Re: Goldie Grier Reeves v. Dr. Rogers C. Reeves
Appellate Case No. 2013-002082

Dear Ms. Reeves:

Please find enclosed an additional copy of the Appellant's initial brief and designation of matter, the Respondent's initial brief and designation of matter, and the Appellant's initial reply brief and designation of matter as requested. You are reminded that these items are all available online and can be printed by you at your convenience.

We have also received your filings entitled record on appeal. While the proof of service on the cover page states that the notice of appeal was served on opposing counsel on February 12, 2017, there are other proofs of service not stating the specific document served, but giving the date of service as February 21, 2017. You must provide the court and opposing counsel with a proof of service for the record on appeal, as well as clarify the correct date of service within seven (7) days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy
CLERK
