

The Supreme Court of South Carolina

The State, Respondent,

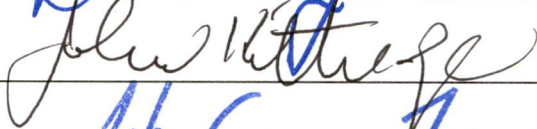

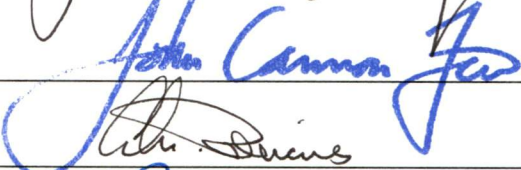

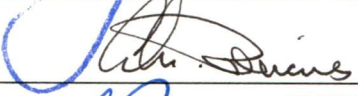

v.

Walter M. Bash, Petitioner.

Appellate Case No. 2015-001582

ORDER

After careful consideration of the petition for rehearing, we grant rehearing. We dispense with further briefing and substitute the attached opinion for the previous opinion. The attached opinion clarifies the circuit court did not rely on the officers' subjective intent to determine whether the officers conducted a search and that the officers' objective purpose is the proper concern, not their subjective intent.
