Page Three is a continuation of "The Matter to be included in the record on appeal."

I was expecting to be invited however the stacked motions resulting from these meeting with the Judges and the attorneys were handled more expeditiously with out my presence (or one might note, "the truth." There were two transcripts made available, or in fact three- two from Judge Verdin's Court room hearing in which I did Attend.

I memorablized both. I was told I had to use the last.

In summary, there were multiple exchanges between the judges and the attorneys on the record and not on the record.

I thought this was somewhat improper, and so did Mr. J. D.

Todd. My initial attorney on this Case. Unfortunately he has passed away with head and neck cancer in 2011, much to my regret. He advised me until his death and had since my separation and divorce. He was my "rock".

Mr. Chasteen item are attached herein as submitted to me.

There will be the following important letters back and forth with Dr. Reeves and my self, Mr. Daniels and My self,

Page Four continuing

Additional include the following:

Records from DSS and the three hearings I had in family court.

Research into the R.C. Jones Group through Ms. Christine

Driver of the Labor ,Licensing Board nad the Code officials and an affadvidavit from Ms. Gail Crawford the Head of the Residential Builders divisio.

I have eight to ten experts Mr. Daniel's has noted. Most of which was

Which testamony and evidence was given as stipulation.

All of which described the ways my beautiful home was destroyed

Destroyed by Dr. Reeves decision to employ a criminal  
Bu

Contractor In doing so Dr. Reeves was in Breach of Contract

I spent all the years betwee 2005 and today explaing what

Action to do to handle Jones, just as I was advised by the

Greenville, SC Solicitor's office. I am an architectural De-

signerwith Degree and expeience in this field and was sup-

posed to hire snd control the eork of anyone at my home..

If Dr. Reeves folowed thr contract, none of this tradgedy

would have occurred. He should be ashamed of his nglgent actions and

behavior. His position in these maters is indefensible..

I have become so handicapped, I cannot be employed. And must  
Change professions.. I have medical records to prove why.  
These will be included as well.

All financial information relative to my duties will be noted  
by way of IRS data and records and records kept over the years  
of this case.

My Expert witness will be included as to the credential and find-

Every thing will be complete and not excessive.

I certify I am sending Mr. Chasteen a copy of this information  
today by mail this afternoon.

Thank heaven for your service to the public.  
Forgive my Errors .I am not trained in these procedures and
