

6 Q. I don't know. Ma'am?

7 A. Yes, it was.

8 Q. That's correct.

9 Now, you also said in those statements that you
10 witnessed Ms. Coakley retrieving [phonetic] or moving to the
11 side; isn't that true?

12 A. When I was walking out, she was standing behind the
13 truck.

14 Q. Now, if the truth be told, this is pretty much the
15 club? Ma'am?

16 A. Yes.

17 Q. Is there a lighted and dark aspect in the club --
18 inside the club?

19 A. I mean, they have lights behind the bar.

20 Q. Do you recall Ms. Coakley saying that Herman said,
21 I'm about to snap in a minute? Do you recall that? This guy
22 is watching me all the time, I'm about to snap. Do you recall
23 that conversation?

24 A. I heard that.

25 Q. Yeah. You heard that. Who said that?

2 Q. Said, I'm about to snap; right?

3 A. Uh-huh.

4 Q. And a short time after that, for whatever reason,
5 these people found themselves outside; isn't that true?

6 A. Yes.

7 Q. But in the process of going outside, apparently,
8 Ms. Coakley retrieve a Heineken bottle. Before she retrieved
9 that Heineken bottle, what would you say was the time frame in
10 reference to the fighting that you did witness? What is the
11 time lag? Can you give us any indication? Because we're all
12 confused as to --

13 A. I don't remember.

14 Q. You don't remember. You don't want to remember?

15 A. I don't.

16 Q. Okay. Thank you.

17 But is it fair for you to take the -- to say
18 that -- mark the doorway on the stoop in a red for me, please,
19 okay? The doorway.

20 A. [Witness complies]

21 Q. I'm sorry. Then put your initial on there, please.

22 A. [Witness complies]

23 Q. The doorway to the club, now. Okay? Where would
24 it be?

25 A. Right there in the middle.

Christina Lockwood

2 A. Uh-huh.

3 Q. Okay. This is the club. It can't be there.

5 club.

6 Q. So the doorway is right here?

7 A. Uh-huh.

8 Q. I want you to put an x there, doorway.

9 A. [Witness complies]

10 Q. And one consistent theme you have said in all them
11 multiple statement that the sheriff's department came every
12 time and asked you --

13 You didn't go searching for the sheriff's
14 department, did you?

15 A. No.

16 Q. They come searching for you, and they control and
17 asked you the questions that they believe would lead to this
18 journey of truth. They were trying to find out what was going
19 on; right?

20 A. Right.

21 Q. And they asked you on the 25th, they asked you
22 multiple other times, they asked you at the photo line-up.
23 They keep coming and asking you the questions; right?

24 A. [No response]

25 Q. Now, in all those statements, there is one

2 in the doorway; isn't that true?

3 A. Yes.

4 Q. And that Ms. Coakley would have been behind the
5 van; isn't that true?

6 A. Yes.

7 Q. Now, that would abskew [phonetic] or prevented you
8 from having any view directly that was transpiring out there
9 with those individuals who were fighting and had the shirt off
10 and -- ma'am?

11 A. I don't remember.

12 When I was walking out the doorway, she was facing
13 me and I was facing her and she had her eyes over her head
14 like this [indicates]

15 Q. And she put her eyes over her face like that
16 because that's after Mr. Washington had pointed a weapon at
17 her; isn't that true?

18 A. I don't remember.

19 Q. You don't remember.

20 Well, this is what the State wants you to say: you
21 saw the shooting. Did you see the shooting?

22 A. I don't remember.

23 Q. When they questioned you on the 25th, there's no

6 A. Yes.

7 MR. DAVIS: Okay. Now, put up Number 2.

8 I want you to look behind you, sweetheart. They've
9 got a fancy little stuff there you can put little red
10 markers up here.

11 Q. [Mr. Davis] Now, what is this area right here,
12 sweetheart? What happened right here?

13 A. That's where Herman was laying at.

14 Q. Need to speak a little louder. Ma'am?

15 A. That's where Herman was laying at.

16 Q. Now, back behind this area is where that stoop is
17 located; isn't that true?

18 A. Yes.

19 Q. And behind that van; isn't that true?

20 A. Yes. That's the stairs.

21 Q. Matter of fact, if we was -- this thing here was
22 fancy -- right here. I want you to look right here on my
23 little diagram. That's the doorway right here; right?

24 A. Yes.

25 Q. And so this is the van we are talking about right

1 here? Please, you've got to -- right here. This is the van
2 we're talking about right here?

3 A. [No response]

4 Q. Right there. That's it right there. Okay? This
5 come from that same situation. You got me?

6 A. [No response]

7 Q. So if you're in the center in the doorway right
8 here, and the action is going on around here, tell us how you
9 possibly could have placed on any statement that you saw
10 anything about guns, and individual's hand, and shooting.
11 Tell us. Do you have an explanation for that? Ma'am?

12 A. No, sir.

13 Q. Now, you will admit that the stoop is back up in
14 this area right here; isn't that true? And this van was in
15 place; isn't that correct?

16 A. Yeah. But it don't -- it didn't look like that.

17 Q. Didn't look like that? Why? It was darker than
18 that; isn't that true? Ma'am?

19 A. It was --

20 Q. It was darker than that. True or false?

21 A. True.

22 MR. DAVIS: Okay. Put this photograph up, please.

23 MR. WEST: Objection, Your Honor. Foundation.

3 MR. WEST: State's Number 19, Your Honor.

4 THE COURT: We haven't addressed that one. Are you

8 THE COURT: Madam Court Reporter, we may need to

10 MR. DAVIS: Put it up here.

11 Q. [Mr. Davis] Ms. Lockwood, this is State's Exhibit
12 Number 4. Okay?

13 Okay. Now, you admit this is basically where
14 Mr. Manigault eventually found himself?

15 A. Yes.

16 Q. And you will admit this is the van that is in
17 the -- right here; right?

18 A. Yes.

19 Q. And then you would admit that for purposes here,
20 that the stoop is back in that location; isn't that true?

21 A. Yes.

22 Q. And look at this diagram here in front of you.
23 That's what we're talking about right here.

24 A. Uh-huh.

25 Q. And that's the view that you have; isn't that true?

11 A. No. She was just standing there.

12 Q. Did you witness any confrontation, any altercation,

14 A. I never saw nobody fight.

15 Q. Never saw anybody fight. Ma'am?

16 A. I learned this off of what -- you know, everybody

18 I never saw nobody fight, none of that. I came out
19 when she was -- like I said, I remember her facing me and I
20 was facing her, and she was like this. Other than that, I

5 A. Yes, it would.

6 MR. WEST: I'm showing the witness his report, just
7 to refresh his recollection.

8 [Whereupon, the witness reviews documents]

9 A. Yeah. On the 25th of August of 2013, I responded
10 to the Roper Hospital in Moncks Corner -- I'm sorry -- in

4 Q. Do you know who you presented photo line-ups to?

5 A. Yes.

6 I presented to Francis Larry Jenkins, who gave a
7 description of the suspect, to Christina Lockwood, and an

14 A. I do.

19 Q. Okay. Tell the jury how a photo line-up is
20 generated.

21 A. Once a suspect is identified by witnesses, possible
22 suspect, we usually use the SLED lab.

23 We obtain their information, their date of birth.
24 We provide that information, date of birth, driver's license,

8 MR. WEST: At this time, we would move State's 41
9 and 42 into evidence.

10 MR. DAVIS: No objection, Your Honor.

11 THE COURT: State's 41 and 42 into evidence. No
12 objection.

13 [Whereupon, State's Exhibit Number 41 is admitted
14 into evidence by the Court]

15 [Whereupon, State's Exhibit Number 42 is admitted
16 into evidence by the Court]

17 Q. [Mr. West] So you showed Larry Jenkins --

18 A. I did.

19 Q. -- Arianna Coakley and Christina Lockwood --

20 A. Yes.

21 Q. -- photo line-ups in this case?

22 A. I did.

23 Q. Are you aware if anybody identified the defendant
24 as --

25 A. They did --

1 Q. -- the shooter?

2 A. -- all three of them did.

3 Q. Okay. Did you collect any other evidence in this
4 case?

5 A. I did not.

6 Q. Did you ever -- were you ever involved in the
7 collection of gunshot residue?

8 A. Yes.

9 I apologize. On the initial scene, he -- when I
10 got to the hospital, the victim had been -- had succumbed to
11 his injuries and passed away. In route, I had asked the
12 personnel to -- the medical personnel to bag his hands so that
13 I can collect a GSR kit on the victim, which I did that while
14 I was at the hospital.

15 MR. WEST: I'm showing the witness State's
16 Number 24.

17 Q. [Mr. West] Do you recognize that?

18 A. Yes. This is the chain of custody form that we use
19 to submit the GSR kits where it's collected, and then they're
20 sent for analysis.

21 Q. What's the package?

22 A. The package is the standardized sealed package that
23 it gets put in when we submit it.

24 Q. Is that, in fact, the same GSR kit that you
25 collected from the victim?

Daniel Wilson
Direct Examination by Mr. West

1 A. It is.

2 MR. WEST: At this time, the State would move
3 State's Number 24 into evidence.

4 THE COURT: Any --

5 MR. DAVIS: No objection, Your Honor.

6 THE COURT: No objection? State's 24 into evidence
7 without objection.

8 [Whereupon, State's Exhibit Number 24 is admitted
9 into evidence by the Court]

10 Q. [Mr. West] Are you familiar with why you would
11 collect gunshot residue from the victim in a case?

12 A. Yeah.

13 A lot of times during an investigation it's
14 determined that there may have been an altercation amongst all
15 parties involved, the victim and the suspects in this case,
16 and to eliminate any possibility of complicity or anything on
17 any parts, we normally -- in any type of a shooting incident,
18 whether you're the victim or the suspect, we normally collect
19 a GSR kit to eliminate any type of questions on if they fired
20 a weapon or not.

21 Q. Are you familiar with whether -- or is it necessary
22 that the person who has fired a gun to have gunshot residue on
23 them?

24 A. No.

25 They can just handle a weapon, also, and it can be

Daniel Wilson
Direct Examination by Mr. West
October 13, 2015

1 transferred at that point also.

2 Q. How about if somebody is shot?

3 A. If somebody gets shot?

4 Q. If somebody's shot.

5 A. If somebody's shot, obviously it'll be transferred
6 to them from the muzzle blast and so on.

7 MR. WEST: Thank you. No further questions for
8 this witness, Judge.

9 MR. DAVIS: No questions.

10 THE COURT: You may step down. Thank you.

11 THE WITNESS: Thank you.

12 THE COURT: Feel free to stay with us.

13 [Whereupon, Mr. Wilson is excused and exits the
14 witness stand]

15 THE COURT: Call your next witness.

16 MR. POULOS: The State calls Detective Cortee.

17 THE COURT: Sir, please come forward and be sworn.

18 [Whereupon, Mr. Cortee comes forward]

Direct Examination by Mr. Poulos
October 13, 2015

MICHAEL RICHARD CORTEE,

Having Been First Duly Sworn,
was Examined and Testified as Follows:

DIRECT EXAMINATION

BY MR. POULOS:

Q. Where do you work?

A. Berkeley County Sheriff's Office.

Q. And how long have you been with the sheriff's
office?

A. Since March of 2007.

Q. What do your duties entail there?

A. I'm currently a detective in the criminal
investigations division.

Q. And were you employed by the sheriff's office in
August, 2013?

A. Yes, I was.

Q. I want to direct your attention specifically to
August 25th, 2013. On that day, did you respond to the
Medical University of South Carolina in reference to this
case?

A. I did.

Q. What did you do there?

A. I was contacted by Detective Captain Shuler and was
advised to -- request to go respond there to attend and
observe the autopsy of the victim, Herman Manigault, from the

Michael Richard Cortte
Direct Examination by Mr. Poulos

1 homicide investigation that was under way.

2 Q. And did you retrieve items from the pathologist
3 during that autopsy?

4 A. Yes, I did.

5 Q. I'm going to show you what's marked as State's 26.

6 MR. DAVIS: No objection, Your Honor, to the --

7 THE COURT: All right. State's 26.

8 [Whereupon, State's Exhibit Number 26 is admitted
9 into evidence by the Court]

10 Q. [Mr. Poulos] Do you recognize those items? You
11 can review the chain of custody form if you need to.

12 [Whereupon, the witness reviews documents]

13 A. The items are in an envelope here that are sealed,
14 but I do recognize them as listed on here as the items that I
15 collected, or some of the items that I collected, from the
16 autopsy that day.

17 Q. [Mr. Poulos] Are those projectiles you collected,
18 bullets from the autopsy?

19 A. Yes. Correct. Fired or spent bullets.

20 MR. POULOS: I would offer those into evidence,
21 Your Honor, as State's 26.

22 MR. DAVIS: I said I didn't object to it earlier.

23 THE COURT: State's 26 into evidence without
24 objection.

25 [Whereupon, State's Exhibit Number 26 is admitted

Michael Richard Cortte

1 into evidence by the Court]

2 MR. POULOS: Thank you, Your Honor.

3 Q. [Mr. Poulos] Did you also retrieve a pair of tan
4 shorts from the autopsy?

5 A. Yes, I did.

6 MR. DAVIS: No objection again, Your Honor.

7 THE COURT: Please let him just lay the foundation
8 and get it marked and introduced so that the record is
9 clear. Thank you.

10 Q. [Mr. Poulos] Show you State's 52. Are those the
11 tan shorts you retrieved from the autopsy belonging to the
12 victim, Mr. Manigault?

13 THE WITNESS: The Court's indulgence, Your Honor.
14 Thank you.

15 THE COURT: And there are some gloves down there,
16 if you need them.

17 A. Yes, sir. These appear to be the tan shorts.

18 MR. POULOS: And as stipulated by defense counsel,
19 Your Honor, we would like to put these into evidence as
20 State's 52.

21 THE COURT: State's 52 into evidence without
22 objection.

23 [Whereupon, State's Exhibit Number 52 is admitted
24 into evidence by the Court]

25 MR. POULOS: I have no further questions for this

Michael Richard Cortte

1 witness, Your Honor.

2 THE COURT: Mr. Davis, any questions for this
3 witness?

4 MR. DAVIS: No questions for Mr. Cortee.

5 THE COURT: You may step down. Feel free to stay
6 with us.

7 [Whereupon, Mr. Cortte is excused and exits the
8 witness stand]

9 THE COURT: Counsel, just approach.

10 MR. DAVIS: Thank you, Your Honor.

11 [Whereupon, an off-the-record bench conference is
12 held]

13 THE COURT: Ladies and gentlemen, I anticipated
14 that we were going to have more witnesses this evening
15 but what has happened is the State and the defendant
16 have entered into a stipulation, which is, in essence,
17 an agreement. And so what that does is prohibit -- or
18 prevent witnesses from having to come and testify, and
19 so the attorneys will put it in writing and it read to
20 you. So the witnesses that do not testify today and
21 into the morning are from the South Carolina Law
22 Enforcement Division. You may recall me reading those
23 witnesses' names previously. And so those witnesses
24 will not physically come to testify, but there will be a
25 stipulation and Mr. West or Mr. Davis will read that

Michael Richard Cortte
Direct Examination by Mr. Poulos
October 13, 2015

1 into the record first thing in the morning.

2 So what that means is we have ended early. And I
3 do appreciate you all making the accommodation to stay
4 later. But we are done for the afternoon. We are out
5 of witnesses for the afternoon, due to the stipulation.
6 So, again, thank you for your accommodation.

7 Ladies and gentlemen, we have reached the stage of
8 the trial where I will tell you: please remember all of
9 my admonitions. Do not read, watch, listen to any news
10 accounts regarding this case, should there be any. Do
11 not do any independent investigation. Do not begin
12 deciding any issue in this case, and do not discuss this
13 case with anyone in any fashion.

14 Please take your notepads and other items with you.
15 Please report back. We will begin promptly at 9:30.
16 And, again, thank you for being so prompt in all of your
17 appearances today. Thank you.

18 Please rise for the jury.

19 [Whereupon, the jury exits the courtroom at
20 4:50 p.m.]

21 THE COURT: Thank you. Be seated.

22 All right. We are at ease until 9:15 in the
23 morning. I just need counsel to stay. We just have
24 some housekeeping matters to attend to, so everybody
25 else may be released.

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

WHITNEY BERRY,

Having Been First Duly Sworn,
was Examined and Testified as Follows:

DIRECT EXAMINATION

BY MR. POULOS:

Q. Where do you work?

A. I work for the South Carolina Law Enforcement
Division, also known as SLED.

Q. How long have you worked there?

A. I've worked there for a little over two and a half
years.

Q. What is your position at SLED?

A. I am a forensic scientist in the trace evidence
department, and I specialize in gunshot residue analysis.

Q. Ms. Berry, what is your educational background and
training?

A. I have a bachelor's of science degree, from the
University of South Carolina, in chemistry.

And I've also completed SLED's in-house gunshot
residue training course, which is a nine-month program. It
includes working cases under the supervision of a qualified
analyst, observing courtroom testimony, reading journal and
scientific articles regarding how to analyze gunshot residue,
as well as learning the ins-and-outs of how to operate the
scanning micron microscope instrument.

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 Q. Ms. Berry, how many gunshot residue analyses would
2 you say you've performed in your career?

3 A. In training, I probably did about 200 cases under
4 supervision and since I have been qualified, I've probably
5 done an additional 800 or so cases.

6 MR. POULOS: Your Honor, at this time I would like
7 to qualify Ms. Berry as an expert in gunshot residue
8 analysis.

9 THE COURT: Any objection?

10 MR. DAVIS: None, Your Honor.

11 THE COURT: Ladies and gentlemen, normally a person
12 cannot give opinion testimony. Typically, when a person
13 testifies they must testify as to either what they
14 heard, saw, or sensed by smell or something of that
15 nature. There is an exception in our law, when someone
16 is qualified because of their education or experience.

17 Ms. Berry will be qualified as an expert in the
18 area of gunshot residue analysis to give opinion
19 testimony in that area.

20 Ladies and gentlemen, that does not mean that you
21 must accept her opinion. It is simply evidence for you
22 to use in any way that you see fit.

23 Mr. Poulos.

24 MR. POULOS: Thank you, Your Honor.

25 Q. [Mr. Poulos] Ms. Berry, what is gunshot residue?

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 A. Gunshot residue, or what we're looking for
2 specifically is gun primer residue, is a metal component of
3 the primer that is in the bottom of the cartridge. So when
4 you go to fire a gun, you have your bullet at the top of the
5 cartridge and at the bottom you have a primer powder.

6 When the hammer hits the capsule that contains the
7 primer powder, a small explosion happens and the metals inside
8 vaporize and they become airborne. They come out through
9 different areas of the gun. And as they cool down in the air,
10 they re-solidify and they all merge together and they become
11 round or molten particles that would land on the hands or
12 anything around where the gun was fired.

13 Specifically, we're looking for lead, barium, and
14 antimony particles because these three elements are unique to
15 gun primer.

16 Q. How would gunshot residue get onto a person? What
17 are the various ways?

18 A. Well, first, you could get it by firing a gun.

19 On a revolver -- or a semiautomatic gun, it would
20 come out of, obviously, the barrel under the gun. On a
21 revolver, it would come out of the cylinder gap, which if
22 you've seen an old-west movie, a part where they pull out the
23 side, they load in the bullets, and they close it back up. If
24 you've seen an old-west movie, you've see the little poof of
25 gun smoke around the hands when they fire, and then you also

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 see a little poof out the end. That would be where your gun
2 primer would come from in those cases.

3 In a semiautomatic gun, it could come from the
4 slag, the ejection port, whenever the cartridge is ejected, as
5 well as out the barrel under the gun.

6 People can also get it on their hands through what
7 we call transfer. So anything around where the gun was fired
8 could potentially have gunshot residue on it, including a
9 table or clothing. And if someone were to touch those things,
10 they could potentially get it on their hands through transfer,
11 as well.

12 Q. If you are the person who is shot, could gunshot
13 residue get on you that way?

14 A. Yes.

15 The majority of the gunshot residue or the primer
16 residue will follow the path of the projectile or bullet
17 towards its intended target. So it is not unusual to find
18 gunshot residue on victims.

19 Q. Now, specifically as to a revolver, do they have a
20 tendency to project more, or less, gunshot residue than other
21 types of firearms?

22 A. Generally it depends on the condition of the gun,
23 and what caliber of ammunition it's using, as to how much it
24 will produce.

25 If it is a dirtier gun, then perhaps you might get

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 more because there would be buildup in it. If it's a cleaner
2 gun, then you may not get as much, depending on what the
3 caliber is.

4 In general, I would say that revolvers do have the
5 potential to deposit more on the hands just because the
6 cylinder gap is so much larger than the ejection slot on a
7 semiautomatic.

8 Q. Ms. Berry, is it easy to wash away gunshot residue?

9 A. It is very easy to remove, yes.

10 Q. How would you go about removing it?

11 A. If you imagine that you're in your kitchen and you
12 have flour on your hands, every time you clap your hands or
13 you touch something or wipe your hands, a little bit of that
14 flour comes off. And that's very similar to gunshot residue
15 and how it can be transferred or wiped away.

16 It can come off from just wiping it, it can come
17 off from putting your hands in your pockets, wiping your hands
18 on your pants, sweating, blood, excessive rain or wind, as
19 well as just washing your hands. Even some particles will be
20 absorbed through the skin.

21 Q. Ms. Berry, do you have certain protocols as to when
22 you will or will not test a gunshot residue kit?

23 A. Yes, we do.

24 Q. What are those?

25 A. On a living person, a kit collected from a living

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 person, we will not test if it is collected six hours after
2 the incident occurred and that is because the scientific
3 working group for gunshot residue has recognized that between
4 four to six hours, we don't expect to find anymore gunshot
5 residue on a person, just from normal, regular, everyday
6 activity. It should come off through whatever they do.

7 If we were to test something after the six-hour
8 point, we wouldn't be able to tie it to a specific incident,
9 so SLED policy is we won't test after six hours off a living
10 person.

11 Off a deceased person or a victim, we will in some
12 cases test the GSR kit. It's not necessarily probative
13 always, because we expect to find gunshot residue on a victim.
14 There are some cases where you would find an excessive
15 distance between the victim and the suspect, or there could be
16 something in between them where we would test.

17 Q. Ms. Berry, I want to show you three exhibits.
18 We'll go through them one-by-one.

19 A. Okay.

20 Q. 23, 24, which is already in evidence, and 25.

21 [Whereupon, Mr. Poulos and Mr. Davis confer]

22 MR. DAVIS: No objection, Your Honor.

23 THE COURT: To 23, 24 and 25?

24 MR. DAVIS: That's correct.

25 THE COURT: State's 23, 24 and 25 into evidence

Whitney Berry

1 without objection.

2 I show that 24 was previously admitted.

3 [Whereupon, State's Exhibit Number 23 is admitted
4 into evidence by the Court]

5 [Whereupon, State's Exhibit Number 25 is admitted
6 into evidence by the Court]

7 Q. [Mr. Poulos] Ms. Berry, first, as to Exhibit 25,
8 can you identify that document for us, please?

9 A. This is a copy of the report that I generated on
10 the evidence submitted in this case.

11 Q. As to Exhibits 24 and 23, are those the items
12 examined in your report?

13 A. Yes, sir, they are.

14 Q. Thank you.

15 This report is a fair and accurate representation
16 of your analysis?

17 A. Yes, it is.

18 MR. POULOS: As noted, these are already in
19 evidence.

20 Q. [Mr. Poulos] Referencing your report, I direct
21 your attention to item number 1. What is item 1?

22 A. Item 1 is a GSR kit from Sha'Quille Mi'Leak
23 Washington.

24 Q. What were the results of that test?

25 A. I did not analyze the gunshot residue submitted off

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 Sha'Quille Mi'Leak Washington, or State's Exhibit 23, so no
2 gunshot residue analysis was performed. This was because the
3 kit, the GSR kit, was collected more than six hours after the
4 incident time.

5 Q. Now, directing your attention to item 2 in your
6 report, what item is that?

7 A. This is the GSR kit from Herman Manigault, III.

8 Q. And what are the results of that analysis?

9 A. The results for the right hand were particles of
10 gunshot residue were found. So this would be multiple three-
11 component particles that contain lead, barium, and antimony,
12 that would be unique to the primer of a gun.

13 This gunshot residue can come from discharging a
14 firearm or firing it, being in the vicinity to discharge of a
15 firearm, so being nearest the one who fired it. This could
16 include being a victim or standing next to someone, or coming
17 into contact with a surface that had gunshot residue on it
18 such as a table or clothing or the gun itself.

19 Q. Items 2.1 and 2.2, what are those items and what
20 are the results of those examinations?

21 A. Inside each gunshot residue kit are particle lifts.
22 They look like this. They're labeled for the different areas
23 of the hand we want sampled. So what gets sampled are the
24 palms of each hand and the backs of each hand.

25 Our sample, by using this particle lift, is a piece

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 of double-sided tape with a black spot in the middle and you
2 would dab it on the hands and that would pick up any
3 particulate matter that might be on there.

4 We then analyze it with a scanning electron
5 microscope and then we go back through and we make our
6 identification based on what is selected of interest.

7 So for item 2.1, that's the right hand so that
8 would include lifts from the right palm and the right back,
9 and it was positive and particles of gunshot residue were
10 found. And on the left hand, item 2.2, it was also positive
11 with multiple particles of gunshot residue found.

12 Q. Ms. Berry, just to be clear. The only items -- the
13 only parts of the body that were tested here, that you
14 received items from, were the hands; correct?

15 A. Yes, the hands.

16 Q. And, again, you testified that if you were the
17 person who is being shot --

18 A. Yes.

19 Q. -- at close range, gunshot residue can get on your
20 body?

21 A. Yes.

22 We expect it to. When the gunshot residue comes
23 out of the muzzle under the gun and follows the bullet, it
24 comes out in kind of a cone pattern. So we expect everything
25 in that cone to potentially have GSR on it. That's how

Whitney Berry
Direct Examination by Mr. Poulos
October 14, 2015

1 someone could get it on their hands of the victim, even if
2 they were shot somewhere else.

3 MR. POULOS: If I could have a moment, Your Honor.

4 Thank you.

5 Q. [Mr. Poulos] Is there a particular range of
6 distance that you have to be to a gun, if you're the victim
7 being shot, in order to get gunshot residue on you?

8 A. It depends entirely on the caliber of the gun, the
9 condition of the gun, and possibly environment factors if it
10 was an outdoor shooting.

11 Q. Let's say we're talking about a .38 caliber
12 revolver or a .357 Magnum. Is there an approximate distance
13 that would be too far, in your opinion, to get gunshot residue
14 on you if you're the person who was shot?

15 A. We have an approximate -- basically, a table of
16 approximations for how far we would expect it to go. I would
17 expect it wouldn't travel more than maybe five feet.

18 MR. POULOS: I have nothing further, Your Honor.

19 Thank you.

20 THE COURT: Mr. Davis?

21 MR. DAVIS: Good morning. Good morning, Ms. Berry.
22 How are you doing this morning?

23 THE WITNESS: Good morning. I'm doing well.
24 Yourself?

25 MR. DAVIS: Thank you. Just a few questions.

CROSS-EXAMINATION

BY MR. DAVIS:

Q. You said that SLED makes a determination if the GSR kit is performed on an individual beyond six hours, y'all would not perform the test?

A. That is correct.

Q. So if you received information, it all depends on when it was done? The timing is very, very important?

A. Yes, it is.

Q. Very, very important.

And this information about timing should be known by all law enforcement officers, detective division, as taught by SLED?

A. It is in our SLED submission manual. I can't speak to how individual departments would train someone to collect GSR. But it is in our submission manual that we don't test.

Q. You would expect a competent sheriff's department, which is certified at the highest level, to comply with SLED's mandate that that information or that GSR examination be conducted within six hours?

A. I would expect if they planned to submit the evidence, that they would be aware of our policies, yes.

MR. DAVIS: Thank you. No further questions.

THE COURT: Mr. Poulos?

MR. POULOS: Nothing from the State.

October 14, 2015

MICHELE EICHENMILLER,

Having Been First Duly Sworn,
was Examined and Testified as Follows:

DIRECT EXAMINATION

BY MR. POULOS:

Q. Where do you work?

A. I work for the South Carolina Law Enforcement
Division in the forensic lab.

Q. How long have you been employed there?

A. About nine and a half years.

Q. What is your position and title?

A. I work in the firearm and tool-mark identification
section.

Q. What does that entail?

A. A firearms examiner, our job is to attempt to
identify if a bullet or a cartridge came from a certain
firearm. That's generally what we do. There's a couple of
other exams that we'll do, but that's generally what we do.

Q. What is your educational background and experience?

A. I have a bachelor's degree in biology. I also have
a master of science in forensic science.

Q. Have you undergone to any training at SLED?

A. I have.

We have an in-house training program. In order to
be a firearms examiner, you can't go to school for it. You

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 have to learn under other court-qualified examiners. It's a
2 three- to five-year program where you're kind of an
3 apprentice. You read a lot of your own. You do microscopic
4 examination. But you also sit in their offices and learn the
5 day-to-day work that they do.

6 Q. Ms. Eichenmiller, how many ballistics and firearm
7 analyses would you say you've completed in your career at
8 SLED?

9 A. Hundreds.

10 MR. POULOS: Your Honor, I would at this time ask
11 to qualify Ms. Eichenmiller as an expert in firearms
12 identification.

13 MR. DAVIS: No objection.

14 THE COURT: She will be so qualified.

15 Mr. Poulos?

16 MR. POULOS: Thank you, Your Honor.

17 Q. [Mr. Poulos] I would like to show you State's
18 Exhibit 26 and 28.

19 MR. DAVIS: No objection, Your Honor.

20 Q. [Mr. Poulos] First, as to Exhibit 28, what is that
21 document?

22 A. It's a copy of one of the reports I issued in this
23 case.

24 Q. And is that a report pertaining to the projectiles
25 pertaining to Exhibit 26, which is already in evidence?

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 A. Do you want me to open it or -- I mean, it's still
2 sealed, with my name -- or my initials, the date, and SLED
3 evidence tape, so whatever I put in this envelope is what's
4 still there. And so it's items 3 and 4, my item numbers, but
5 it States Exhibit 26. Two bullets.

6 Q. And it is what is analyzed in your report?

7 A. Correct.

8 Q. Is your report a fair and accurate representation
9 of your analysis of those projectiles?

10 A. Yes.

11 MR. POULOS: Your Honor, I would offer State's 28
12 into evidence.

13 THE COURT: Any objection?

14 MR. DAVIS: None, Your Honor.

15 THE COURT: State's 28 into evidence without
16 objection.

17 [Whereupon, State's Exhibit Number 28 is admitted
18 into evidence by the Court]

19 Q. [Mr. Poulos] Describe your analysis of those
20 bullets.

21 A. Whenever we receive evidence in a case, we can
22 receive a variety of evidence. We can receive bullets,
23 cartridge cases, firearms.

24 In this case I only received the bullets at first.
25 When we only receive a bullet, the best we can do is say how

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 many guns were involved, if possible, and then give a list of
2 manufacturers that make firearms with the specifications that
3 are on those bullets.

4 So manufacturers can pick how many lands and
5 grooves they want, what the width of those markings are, what
6 diameter; so what caliber, and the list of an investigative
7 lead to try to help determine what firearm fired those
8 bullets.

9 Q. Now, just to be clear, the bullets that we're
10 talking about that you examined were bullets that were already
11 fired; correct?

12 A. Correct.

13 Q. And what is the result of your examination of those
14 bullets?

15 A. I examined the two bullets and microscopically
16 compared them with each other.

17 I was able to determine that there was enough
18 matching individual identifying characteristics that I could
19 say they were fired by the same firearm.

20 Q. What type of firearm would they have been fired
21 from?

22 A. Their caliber was .357 Magnum or .38 Special.

23 And then we have a list of possible firearms that
24 could have been. There's about -- let's see. There's twelve
25 different manufacturers -- well, twelve -- eleven

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 manufacturers that make a .38 Special with those
2 specifications that were on those bullets, and then there's
3 five manufacturers that make .357 Magnum caliber firearms with
4 those specifications.

5 Q. I would like to show you State's 36 and 37.

6 MR. DAVIS: No objection to both of these, Your
7 Honor.

8 THE COURT: Are you moving them in at this time,
9 Mr. Poulos?

10 MR. POULOS: Yes, Your Honor.

11 THE COURT: State's 36 and 37 into evidence without
12 objection.

13 MR. POULOS: Thank you.

14 [Whereupon, State's Exhibit Number 36 is admitted
15 into evidence by the Court]

16 [Whereupon, State's Exhibit Number 37 is admitted
17 into evidence by the Court]

18 Q. [Mr. Poulos] Directing your attention specifically
19 to Exhibit 37, what is that document?

20 A. It's a copy of a second report that I issued in
21 this case.

22 Q. And does that report, in part, pertain to the
23 bullets we just talked about?

24 A. Correct.

25 Q. The same bullets?

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 A. Yes.

2 Q. Analyzed at a later date?

3 A. Correct.

4 Q. And does it also pertain to the firearm marked as
5 State's 36?

6 A. Yes.

7 This box still has the evidence tape with my
8 initials and the date intact. Do you want me to take it
9 out --

10 Q. The box has been opened?

11 A. Yes.

12 Q. But it's been stipulated to as --

13 A. Yeah. I mean, it's the firearm.

14 Q. Referring back to your report, it's a fair and
15 accurate representation of your analysis of those bullets
16 compared to that gun?

17 A. Correct. Yes.

18 Q. Please tell us about your analysis in that
19 instance.

20 A. In this case we received the gun at a later date.
21 It turns out it was on the list of manufacturers. So I -- we
22 do some paperwork on it. We check safeties. We write down
23 the serial number, the caliber.

24 I test-fired into a water tank, so the specimens I
25 get out of it are like perfect specimens from the firearm, and

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 then I put it under the microscope and compare it to the
2 bullets that I received previously.

3 Q. Did you reach a determination as to whether those
4 bullets came from that gun?

5 A. I did.

6 Q. What was your determination?

7 A. The bullets that I analyzed at first were not fired
8 by the firearm that I received.

9 Q. How would you describe the state of that firearm?
10 Was it clean?

11 A. It was fairly clean.

12 It was missing a thumb piece, which opens the
13 cylinder, but it didn't inhibit test-firing or its use and
14 function.

15 Q. Did it appear to have been fired recently or
16 cleaned recently?

17 A. I didn't notice that, but --

18 Q. Okay. When did you test that gun?

19 A. Last week.

20 Q. Thursday?

21 A. Yeah. October 8th. Thursday.

22 Q. Typically, does SLED test -- well, let me back up.
23 When did you receive the gun?

24 A. I received it last Thursday.

25 Q. So you tested it the same day you received it?

Michele Eichenmiller
Direct Examination by Mr. Poulos
October 14, 2015

1 A. Correct.

2 Q. Is that typical for SLED?

3 A. Not too typical.

4 Sometimes in extreme circumstances we get evidence
5 that we need to examine right away.

6 Q. Did you have to make any special arrangements to
7 test that gun in time for this trial today?

8 A. I did.

9 Due to the recent flooding, SLED was actually
10 closed on Thursday so I had to get special permission from my
11 Major to be able to meet and get the evidence and then examine
12 it and write the report.

13 MR. POULOS: I don't have any further questions,
14 Your Honor. Thank you.

15 THE COURT: Mr. Davis?

16 MR. DAVIS: Good morning.

17 Ms. Eichenmiller, I want to tell you I'm honored to
18 meet you. I'll tell y'all again, you know, I'm an ID

CROSS-EXAMINATION

BY MR. DAVIS:

Q. And just to follow up in reference to the question that the solicitor presented: you know, I've seen cases where if the gun had -- we find the gun -- I had a situation with a gun with years later -- and if you still have the bullet, the matching still can occur; isn't that true?

A. Correct.

Q. Yeah.

And isn't it important that if shots are fired, say five shots are fired from a weapon, then that means that there are five projectiles somewhere to be located?

A. That's possible.

They do get lost. They go on for awhile, they don't hit anything, so they just fall after --

Q. But it's out there?

A. Correct.

Q. Sometimes it's lodged in a tree, sometimes it's behind a wall. But if it is fired, there is a resting point for it; isn't that true?

A. Correct.

Q. Yeah.

So the effort is can we retrieve -- or do law enforcement retrieve it, if it's possible?

A. If it's possible.

Michele Eichenmiller
Cross-Examination by Mr. Davis
October 14, 2015

1 Q. So if you heard testimony that there were five
2 shots and that someone shot a gun, as credible testimony,
3 three times in a position down to the earth, downward, you
4 would expect possibly -- expert -- that there should be three
5 projectiles somewhere in that vicinity?

6 A. That's what I would expect.

7 Q. Now, I was amazed about how many manufacturers of
8 weapons. A lot of money in gun-making; isn't that true?

9 A. That's true.

10 Q. Wow. Seventeen manufacturers. Five specifically
11 just for a .38 Special?

12 A. No. Five for .357 Magnum.

13 Q. Five for .357 and twelve for the .38?

14 A. Eleven.

15 Q. These are your two prevailing guns, apparently, out
16 on the street?

17 A. No.

18 This is the caliber of the bullets that I received
19 in this case.

20 Q. And there's one other caliber they didn't send to
21 you, and I need your expertise.

22 MR. DAVIS: And I need that bullet, that rifle
23 bullet.

24 MR. POULOS: Rifle?

25 MR. DAVIS: Yeah. That deer bullet, y'all call it.

Michele Eichenmiller
Cross-Examination by Mr. Davis
October 14, 2015

1 Judge, I would mark this as Defense Exhibit -- I
2 think this will be Number 4. Thank you, ma'am.

3 THE COURT: Defendant's 4?

4 MR. DAVIS: I think it's SLED chain of custody, so
5 I ain't got no problem. I need you to look at it,
6 please.

7 THE COURT REPORTER: I need to mark it.

8 MR. DAVIS: I'm sorry. I'm sorry.

9 [Whereupon, Defendant's Exhibit Number 4 is marked
10 by the court reporter]

11 Q. [Mr. Davis] I hand you what's Defendant's Number
12 4, but it's been in control of the State.

13 Do you mind opening that, please, and tell me what
14 it is?

15 A. I can go ahead and take it out?

16 Q. Yes, please.

17 What caliber of bullet that is?

18 A. I mean, my expert opinion is a .223 Remington
19 caliber.

20 Q. What kind of guns would fire that bullet?

21 A. They would be typically what people think of as an
22 assault rifle.

23 Q. An AK-47?

24 A. No, sir.

25 It would be -- well, it could look like that if it

Michele Eichenmiller
Cross-Examination by Mr. Davis
October 14, 2015

1 was chambered for that round. Normally, an AK is not that
2 caliber.

3 Q. But it could look like that?

4 A. It would most likely be like an AR-15 style of
5 firearm.

6 Q. Silent firearm?

7 A. An AR-15.

8 Q. AR-15?

9 A. Uh-huh.

10 Q. An assault rifle type.

11 Look on that package. And can you determine where
12 that was retrieved from? I think the State -- I think they've
13 got a location like, you know, when they do the evidence pick-
14 up or retrieve it.

15 MR. POULOS: Object as to foundation.

16 MR. DAVIS: It's into evidence.

17 THE COURT: Mr. Davis, no speaking objections.

18 MR. DAVIS: I'm sorry, Judge.

19 THE COURT: Counsel approach.

20 [Whereupon, an off-the-record bench conference is
21 held]

22 THE COURT: Sustained. It's not in evidence.

24 at the packaging, please, the pink paper, please, because --
25 do that, yes.

Michele Eichenmiller
Cross-Examination by Mr. Davis
October 14, 2015

1 Tell the jury about chain of custody. Do you have
2 any knowledge about chain of custody and how things get to
3 you?

4 A. I know what happens to them once they get to us.

5 Q. Yeah.

6 And tell us what's important, why we have a chain
7 of custody.

8 A. It's important to be able to keep track of the
9 evidence, who's been able to get ahold of it, and then what
10 happened to it after it was in their custody.

11 Q. Yeah.

12 And this is no tricky question, Ms. Eichenmiller.
13 I'm just trying to -- from the paperwork that you have, can
14 you give me some identifying information on the package? It
15 has who presented that. I know it didn't went to SLED. I'm
16 presenting it to you for the first time. Okay?

17 A. This is a Berkeley County Sheriff's Office chain of
18 custody sheet.

19 It says it must accompany evidence at all times.
20 The arresting officer's name is on here. The victim's name.

21 Q. Which officer's name? You can say it.

22 A. It was D. Wilson.

23 Q. That's correct. Detective -- he testified earlier.
24 Go ahead.

25 A. Herman Manigault.

5 7.62 cartridge.

6 Q. Okay. That's the box you been showing the folks
7 earlier --

8 A. Correct.

9 Q. -- that you took the bullet out of. Okay.

10 A. It's an unfired cartridge, but, yes.

11 Q. I know. That's correct.

12 A. Item 1, which is the cartridge. On 8/25/13 was
13 released by Geno Alteri and was received --

14 Q. He's with the sheriff's department.

15 A. -- and received by the evidence room at Berkeley.

16 Q. And it's been there?

17 A. And it's on hold.

18 Q. Thank you. And now we'll put it in your hands.

19 MR. DAVIS: I move to have it introduced into
20 evidence, Your Honor.

21 THE COURT: Any objection, Mr. Poulos?

4 potential weapons that can discharge that bullet?

5 A. Any firearm that's chambered for a .223 Remington
6 or, in some cases, 5.56 Nato. They're the same diameter.
7 They're just different loads.

8 Q. So a lot of guns?

9 A. Yes, sir.

10 Q. A lot of guns.

REDIRECT EXAMINATION

BY MR. POULOS:

Q. As to the bullets you analyzed, if that type of round were to hit a hard surface, could it obliterate or damage the bullet?

A. It would be damaged, yes.

Q. Is it fair to say that if a round such as that is fired into a gravel parking lot, it may be difficult to recover?

A. That is possible.

Q. As to the second round Mr. Davis was questioning you about, you don't know where that was recovered from or under what circumstances it was recovered, do you?

A. No.

Q. It's unfired?

A. Correct.

Q. And that type of round would not fit in the revolver that you examined?

A. No.

Q. It has nothing to do with the bullets you examined?

A. Correct.

Q. Could it also be the type of round fired from a deer rifle?

A. It's possible.
